Sir,

The Government medical subordinate Abdul Azim Khan posted to the Branch Dispensary Nagore claims a charge allowance of Rs 10 pr mensem as being in independent charge of a dispensary. The Nagore dispensary is in the same municipal town of Negapatam and is simply a branch of the main hospital & dispensary. The branch dispensary is under the immediate supervision of the Civil Surgeon like the main institution. All the major operation cases are sent to the main hospital at Negapatam, a few minor operations alone being conducted in the branch dispensary. The Hospital Assistant in charge of the branch is not in independent charge and the present incumbent's

predecessor

predecessors never made a claim for charge allowance.

2 Under the above circumstances I beg to be favoured with a definite ruling as to whether Hospital Assistant in charge of the branch dispensary, who is not in independent charge is entitled to charge allowance.

3. In this connection I beg to state that there is absolutely no room in the budget of the current financial year for such extra claims as the one under reference. The current budget has greatly been dislocated by the provisions of the amended municipal Act & the consequent heavy falls in the revenue under tax on arts and professions.

This is an argument against the charge allowance

The Chairman contends that the Government Hospital Asst Abdul Aziz Khan No 430 is not in independent charge and bases his contention on the following grounds:—

(1). That Nagore is in the same Municipal Town of Negapatam.

(2) That the dispensary located here, is under the immediate Supervision of the Civil Surgeon.

(3). That cases requiring major operations are sent to the Main Hospital at Negapatam.

(4) That the predecessor of the present incumbent did not claim charge allowance.

2. With regard to the first, I may state that although Nagore is within the jurisdiction of the Negapatam Municipality, it is isolated from the main portion of the Town, and is situated about 4 miles from Negapatam.

188
Dept.
Enclos. No. 5.
To
R. No.
2938. 10/97

3. As regards the second it is not correct to say that the Hospital is under the immediate supervision of the Civil Surgeon, as that officer only visits it once a fortnight or thereabouts the institution being merely a dispensary treating out-patients, and situated at a distance.

4. Referring to the third, it is but right that the Hospital Assistant should send cases requiring major operations to the main Hospital as he has neither the materials, nor the assistance, or accommodation required for undertaking such operations. All Hospital Assts in charge of dispensaries elsewhere, are enjoined to send such cases to the Head Quarters Hospital, to prevent mishaps that may follow the defects of the nature indicated above.

5. Against the fourth, it might be urged that the predecessor of the present incumbent was a private practitioner without the deploma of a Hospital Assistant. He had been in charge of the dispensary for nearly 17 years drawing a fixed salary of Rs 30 per mensem. He was replaced by a Local Fund Hospital Assistant in June 1896. This subordinate drew his Grade-pay at Rs 25 per mensem, and a special allowance of Rs 5. He was succeeded by the present Government Hospital Asst whose services were solicited on account of the important nature of the charge.

6. I think the Hospital Asst is entitled to the usual charge allowance of Rs 10 as Major by itself has a Population of about 17000 inhabitants, and is noted for a large Mahomedan Shrine to which people gather every year in large number, from different parts of India Burmah, and Ceylon.

7. In his daily discharge of duties, the Hospital Asst has to depend a great deal upon his own discretion.

8. There is an instance of a Branch dispensary in the same Municipality being provided with charge allowance viz

Principal

Municipal Branch Dispensary, Nellore (Quarterly Civil Medical List Page 69).

SIR,

I have the honour to transmit the accompanying letter No.259, dated 17th July 1897 from the Chairman, Municipal Council, Negapatam, requesting orders as to whether the Hospital Assistant attached to the Branch Dispensary, Nagore, should be considered to be in independent charge and granted the usual charge allowance.

2. The Chairman is of opinion that no charge allowance is admissibale on the following grounds:-

(a) That the Nagore Dispensary is in the same Municipal town of Negapatam and is simply a branch of the main hospital and dispensary.

(b) That it is under the immediate supervision of the Civil Surgeon.

(c) That all cases of Major operation are sent to Negapatam.

(d) That the predecessor of the present Hospital Assistant was not granted any charge allowance.

