Budget Estimate.

Passing orders on the — of charges for 1898-99 submitted by the Inspector-General of Police.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From the Inspector-General of Police, dated Madras, 9th October 1897.

ORDER—No. 959, Financial, dated 19th November 1897.

The budget estimate for 1898–99 under 20. POLICE as submitted by the Inspector-General, when compared with the grant for the current year, shows increases under all heads except two, viz., VILLAGE POLICE, where the allotment for the current year is repeated, and REFUNDS where a reduction of Rs. 200 occurs.

2. It is observed that details have not been furnished for the revised estimate, and that in some cases one or more detailed heads under the same group-head have been clubbed together. The Inspector-General will be requested to arrange for the first defect being remedied in future, and as regards the second, which defeats the object of detailed heads, to furnish the Accountant-General at an early date with separate figures in all such cases appearing in the estimates for 1898–99.

3. Past actuals have not been given in the case of *Allowances* and *Supplies and Services* under DISTRICT POLICE—Hospital Charges, nor have details of *Contingencies* been specified under HACKNEY CARRIAGE ESTABLISHMENT in the same minor head. Details of the item *Miscellaneous* (Rs. 5,000) provided in the budget estimate for 1898–99 under *Contingencies* in the same minor head should be furnished to the Accountant-General.

4. Details of the actuals have not been specified in the case of either the sub-heads or the detailed heads comprised under the minor head RAILWAY POLICE.

5. With reference to past actuals the estimates will be reduced under the following heads:—

Minor head.	Group or detailed heads.	Inspector-General's figure.	Revised figure.	Difference.
		Rs.	Rs.	Rs.
Superintendence	Inspector-General and his establishment—allowances	4,500	4,000	500
Do.	Contingencies—Carriage of stationery and records.	500	400	100
Do.	Office expenses	500	358	142
Do.	Inspector-General and his establishment, for rounding	708	..	708
Do.	Deputy Inspector-General—Carriage of Government tents by road	200	150	50
District Executive Force ..	District Police salaries—Probable savings ..	35,000	40,000	5,000
Do. ..	Police force—Probable savings	72,389	82,761	10,372
Do. ..	Petty works of construction and repairs	1,05,000	1,00,000	5,000
	Total ..	..	..	21,872

6. Under DISTRICT EXECUTIVE FORCE—Hospital Charges, no provision has been made for the contribution towards the pay of hospital assistants for treating the police sick as the item is stated to be debitable to 24. MEDICAL. At the same time an allotment of Rs. 413 appears against *Contribution towards the pay of Apothecaries for treating the Police sick*. This is doubtless an oversight and the provision will be omitted. The saving under the same head will be raised by Rs. 87 for the sake of rounding.

7. The Hackney Carriage Act having been extended to Salem in G.O., No. 1246, Judicial, dated 30th August 1897, a provision of Rs. 872 will be entered in the budget estimate for 1898–99. The Inspector-General will be requested to furnish particulars for the revised estimate to the Accountant-General direct.

8. In the present state of the finances, the Inspector-General should restrict the charges in the current year under DISTRICT POLICE—*Petty works of Construction and Repair* to the budget grant.

9. The Railway Police scheme has now been sanctioned by the Right Honourable the Secretary of State, but it will not, G.O., No. 1463, Judicial, dated 8th Oct. 1897. under the orders of the Government of India, be brought into operation until the present financial position improves. The budget provision has therefore been omitted in the revised estimate and an allotment of Rs. 26,000 has been made for 1898–99. This amount is arrived at as follows:—

	Government of India (*a*).	Government of Madras (*b*).
	Rs.	Rs.
*Total cost	1,12,572	1,20,372

The Punitive Police in Nellore for guarding the banks of the Musi river, the Punitive Police in Kalugamalai in Tinnevelly, the Punitive Police in Ernad and Walavanad taluks in Malabar included in the budget under this head in the current year have been transferred to the head "Special Police charged for to parties concerned" as the charge is debited to the latter head by the Accountant-General.

(d) Includes Rs. 31,000 cost of Platform Police on the South Indian, Madras and East Coast Railways for the first eight months after which the charge appears under 20F. Railway Police.

