NOVEMBER.

Budget Estimates.

Accepting the — for petty construction and repairs to churches and cemeteries and for cemetery establishments for 1898-99.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—again the following papers :—

G.O., R. No. 1502, Financial, dated 6th November 1897.

Read—the following letter from the Venerable W. W. ELWES, M.A., Archdeacon of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 20th October 1897, No. 3972 :—

I have the honour to submit the following estimates for the year 1898-99:—

(1) Petty construction and repairs to churches ..	Rs.	
(2) " " cemeteries ..	4,698	
(3) Cemetery establishment ..	4,647	
	5,142	

2. In three cases considerable sums have been applied for under the heading of Repairs to churches, which sums, I think, can probably be materially reduced on my receiving further detailed estimates.

3. The increase of Rs. 60 in cemetery establishment over the amount applied for last year is owing to the necessity of providing a cemetery lascar for the new Government cemetery at Villupuram.

No. 3350.

Forwarded to the Chief Secretary to Government, Financial Department, with the actuals verified according to the books of this office. The omissions have also been supplied.

2. The Archdeacon states that the provision of Rs. 1,688 against Malabar and of Rs. 1,275 against Tanjore provides for expenditure on more than one work.

FORT ST. GEORGE,
28th October 1897.

(Signed) F. C. HARRISON,
Offg. Accountant-General.

From the Venerable the Archdeacon of Madras, dated 28th October 1897.
No. 3998.

Order—R. No. 1502, Financial, dated 6th November 1897.

The Venerable the Archdeacon will be requested to be so good as to re-submit the estimates at a very early date after making the reductions referred to in paragraph 2 of his letter. In the present state of the finances it will not be possible to accord sanction to a grant so largely in excess of that for the current year under PETTIT CONSTRUCTION AND REPAIRS OF CHURCHES.

2. The actuals for 1894-95 and 1895-96 in the detailed statement do not agree with those in the Civil Estimates.

(True Extract.)

(Signed) A. T. ARUNDEL,
Chief Secretary.

To the Venerable the Archdeacon.
" Accountant-General.

READ—also the following papers:—

From the Venerable the Archdeacon of Madras, dated 8th November 1897,
No. 4017.

From the Venerable W. W. ELWES, M.A., Archdeacon of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 8th November 1897, No. 4016.

I have the honour to acknowledge the receipt, yesterday, of G.O., R. No. 1502, Financial, dated 6th November 1897.

2. In accordance with the instructions in paragraph 2, I have made, without further reference to those who sent in the estimates, reductions under the heading Churches in the three districts referred to in paragraph 2 of my No. 3972, dated 20th October 1897, and also in one other district. These reductions amount to Rs. 1,698.

3. I have also reduced the estimate for repairs to cemeteries in two districts. These reductions amount to Rs. 599. I am unable, with the information now before me, to suggest any other reductions in the estimates.

4. With reference to paragraph 2 of the Government Order under reply, I have the honour respectfully to point out to Government that I explained in my letter, No. 3183, dated 20th October 1896, why the actuals, as shown in my detailed statement for 1895-96, could not correspond with the actuals kept in the Accountant-General's office, and the same remarks apply to the actuals for 1894-95. I had not the necessary information at my disposal. During the year 1896-97, the Accountant-General has been good enough to supply me with a monthly statement, both of expenditure and refunds, as calculated in his office, and has informed me of the action he takes with reference to refunds. The result is that, in the year 1896-97, my actuals exactly agree with the Accountant-General's and, as I am continuing to receive the necessary information from the Accountant-General, they will continue to do so in future years.

ENCLOSURE.

From the Venerable W. W. ELWES, M.A., Archdeacon of Madras, to the Accountant-General,
dated Madras, 8th November 1897, No. 4018.

With reference to G.O., R. No. 1502, Financial, dated 6th November 1897, I have the honour to forward, through you to Government, my letter, No. 4016, dated 8th November 1897, with revised estimates.

2. I have made all the necessary alterations in the account and estimate form, except I have not altered the amount deducted for rounding, which, I presume, will be done in your office.

No. 3525.

Forwarded to the Chief Secretary to Government, Financial Department. The figures for the Budget Estimate, 1898-99, under Cemetery establishment have been rounded to even hundreds of rupees.

Note for the Ecclesiastical Department.

The Archdeacon proposes a grant for 1898-99 of Rs.4698, ~~170000.00~~ Rs.2269 in excess of the Budget Estimate for the current year under Petty Construction and Repairs of Churches. It is to be inferred from para 2 of his letter that the grants for Malabar and Tanjore will probably admit of ~~considerable~~ material reduction on receipt by the Archdeacon of further detailed estimates. The Archdeacon might be requested to resubmit the estimates when these details have been received as the excess is ~~high~~ high. In the detailed statement at the foot of the estimates, the actuals of 1894-95 and 1895-96 differ from those in the Civil estimates. In para 2 of G.O. No.740, Finl., d/ 5th Novr. 1896, it was directed that this estimate should be forwarded through the Acct. Genl in order to be rendered complete before submission to Govt. The ^{defects} difficulties can be pointed out to the Acct. Genl when final orders are passed on the estimates.
