Memorandum No. 183. 23 January 1897

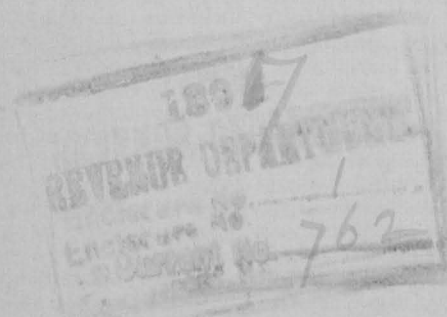

Read the following paper.

The Accountant-General proposes to reduce the budget estimates for 1897-98 under 20 Police Cattle pounds by .10 lakhs on the basis of past actuals. The Board of Revenue is requested to scrutinise the causes of the lapses annually occurring under this head, and report whether there is any likelihood of the grant for 1897-98 being fully utilised.

Memorandum from ^{the} Acting Assistant Secretary to Government, Financial Department, dated 23rd January 1897, No. 183.

Resolution.

In reply to the Government Memorandum read above, the Board submits that it sees no objection to the proposed reduction of the budget provisions on account of expenditure on cattle pounds during 1897-98. The reduction can be made as follows:—

1) Reserve ————— Rs 6,000

(Since transferred to
Construction and repair
of ponds.)

(2) Construction and Repair } Rs 4,000
of ponds.

Total Rs 10,000

The provision made in the Board's estimate under the second of the items above referred to was Rs 92,000, which represents the amount applied for by Collectors. But, considering the average expenditure of the last five years, the Board does not regard it as likely that the full provision will be utilized by Collectors.
