READ............the following letter from the Collector of Kurnool Ref on C No. 1032/7 dated 10th September 1897

× Recording G.O. 593/30-7-97 and requesting the Collector of Kurnool to report upto what date the present allotment will last and to make timely applications if further funds are required

With reference to Boards' Proceedings No. 6749× Miscellaneous dated 23rd August 1897, I have the honor to state that the amounts hitherto placed at my disposal for expenditure on Famine Relief are as shown under:—

				Rs	
B	In Government Order No. 809 (Financial)	24.11.96	33. C. Weaver's relief	20,000	1896

			33.C. Weaver's relief	50,000	

The allotments sanctioned in the first two of the Government Orders relate to the last Official year while only those sanctioned in the last two Government orders relate to the Current year. The latter allotments amounting to Rs 1,20,000 have already been exceeded, the expenditure under the "Weavers" and "Gratuitous relief" upto the end of August last having amounted to Rs 1,65,887 and 2,57,947 respectively.

2. (a) In my letter C. No. 783/7 of 97 dated 4th August 1897 read in Board's Proceedings No. 6940 Mis, dated 26th idem, I estimated the total expenditure on Weavers' relief at Rs 2,50,000 and accordingly applied for an allotment to the extent of that amount. Now that Government in its order Mis No. 4612 dated 3rd September 1897 has ordered the restriction of this relief owing to the favourable character of the season, I think that it may not be necessary to incur

incur such a large expenditure and would therefore request that in addition to the allotment of Rs 50,000 already sanctioned, a sum of Rs 1,50,000 alone may be placed at my disposal

(b) The amount shown above as expended upto the end of August 1897, under the head "Gratuitous Relief" actually represents the advances drawn from the various treasuries, the actual outlay not being ascertainable at present owing to the nonreceipt of all the detailed vouchers from the Officers Concerned. I would place the

amounts

amounts required for expenditure under this head during the months of September and October 1897 at Rs 53,000 and 29,000 respectively, taking also into Consideration the unexpended portion of the above advances.

The total amount required therefore Comes to Rs 3,40,000 in round figures. I have therefore the honor to request that a further allotment of Rs 2,70,000 may be sanctioned under the head 33. D. Gratuitous Relief.

Resolution

Submitted to Government with reference to Government

Order No. 593. Financial dated 4198/4-8-97 30th July 1897. The allotments now applied for by the Collector and those Sanctioned hitherto for the Current year are shown below:—

Famine Secretary to the Board

Sir,

In reply to Board's Proceedings No. 6718 Mis. dated 21st August 1897, I have the honor to state that Rs 71,000 was provided in my original budget under the heads noted in the margin. This was but a rough forecast as the funds required for each form of relief could not accurately be estimated at that stage. It would appear from appendix B to G. O. No. 470 dated 12th June 1897 which was received by me on the 8th July

that Government allotted Rs 71,405 to this district as noted in the margin.

2. In my letter R.C. No. 7261, of 97 dated 1st April 1897, I asked Rs 12,000 for kitchens and Rs 72,000 for Relief works and the Board in its Proceedings No. 2693 Mis. dated 10th April 97, raised the latter amount to Rs 96,000. Of this Rs 66,000 have been proposed by me for transfer to P.W.D. Vide B.P. No. 3622 Mis dated 22nd May 1897 and Rs 10,000 to Gratuitous relief in Government institutions - Vide B.P. No. 4540 dated 24th June 1897. Out of the balance of Rs 20,000, Rs 17,854 have been actually spent. The sanction of Government has not yet been received either for the allotments of Rs 96,000 and Rs 12,000 asked for works and kitchens, respectively or for the transfer of Rs 66,000 to P.W. but G.O. No. 516 dated 3rd July 97 shows that the transfer of Rs 10,000 from works to kitchens has been approved. In this G.O Rs 45,000 have been sanctioned, Rs 10,000 for village relief and Rs 35,000 for kitchens including the amount above referred to. The amount of Rs. 52100, allotted to works in charge of Civil officers in appendix B to G.O No. 470 dated 12th June 1897 is not sufficient to cover the expenditure incurred under that head as well as the transfers proposed by me and approved of by the Board in its Proceedings No. $\frac{3622}{22.5.97}$ ~~and~~ $\frac{4540}{24.6.97}$.

