Budget Estimates.

Passing orders on the — of the Sanitary Engineer's department for 1898-99.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From the Sanitary Engineer to Government, dated 5th October 1897, No. 1590.

ORDER—No. 890, Financial, dated 4th November 1897.

The entire contribution from district boards and municipalities for the current year on account of the cost of the upper subordinate of the Public Works Department has been erroneously shown by the Sanitary Engineer in the revised estimate as a receipt under *Local*. The recovery from municipalities should have been shown under XX-A. MEDICAL—Contributions, and that from local boards under ADJUSTING HEADS. The necessary alteration will be made.

2. Under charges, the provision for one supervisor in the out-door establishment has been eliminated with reference to G.O., No. 2185 M., dated 8th October 1897.

3. Actuals for the past three years in the case of *Allowances* have not been stated as required by rule 38 of the rules circulated with G.O., No. 602, Financial, dated 20th August 1895; those for items of contingencies should have been given in the page of "Explanatory Remarks" *opposite* each item and not in a separate statement. The allotments proposed against "Travelling allowance to Assistant Sanitary Engineer" and against some items of contingencies appear to be unduly high and will be reduced with reference to past actuals. A separate provision for petty cooly and carriage charges does not seem to be required.

4. The estimates are accepted as shown in the appendix to these proceedings.

EXPLANATORY REMARKS.

(a) The saving is due to the pay of the Assistant Sanitary Engineer for nine days in March 1897 having been paid by the Pudukkóttai State for his services for the preparation of a water-supply scheme under G.O., No. 2370 L, dated 14th December 1896.

(b) Increases due to annual increments.

(*) The saving is due to the resignation of permanent incumbents.

(d) Increase is due to the reversion of the permanent incumbent from other duty.

(e) Saving due to fines and stoppages.

(J) Sanctioned for two years in G.O., Mis. No. 1704 L., dated 4th September 1897.

(g) Sanctioned in G.O., Mis. No. 1234 L., dated 8th July 1896, for the preparation of type drawings for sanitary works and to be recovered from District Boards and Municipal Councils under G.O., No. 2041 L., dated 30th October 1896.

(h) Provision is made in the revised estimate for one Assistant Engineer up to 15th October 1897.

(h) Provision is made in the revised estimate for one Assistant Engineer up to 15th October 1897.

(i) Provision is made for a Supervisor during the year for extension works at Conjeeveram—G.O., No. 906, Financial, dated 6th November 1937.

(j) Ten months' provision was made in the budget on the assumption that the Government would not be able to provide the necessary funds for the extension works.

(j) Ten months' provision was made in the budget on the assumption that the Conjeevaram works would not be completed until December 1897. These were completed in the first week in August 1897. The revised estimate further provides for three months as a Supervisor is required to carry out the extension of Conjeevaram water-works sanctioned in G.O., No. 1916 M., dated 1st September 1897.

(4) It is thought that the reduced allotment will be found adequate in consequence of the

(m) For repairing drawing and survey instruments.

(m) For repairing drawing and survey instruments.

(n) Increased allotment is necessary for repairs to furniture bought in 1890.

(o) Provision is made for warm-clothing to one peon and one lascar biennially—*vide* G.O., No. 26, Public, dated 13th January 1894.

(p) The decrease in the revised estimate is due to the employment of punkah-pullers late during the year.

(q) Increased allotment necessary for mounting plans, &c., during 1897-98.

(r) Reduced allotment is considered adequate.