(e) In the current year's revised estimate provision for the temporary force sanctioned in the following districts on account of famine is made on the assumption that the establishment will be dispensed with by the end of October :—

This additional force is estimated to cost Rs. 18,000 up to the end of October. The force has been ordered to be reduced as fast as possible. The famine batta granted in Ganjám, Vizagapatam, Kurnool, Bellary, Anantapur and Cuddapah calculated up to the end of October will cost Rs. 22,000. The increased charge is thus Rs. 40,000. Adding this to the past year's expenditure Rs. 24,60,000 (24,93,281 *minus* 31,000, cost of Railway Platform Police included herein), the revised estimate for the current year is proposed at Rs. 25,00,000. An application for additional budget grant will be separately submitted.

(f) Having regard to the past year's expenditure and to the fact that the force is kept up to its full strength in each district and absentees on leave, &c., are not as many as they used to be, large savings are not anticipated. Hence the reduced deduction for probable savings in the next year's estimate.

EXPLANATORY REMARKS.

The estimate of the Surgeon-General has been adopted.

(a) Increase caused by the posting of a 1st class Military Assistant Surgeon of above five years' standing.

(b) Decrease due to Military Assistant Surgeons not being entitled to charge allowance.

(c) Alterations due to different grades of Medical Subordinates employed.

(d) The Hospital Assistant attached to the Civil Hospital, Vizagapatam, draws an allowance of Rs. 10 per mensem for doing Police Hospital work. Hence the increase.

(e) The omission is due to the Accountant-General having reported that the contribution is debited to 24—"Medical" in his accounts.

(f) The increase is due to the retention, as per G.O., No. 998, Public, dated 11th September 1896, of the hospitals at Conjeeveram and Chingleput which had been ordered before to be abolished.

(g) Considering the accounts of the last year and the present year's four months' charges large savings are not anticipated.

(h) At Trichinopoly, Vellore, Negapatam and Salem.

(i) Included in the preceding item.

(j) The travelling of the Prosecuting Inspectors and the Court and School Inspectors on anthropometrical duty in each district mainly contributed to the increase in the accounts of 1896-97 under travelling allowance of Police force. These Inspectors have to travel through the whole district. The Mapilla outbreak in Malabar added slightly to the usual travelling allowance in that district. Under Railway warrants, the Mahamakham festival in Kumbakónam, for which 946 men were deputed from other districts, caused an increase of about Rs. 4,000. The Railway Police travelling also increased the expenditure.

(k) During the last two months of 1896-97 and principally in the current year numerous remittances of large amounts of treasure to Northern India, remittances to the distressed districts and relief camps in them and the travelling allowance of the additional Famine force have largely increased the expenditure. The first four months' actuals in the current year amount to Rs. 85,747. At this rate the probable amount for six months will be Rs. 1,28,000. From October it is assumed that the expenditure will not be much above the normal rate. Adding the first six months' estimate thus arrived at, viz., Rs. 1,28,000, to the last six months' expenditure of the past year, viz., Rs. 1,10,000 (excluding the excess charge on account of the Mahamakham festival and the Railway Police Travelling allowance which is provided for under 20F—Railway Police) a total of Rs. 2,38,000 is arrived at. Rs. 2,40,000 is therefore provided in the revised estimate. An application for additional budget grant will be separately submitted.

(l) Looking to the past year's expenditure Rupees 2,16,000 (2,33,884 *minus* 17,800, cost of Railway warrants for Railway Police) and the generally increasing cost on Railway warrants for travelling of the force, it is estimated that Rs. 2,25,000 will not be above requirement. The travelling allowance of the force has, of late, increased, but with the addition of the Prosecuting Inspectors, the travelling involved by men having to proceed to different stations in each district to measure unidentified prisoners and the large travelling on Railways, which are gradually extending, it is found impossible to help the increase. Superintendents have been directed to exercise very great scrutiny over travelling allowance claims.

EXPLANATORY REMARKS.

(a) Periodical passes for the travelling staff on the Madras Railway have had to be paid for at a higher rate demanded by the Railway Company than at first estimated. Periodical passes on the South Indian Railway, the Southern Mahratta and the East Coast Railway lines have not yet been obtained. Experience shows that there is more travelling by the Railway Police than at first estimated on detective and other duties. Hence the increased provision under "travelling allowance" under the different Railways made with reference to the actuals of the current year up to August, *viz.*, Madras Railway Rs. 6,000 (including cost of passes obtained for one year from July 1897), South Indian Railway Rs. 3,500, Southern Mahratta Railway Rs. 1,400, East Coast Railway Rs. 1,100.

