No. 2630

From

J. C. Harrison Esq.,

Offg. ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To

THE Secretary to the
Government of India,
Financial Department.

SIR,

I have the honour to submit the following
case for the orders of the Government of India:-

A free work compositor of the Government Press
Madras was appointed as Foreman of the District
Press Anantapur on fixed pay and a question has
arisen as to whether he is entitled to any allowance
during transit.

Article 205 Civil Service Regulations permits
an officer to draw during joining time the pay
or salary which he drew in his old appointment or
that which he will draw on joining his new
appointment whichever may be less. In the case
under reference, the appointment of free work
compositor carries no pay or salary as defined in
Article 47, and under Article 236 he is for the purpose
of leave held to be an officer without a substantive
appointment.

appointment. But for the purposes of pension such
an officer is under Article 414 treated as holding
a substantive appointment and the average earnings
of the last six months of service are treated as pay
under the Government of India letter no. 4336 (1897-8) dated 9 September 1895.

I therefore beg to enquire whether for the purposes
of Article 205 he can be viewed to have been trans-
ferred from a substantive appointment and if so
the earnings for what period should be viewed as his
pay.

I have &c.

In reply to your letter No. 2630, dated 24th
August 1896 (a copy of which was received with

you enquire whether a piece work compositor of the
Government Press, Madras, who was appointed as
Foreman of the District Press, Anantapur, on a fixed
pay is entitled to any allowance during transit, I
am directed to say that the case being of an exceptional
and unimportant nature should be referred to the Local
Government for orders under the Resolution in this
Department, No. 5102-Ex. dated the 25th October 1895.

SIR,

I have the honour to forward copies of my
letter to the Government of India No. 2630
dated 24 August 1896 and their reply
No. $\frac{P}{4000}$ dated 7 September 1897 in connection

In accordance with the desire of the

Sir,

I am directed to refer
to your letter, N^o 339 P.N. dated
2nd August, 1895, in which you
enquire whether in calculating
the gratuity or pension of
Press servants on Inferior
service working at piece
rates, "emoluments" as defined
in rule 1 under article 530
of the Civil Service Regulations
should be taken into account
instead of pay, as mentioned
in article 524 of the Regulations.
In reply, I am
to say that in the case
of a Press servant working
at piece rates whose
service qualifies for
pension under article
414 of the Civil Service

8
Regulations, the word "pay"
in article 524 means "the
average earnings of the last
six months of services."

The Acctt. Genl. having
raised the question whether a
piece-work compositor of the Govt.
Press who was appointed as Foreman
of the District Press, Anantapur,
on a fixed pay, was entitled
to any allowance during transit,
the Govt. of India stated in
September last that the case
being of an exceptional and
unimportant nature should be
referred to the Local Govt. for
orders under G. S. Resolution
No. 5102-Ex, dated 25 October 1897.
2 The Acctt. Genl, accord-
ingly, submits the case for
the orders of this Govt. Under
Art. 205 of the C. G. Regs, an
officer may draw during
joining time the salary attached
to

to his old or new appointment, whichever may be less, provided that he holds a substantive appointment (vide art. 208).

In the case under reference, the appointment of piece-work compositor carries no pay or salary, as defined in art. 47, and he is, except for the purposes of pension (art. 414), treated as an officer without a substantive appointment - vide Article 236.

3 As, however, the Govt. of India has not raised any objection in its reply to the Acctt. Genl., but has left the matter to be disposed of by the Government, it is submitted that the Acctt. Genl. may be authorized to pass transit allowance to the compositor, calculating his emoluments at the average earnings of the last six months of service as in the case of pension - vide art. 530 rule 1 of the C. I. Regs. Attention is solicited to conditions (1)

(1) and (2) of the Govt. of India Resolution No: 5102-Ex, of 25 October 1895. The payment proposed to be made to the compositor is not a recurring one. Cases of this kind being of rare occurrence, it is not also likely that a new rule or practice involving expenditure will be established by the sanction now proposed to be given.

Order W. 864 of 16 Oct: '97

The A.G. will be authorized under the Govt. of India Resolution No. 5102-Ex of 25 October 1895 to pass allowances to the Freeman during transit equivalent to his average earnings during the six months prior to the transfer.
