EXPLANATORY REMARKS.

(a) The late shroff died in October 1896, but the pay of his successor from the 30th November 1896, on which date he was appointed, was not paid to him till July 1897, when the question of his security was finally disposed of; hence the variation between the actuals and the revised estimate.

(b) Postage charges—	RS.

4. Gum	0	12	0

7. Jutka-hire for taking emergent letters to Vallam	5	0	0
8. Binding charges	14	0	0
Total	26	14	0

(e) The increase in the revised estimate is due to the pension payable in March 1897 having been unpaid in that month.

(f) This pensioner died in January 1895; a moiety of his original pension Rs. 683-2-8 is continuable amongst his dependants. Rs. 4,000 has been provided in both the budget and revised estimates. The question as to the continuance of the pension is still pending. The balance of Rs. 1,360 shown under the revised estimate is the arrears of pension payable to his heir.

(g) This pensioner is dead. The actuals represent the arrears of pension paid to her heir.

(h) These pensioners are dead.

(i) The increase under actuals is due to arrears of increased pension (Rs. 35 to Rs. 100) having been drawn during 1896-97.

(j) The increase in the revised estimate as compared with the budget estimate for 1897-98 is due to provision made for payment of new pensions sanctioned in G.Os., No. 222, dated 31st March 1897 and No. 550, dated 17th August 1897, Political, as also the probable amount of commutation to be paid to the mother of V. Ry. Harirudra Ingilai Saheb. The estimate for 1898-99 is fixed with reference to the pension roll as it is at present.

(k) No marriage allowance was paid during 1896-97. The revised and the budget estimates are fixed with reference to the number of marriageable Mangalavilas children.

(l) No expenditure has been incurred under this head during the last seventeen months. The actuals and the average of the past three years are nil.
