NOTE FOR THE C.A.

It is not usual for the
Lupt: foot: Pres to report
Madras Acts in an Office
note as he does in the case
of other foot: publica-
tions. But he seems to
have made an exception
in the present instance
as it is a modified
edition of an Act. In
reply to a note, he
quotes as Authority,
page 16 of the Sample
list furnished by the
foot of India in 1894:
But the Sample list
includes original Acts
also. Submitted that
since it is not usual
to report original Acts,
it would be consistent
to omit modified Acts
also.

60 Copies of all Madras
Acts are transmitted to the
India Office. The same
number ^{of Copies} of the modified

Municipalities Act, are

I am sure I think

that the quarterly list
should be complete & should
include all Acts original &
modified. This can be
instituted from 1st Oct. 1897

Please draft order accordingly

As to whether the instructions
should come through Secy. of State
or not that depends on
the distribution. If we do

the Secy. of State does
