C.No.3199

Note for the Local and Municipal Dept:

Provision for exchange compensation allowance to the Secy. should be reduced to the maximum rate viz. Rs. 222-3-7 per mensem. Expenditure incurred on account of "printing at private presses" and stationery purchased in the country should be shown separately under 30 Stationery and Printing. The allotments for "sectional writing and copying" and for the purchase of typewriters should be shown under Supplies and Services and not under Contingencies. The detailed head "Travelling allowances" under Allowances is not intended to meet the travelling allowances of the Secy., his clerks and servants for the hill journey. These should all be shown under Hill journey allowances. The estimate proposed for 1898-99 appears to provide for an expenditure of Rs. 2,220 in connection with the move to Ootacamund. This is probably susceptible of reduction.

It is understood that the temporary clerk on Rs. 25 per mensem for six months to take the place of one to accompany the Secy. to Ootacamund, for which provision is made in the Budget estimate

for

* Hill journey allowances 1320
Hill journey charges 900

for 1898-99, has not yet been sanctioned.
Even if included in the Budget Estimates,
separate orders will be required sanc-
tioning the entertainment of such a
clerk. It is requested that the estimate
may be altered as may be found necessary
with reference to the foregoing remarks
and returned to the Finl. dept. at a
very early date.

General Administration,"

with reference to Art. 98 (f) of the Civil Account Code, Vol. I.

while the expenditure incurred on account of "printing at private presses" is shown under "contingencies" with reference to
