SIR,

I have the honour to state that two statements are being furnished by me to Government monthly one showing the grants sanctioned and the other the actual expenditure incurred, on account of Famine Relief under section 35 of chapter III of the Madras Famine Code and Memo No 1564 Financial dated 24 July 1897 respectively. I would suggest that the two forms be amalgamated so that Government can at a glance both check the sanctions that have been accorded and those that are still necessary to cover the expenditure. The famine code might

modified accordingly. If Government approves I will
submit the combined statement with effect from
September last.

I have the honour to be,
Sir,
Your most obedt. Servt.,

W. H. Hamlin
Offg. Accountant General.

the requisite change might be made
at the time of revising the Code.
The A.G. might submit the requisite
information in future in the same
way as he has hitherto done.
