FROM

F. G. SLY, Esq., C.S.,

Under-Secretary to the Government of India,

To

The Chief Secretary to the
Government of Madras.

Simla, the 21st September 1897.

Department of Revenue
and Agriculture.
(Forests).

SIR,

I am directed to acknowledge the receipt of your letter No. 660 (Finl.), dated the 20th ultimo, in which it is proposed that the daily travelling allowance of the European officers of the Revenue Survey Department employed on forest-settlement work in the Madras Presidency should be fixed at Rs. 5, in place of the allowance of Rs. 4 a day admissible to Deputy Collectors engaged on similar work and also drawn by Assistant and Deputy Superintendents of Revenue Survey.

2. In reply I am to say that, before passing orders on the case, the Government of India will be glad if, with the permission of the Governor in Council, more detailed information than is contained in your letter were furnished to prove that the present rate of daily allowance is insufficient in practice to meet actual travelling expenses as defined and limited by articles 1086 and 1087 of the Civil Service Regulations. A daily travelling allowance of Rs. 4 seems to the Government of India a very fair rate for officers whose pay (like that of Assistant Superintendents in the Revenue Survey) ranges between

between Rs. 300 and 550 per mensem. It is possible that an officer of the Revenue Survey Department doing forest-settlement work may have heavier travelling expenses to incur than he had when employed on revenue-survey work; but this by itself is not a sufficient ground for increasing the allowance in question, as the allowance must also be shown to be insufficient to cover the travelling expenses of the officer in the performance of his new duties.

I have the honour to be,

Sir,

Your most obedient servant,

F. G. S. G.

Under-Secretary.
