Read—also the following letter from R. L. PROUDLOCK, Esq., Curator, Government Botanic Gardens and Parks, Nilgiris, to the Collector of Nilgiris, dated Ootacamund, 13th October 1897, No. 614:—

With reference to G.O., Mis. No. 4790, dated 10th September 1897, communicated to me with your endorsement, G. B. No. 898, dated 20th September 1897, I have the honour to state that I did not ask for any extra allotment to carry out the improvements to Burliyar Gardens sanctioned in G.O., No. 343, Revenue, dated 17th May 1897, Nilgiris, was being prepared. I now learn, however, that the financial aspect is improving and that, after December next, money will probably be available for improvements. Under these circumstances, I venture to ask for Rs. 250 as an extra allotment for

Burliyar Gardens for the current year for purchase of manure. And for 1898-99 I would be glad if a similar additional allotment could be granted for the purpose of fencing in parts of the garden which are at present unprotected.

The additional amounts referred to in the second of the papers read above will be entered in the revised estimates for the current year and the budget estimates for the ensuing year submitted by the Curator with his letter, No. 512, dated 4th September 1897, and the estimates as thus modified are approved and will be transferred to the Financial Department.