The increase in cost of the proposed scale over the present scale in Statement No. 2 appended to my letter No. 726 dated 24th February 1896 is Rs 3486. But the increase mentioned by the Govt Judicial in Lr No. 1930 Jud dated 25 August 97 is Rs 3136. The difference is therefore Rs 350 per annum or Rs 1800 per annum. The additional cost as paid at accordng to my scale is Rs 2489 vide para 9 of my letter above. As provision is made only for such additional cost after deducting the Rs 1800 now payable by the G.I.P. Note

The Budget estimate for 1898-99 under 20 POLICE as submitted by the Inspector-General, when compared with the grant for the current year, shows increases under all heads except two-viz. VILLAGE POLICE where the grant for the current year is repeated, and REFUNDS where a reduction of Rs. 300 occurs.

2. It is observed that details are not furnished for the revised estimate and that in some cases one or more detailed heads under the same group-head are clubbed together. The Inspector-General should arrange for the first defect being ~~remained~~ remedied in future and as regards the second, which defeats the object of detailed heads, he should be requested to furnish the Accountant-General at an early date with separate figures in all such cases appearing in the estimates for 1898-99.

3. Past actuals have not been given in the case of Allowances and

Supplie

Supplies and Services under DISTRICT POLICE - Hospital Charges nor have details of Contingencies been specified under HACKNEY CARRIAGE ESTABLISHMENT in the same minor head. Details of the item Miscellaneous (Rs. 5,000) provided in the Budget estimate for 1898-99 under Contingencies in the same minor head should be furnished to the Accountant-General.

4. RAILWAY POLICE. Details of the actuals have not been specified in the case of either the sub heads or the detailed heads comprised under the minor head. The details of contingencies under each Railway have been clubbed. The Inspector-General should be requested to furnish details to the Accountant-General.

5. Compared with the actuals of past years the estimate may be reduced under the following heads:-

6. Under DISTRICT EXECUTIVE FORCE.- Hospital Charges - provision on account of contribution towards the pay of hospital assistants for treating the Police sick has been omitted as the contribution is debitable to 24 Medical -At the same time a provision of Rs.418 appears against Contribution towards the pay of Apothecaries for treating the Police sick, which is doubtless an oversight This item should be omitted and the saving under the same head raised by Rs.87 for the sake of rounding.

(7) In the present state of finances the Inspector General should restrict the charges in the current year under DISTRICT POLICE-Supplies and Services -"Petty Works of ------ construction and repair" to the budget grant.

9. RAILWAY POLICE. The Railway Police Scheme has now been sanctioned by the Secretary of State but it will not, under the orders of the Govt. of India, be brought into operation until

the present financial position improves. The budget provision has therefore been omitted in the revised and an allotment of Rs.26,000 made for 1898-99. This amount is arrived at as follows:-

Net additional Cost after deducting the seven-tenths share payable by Rail-way Companies and as provided in the current year's budget		50,000

The A.G's six-monthly estimate just received shows that the Provincial deficit for the year (including Famine expenditure) will be 105·23 lakhs against the deficit of 15·85 in the Budget estimate - the closing balance of 1897-98 being placed at -79·62 lakhs. Under these circumstances it is absolutely useless to retain the '26 for Railway Police.

Submitted to H.H. # With regard to the Railway Police Scheme it is impossible to say when money will be available, but the provision should, it is submitted, be retained. India may possibly strike it out.

The Hackney Carriage Act having been extended to Salem by G.O. No 1246 Jud[l] d 30/8/97 Rs 872 will have to be provided for the cost of establishment (vide A+)

The question of transferring the Purchase police in Malabar to the ordinary establishment has been separately submitted for orders. There is no difference in the effect as to the cost of the purchase police in Nellore under G.O. 2224 Jud[l] d. 2/xi/97 & report on the Nellore scheme is to be submitted in Jan[y] 1898, & the necessity for retaining it will be considered. Meanwhile the provision may be retained in the budget. A similar remark applies to Tinnevelly (vide note in linked file)

Passing orders on the — of charges for 1898-99 submitted by the Inspector-General of Police.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From the Inspector-General of Police, dated Madras, 9th October 1897, No. .