3. For the works in charge of P.W. officers Government allotted Rs 46,000 in appendix B to G.O No. 470 dated 12th June '97 and I proposed a transfer of Rs 66,000

from my funds. A further grant of Rs 100,000 was applied for in my telegram of the 6th July but Government in its order No. 595 dated 30th July '97 Sanctioned only Rs 50,000. C7ge The amount actually Sanctioned for works under the P. W. D is therefore only Rs 96,000 (46,000 + 50,000). The details as regards the expenditure incurred on works in charge of P. W. officers are not available in this office. I have asked the Executive Engineer for them, but he has not as yet furnished me with the information. It would appear from para 3. G. O. No. 594 dated E 30th July '97. which reached me on the 29th ultimo, that all applications for funds required for famine works under the charge of the P. W. D. should be submitted by the Superintending Engineer.

4. The amount applied for gratuitous relief in Government institutions including that entered in my original budget is Rs 77,000 as shewn below:—

Budget	Rs 10,000
Rc. 1261/1.4.97	12,000
Rc. 2447/13.6.97	10,000

5. The amount placed at the disposal of the Taluk Officers

is Rs 69,150 of which Rs 57,110 have been actually expended.

6. I request that early sanction may be accorded for the sum of Rs 12,000 applied for in my letter R.C. No. 1261/1-4-97. No more funds are likely to be required under this head as there is a vast improvement in the season and operations are being rapidly closed.

7. No provision was made in my original budget for gratuitous relief given at the houses of people. The sums applied for by me from time to time under this head are as follows:—

Date and No. of application	Amount
R.C. 123/16.6.97	10,000

Telegram dated 26-8-97 No 687 26-8-97 m.G.o. 678 27-8-97	15,000
	75,000

8. The total amount applied for has been sanctioned by Government in their orders noted in the margin. Of this amount, Rs 62,300 have been placed at the disposal of the Taluk officers and Rs 52,563 have been spent. Most of the village ~~works~~ circles having been ordered to be closed no more funds are required under this head.

9. Rs 6,000 was provided in the Budget for "Relief to people employed otherwise than on Relief works." (weavers relief) and Rs 65,000 was subsequently applied for. These sums were sanctioned by Government as noted below:—

G.O. No. 470/12.6.97 Appendix B.	Rs 6,000
G.O. No. 480/17.6.97	5,000
G.O. No. 483/19.6.97	2,000

Telegram dated 26th August 97	15,000
G.O. No. 554/20.7.97	20,000
	71,000

10. The amount placed at the disposal of the Principal Assistant Collector is Rs 80,000 of which Rs 62,860 have been spent. An application for further grant of Rs 25,000 was submitted to the Board on the 23rd ultimo and I request that the amount be sanctioned at an early date. This form of relief will have to be continued until the prices materially fall, but this I expect to occur immediately, and if the sums asked for by me are sanctioned I do not expect materially to exceed them.

11. In my letter No. 324 dated 12th July 1897, I applied for Rs 25,000 for intermediate works and placed Rs 7,500 at the disposal of the Divisional Officers but only Rs 70 has been spent up to date in the Head Assistant Collector's Division. The sanction of Government has not been received for the amount asked for under this head but the season having been greatly improved, the greater portion of it will remain unexpended and the whole expenditure under this head will be small and can be met by transfer from the balance remaining under some other head.

12. The sums provided in the revised budget under the different heads are as follows:—

Salaries and Establishments	Rs. 31,775
Relief works in charge of civil officers	400,000
Weavers' Relief	50,000
Village relief	150,000
Kitchens	210,000
	8,41,775

Resolution.

Submitted to Governmen with reference to G. O. No. 702 Financ dated 31.8.97.

U
GO 4658 Mis / 4.9.97.

