Budget Estimate.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From the Political Agent, Pudukkóttai, dated 13th September 1897, No. 389-O.

ORDER—No. 815, Financial, dated 2nd October 1897.

As recoveries from the Pudukkóttai State on account of pensionary contributions for the establishment of the Political Agent are, under G.O., No. 1012, Financial, dated 14th December 1895, deducted from the total cost of the establishment under 25-B. POLITICAL, a separate estimate showing the pensionary contributions as a credit to XXII-B. SUPERANNUATION—Contributions for Pensions and Gratuities, is unnecessary.

2. The separate estimate for petty articles of stationery purchased in the country is not required, in view of the facts that the whole cost of the establishment is recovered from the Pudukkóttai State and that under article 98 (f) of the Civil Account Code charges for country stationery in large offices only are required to be separately shown under STATIONERY AND PRINTING.

3. The actuals of the charges under contingencies for the past three years have not been given as required by rule 38 of the rules circulated with G.O., No. 602, Financial, dated 20th August 1895, while several items appear to have been over-estimated.

4. The estimate as accepted is shown in the appendix to these proceedings.