3. As regards (a) it is true that Nagore is within the jurisdiction of the Negapatam Municipality, but it is isolated from the Main portion of the town and is situated about 4 miles from Negapatam.

5. As regards (b) it is not correct to say that the dispensary is under the immediate supervision of the Civil Surgeon, as that officer reports that he only visits it once a fortnight.

4. With reference to (c) it is the rule everywhere to

send Major operation cases to the Head Quarter Hospital as the Hospital Assistant in charge of a branch dispensary has neither the materials nor the assistance or accommodation required for undertaking such operations.

5. As regards (d) the Civil Surgeon states that the present Hospital Assistant's predecessor was a private practitioner without the diploma of Hospital Assistant and had been in charge of the dispensary for nearly 17 years drawing a fixed salary of Rs.30.

6. The present Hospital Assistant who is a Government subordinate was posted at the request of the Municipality on account of the important nature of the charge.

7. Under the above circumstances and considering that the dispensary is situated about four miles from Negapatam and the Hospital Assistant is practically in independent charge, I am of opinion that the Hospital Assistant is entitled to the usual charge allowance of Rs.10 per mensem.

Charge allowance to the Hospital Asstt, Nagore.

FOR ORDERS.

C No: 3032

Abdul Aziz Khan, the Govt. Hospital Asstt: posted to the branch dispensary, Nagore, claims a Charge allowance of Rs 10 per mensem for being in independent charge of the dispensary. The dispensary does not appear in the list of medical charges carrying an allowance of Rs 10 per mensem, vide appendix to printed in G.O No: 158 Finl: dy 11 March 1896.

2 The Chairman, Municipal Council, Negapatam, is of opinion that no charge allowance is admissible to Abdul Aziz Khan on the following grounds.

(a) That the Nagore dispensary is in the same Municipal town of Negapatam and

and is simply a branch of the main hospital & dispensary.

(b) That the branch dispensary is under the immediate supervision of the Civil Surgeon, Negapatam

(C) That all cases of major operation are sent to the main hospital at Negapatam.

(d) That the predecessor of the present Hospital Asstt. was not granted any charge allowance.

2. The Surgeon-Genl: makes, however, the following observations on the report and recommendation of the Civil Surgeon:-

As regards (A) it is true that Nagore is within the jurisdiction of the Negapatam Municipality, but it is isolated from the main portion of the town and is situated about four miles from Negapatam.

As regards (b) it is not correct to say that the dispensary

dispensary is under the immediate supervision of the Civil Surgeon, as he only visits it once a fortnight.

With reference to (C) it is the rule everywhere to send major operation cases to the Head Quarter Hospital, as the hospital asstt in charge of a branch dispensary has neither the materials nor the assistance or accommodation required for undertaking such operations.

As regards (d), the Civil Surgeon reports that the present hospital asstt's predecessor was a private practitioner without the diploma of a hospital asstt: and had been in charge of the dispensary for nearly 17 years drawing a fixed salary of Rs 30.

The Surgeon-Genl: is, accordingly, of opinion that the present hospital asstt: is entitled to the usual charge allowce: of Rs 10 per mensem.

4. Nagore contains a population of about 17000.

Encl 2 to
C No: 3032

has a famous Muhammadan shrine which is resorted to by large numbers of people from the different parts of India, Burma & Ceylon. The present Hospital asstt., Abdul Aziz Khan who is a Govt. servant, was posted to Nagore at the request of the Municipality on account of the important nature of the charge & he has to depend a great deal upon his own discretion. A similar case was disposed of in G.O No: 467, Fin. dy 22 April 1892, under which a charge allowance of Rs 10 is attached to the branch dispensary, Nellore, which is in the same Municipal town.

5. Under the circumstances it is submitted that the Hospital Asstt, Nagore, may be permitted to draw the usual charge allowance of Rs 10 per mensem. The Chairman of the Negapatam Municipality reports that no provision can be made in the current year's budget for

* Encl 1 to G.O No. 3032

payment of the charge allowance on account of the heavy fall in the revenue under tax on arts and professions. This, it is submitted, is no justification for withholding payment of a legitimate charge, which should be met by retrenchment in other directions.