2. The Collector states that the application for funds submitted in B. P. 2693 dated 10.4.97 – (Rs 96,000 for Relief works + Rs 12,000 for gratuitous relief or a total of Rs 108,000), has not yet been sanctioned by Government. It is presumed,

that these sums are included in the budget grant sanctioned by Government and shown in Appendix B to G.O. 470 Financial dated 12.6.97 under the following heads:- A

	Rs
Relief works in charge of Civil Officers	52,100
Relief works in charge of P.W. officers	46,000
Gratuitous relief	10,000
	108,100

It is understood that no orders have been issued on the Collector's proposal to transfer any portion of these sums to other heads. The expenditure under the head of "Relief Works in charge of Civil Officers is only Rs 17924 upto date, and is expected not to exceed Rs 20,000. ~~There~~ It appears therefore likely that there will to be a saving of Rs 32,100 under this head.

3. The actual expenditure under "Gratuitous Relief" now reported by the Collector is Rs 1,09,673 against a total grant of Rs 1,40,000. He asks for an additional allotment of Rs 12,000 under this head to meet expenditure for Gratuitous Relief in Government institutions. The Famine Commissioner requests that this may be sanctioned; the amount may be provided by transfer from the savings from the grant of Rs. 52,100 for "Relief works in charge of Civil officers".

4. A sum of Rs 25,000 was applied for in B.P. No 7253 dated 6.9.97, for "Weavers' Relief". This amount, if sanctioned, will be sufficient till the close of operations. The greater portion of the amount may be found from the savings mentioned in the two preceding paras.

Sanctioned in G O Fin 1765 Fin / 19 9 97

abs

5. No separate provision is necessary for expenditure on intermediate works, as it is covered by the grant under "33 B. Relief works in Charge of Civil Officers."

6. A statement showing the allotments sanctioned upto the 29th August for 1897-98 for expenditure in the Civil Department, and the latest known actual expenditure is appended, together with a note of savings and additional allotments required. The Famine Commissioner regrets the delay in the submission of the application; it has been due to the difficulty experienced in preparing a correct statement of allotments; the Famine Commissioner is not confident even now that the figures furnished are free from error.

READ— the following letter from the Collector of Anantapur Dis. No.5720/8-10-97, dated 6th October 1897:—

Out of the allotment of Rs.35,000/" sanctioned by Govenment for this District on account of weaving operations, Rs.33065-4-10 have been spent up to date as shown in the margin leaving a balance of Rs.1934-11-2, which is quite inadequate to meet the requirements of the current month. Besides, there are yarn bills awaiting payment to the extent of Rs.5,291-4-0. Assuming the estimated expenditure to be Rs.6,000/" for the current month at the end of which the relief is proposed to be stopped, I have the honour to state that a sum of Rs.10,000, in round numbers is necessary for further expenditure under this head. I request that sanction of Government be obtained for this allotment at a very early date.

I have the honour to request that sanction of Government be obtained for an additional allotment of Rs.20,000 for expenditure under gratuitous relief up to the end of the current month, as Rs.30,000 sanctioned in G.O.No.478/16-6-97 has been spent towards the kitchens and village relief expenditure.

2. The total allotment sanctioned under this head up to

date is Rs.87,000: in addition to this sum Rs.7,575 has been advanced to the several taluks in anticipation of sanction which will be adjusted on receipt of sanction now applied for. Out of the total allotment of Rs.94,575 made to several taluks, bills and vouchers to the extent of Rs.30,000 have already been received for audit in this office and the rest have to be accounted for by the Tahsildars. Stringent orders have been issued to hurry on the submission of vouchers &c for the outstanding sums.

Resolution.

Submitted to Government, with the request that the additional allotments applied for may be sanctioned. The total grants will then compare with the estimates submitted in Board's Proceedings, 639 dated 28th September 1897, as follows:-

These applications for allotments should be taken up & disposed of, I think, so far as we have funds to grant. But why does the R.D. transfer them without comment or any expression of opinion? Surely it is for them to go into the matter & say what grants are required & should be made, before sending on to the ~~R.~~ F.D.
