(a) The budget grant for the current year was intended for printing the settlement registers of Tanjore, Trichinopoly and Anantapur. The registers of Trichinopoly and Anantapur have not yet been received in the Board's office, and their printing is not likely to be taken in hand during the current year. The registers of Tanjore have been received, but their printing was deferred, pending decision of question regarding sub-division of joint holdings. It has now been decided to print the registers without waiting for the sub-divisions and the printing will be commenced shortly. It is estimated that only about ten thousand rupees will be spent on this account in the current year.

For 1898-99 a sum of Rs. 25,000 is provided for printing the remaining registers of this district and some of those of Trichinopoly and Anantapur districts.

(b) Increase due to provision for printing the settlement registers of Ouchterlony Valley which was expected to be completed in 1896-97 but had to be deferred pending settlement of the form of register.
