Circulating to the departments and officers concerned, for consideration and report, revised rules regarding the supply of newspapers and other periodical publications through the agency of the Financial Department.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—again the following papers:—

G.O., No. 287, Financial, dated 1st April 1895.
" " 230 " " 10th " 1896.
" " 33 " " 15th January 1897.

Read—also the following paper:—

Rules regarding the supply of newspapers and other periodical publications through the agency of the Financial Department of the Government of Fort St. George.

1. Newspapers or other periodicals, whether published in or out of India, required for public officers. may not be procured otherwise than through the agency of the Financial Department of the Secretariat. Every order for them should be sent to that department by the indenting officer with a copy or note of the sanction for supply by the Government department concerned. If it has been duly sanctioned by Government, the Financial Department will comply with the indent, and will cause the publications to be sent direct from the place of publication to the address of the indenting officer.

2. The annexed statement shows the publications at present supplied under the sanction of Government to departments and officers, together with the expenditure incurred. A similar statement will be communicated in September of each year to the Revenue, Educational, Marine and Public Works Departments, the Honourable the Judges of the High Court, the Deputy Adjutant-General, Madras Command (for the information of the Lieutenant-General Commanding), the Surgeon-General, the Inspectors-General of Prisons, Police, and Registration, the Resident in Mysore and the Chief Commissioner of Coorg in view to its being taken into consideration and report being made to the Financial Department before the 15th October whether any of the periodicals should be discontinued. Unless orders to discontinue any of the copies supplied are received, it will be assumed that the authority is continued for another year.

3. All charges on account of periodicals will be paid by the Accountant-General on the authority of the statement mentioned in the previous paragraph. He will debit the charges and, except in the case of official publications and the Asylum Press Almanac, the cost of which is debited to *32. Miscellaneous*, furnish particulars to the departments and officers concerned. Officers will at once advise the publishers of the non-receipt of any periodical, or be responsible for the incompleteness of the series.

4. The subscriptions paid should, as far as possible, be for the calendar year. When a periodical or newspaper is ordered for the first time after the commencement of the year, the subscription should be arranged to be for the rest of the year and be renewed from the first of January.

5. These rules do not cancel the instructions contained in G.O., No. 1518, Public, dated 14th November 1887, under which Translators to Government are permitted to make their own arrangements for procuring copies of periodicals.

Order—No. 801, Financial, dated 27th September 1897.

The above rules, which have been brought up to date, together with a statement of periodicals supplied to officers under the sanction of Government revised up to 31st August 1897, will be circulated to the departments and officers concerned for consideration and report.