ORDER—No. 959, Financial, dated 19th November 1897.

The budget estimate for 1898–99 under 20. POLICE as submitted by the Inspector-General, when compared with the grant for the current year, shows increases under all heads except two, viz., VILLAGE POLICE, where the allotment for the current year is repeated, and REFUNDS where a reduction of Rs. 200 occurs.

2. It is observed that details have not been furnished for the revised estimate, and that in some cases one or more detailed heads under the same group-head have been clubbed together. The Inspector-General will be requested to arrange for the first defect being remedied in future, and as regards the second, which defeats the object of detailed heads, to furnish the Accountant-General at an early date with separate figures in all such cases appearing in the estimates for 1898–99.

3. Past actuals have not been given in the case of *Allowances* and *Supplies and Services* under DISTRICT POLICE—Hospital Charges, nor have details of *Contingencies* been specified under HACKNEY CARRIAGE ESTABLISHMENT in the same minor head. Details of the item Miscellaneous (Rs. 5,000) provided in the budget estimate for 1898–99 under *Contingencies* in the same minor head should be furnished to the Accountant-General.

4. Details of the actuals have not been specified in the case of either the sub-heads or the detailed heads comprised under the minor head RAILWAY POLICE.

5. With reference to past actuals the estimates will be reduced under the following heads:—

Minor head.	Group or detailed heads.	Inspector-General's figure.	Revised figure.	Difference.
Superintendence	Inspector-General and his establishment—allowances	4,500	4,000	500

6. *Under* DISTRICT EXECUTIVE FORCE—*Hospital Charges*—No provision has been made for the contribution towards the pay of hospital assistants for treating the police sick as the contribution is stated to be debitable to 24. MEDICAL. At the same time an allotment of Rs. 413 appears against *Contribution towards the pay of Apothecaries for treating the Police sick.* This is doubtless an oversight and the item will be omitted. The saving under the same head will be raised by Rs. 87 for the sake of rounding.

7. The Hackney Carriage Act having been extended to Salem in G.O., No. 1246, Judicial, dated 30th August 1897, a provision of Rs. 872 will be entered in the budget estimate for 1898–99. The Inspector-General will be requested to furnish particulars for the revised estimate to the Accountant-General direct.

8. In the present state of the finances, the Inspector-General should restrict the charges in the current year under DISTRICT POLICE—*Supplies and Services*—"Petty works of Construction and Repair" to the budget grant.

9. The Railway Police scheme has now been sanctioned by the Right Honourable the Secretary of State, but it will not, under the orders of the Government of India, be brought into operation until the present financial position improves. The budget provision has therefore been omitted in the revised estimate and an allotment of Rs. 26,000 has been made for 1898–99. This amount is arrived at as follows:—

G.O., No. 1463, Judicial, dated 8th Oct. 1897.

or Rs. 26,000 in round numbers. The provision will be retained subject to final orders on the consolidated civil estimates.

(c) The temporary establishment consists of the increase to the Reserve Police at Calicut and to Pallipuram Station sanctioned in G.Os., R., Nos. 38 and 506 Financial, dated 15th January 1896 and 10th June 1895 respectively. The Punitive Police in Nellore for guarding the banks of the Musi river, the Punitive Police in Kalugamalai in Tinnevelly, the Punitive Police in Ernad and Walavanad taluks in Malabar included in the budget under this head in the current year have been transferred to the head "Special Police charged for to parties concerned" as the charge is debited to the latter head by the Accountant-General.

(d) Includes Rs. 31,000 cost of Platform Police on the South Indian, Madras and East Coast Railways for the first eight months after which the charge appears under 20F. Railway Police.

(e) In the current year's revised estimate provision for the temporary force sanctioned in the following districts on account of famine is made on the assumption that the establishment will be dispensed with by the end of October :—

This additional force is estimated to cost Rs. 18,000 up to the end of October. The force has been ordered to be reduced as fast as possible. The famine batta granted in Ganjám, Vizagapatam, Kurnool, Bellary, Anantapur and Cuddapah calculated up to the end of October will cost Rs. 22,000. The increased charge is thus Rs. 40,000. Adding this to the past year's expenditure Rs. 24,60,000 (24,93,281 *minus* 31,000, cost of Railway Platform Police included herein), the revised estimate for the current year is proposed at Rs. 25,00,000. An application for additional budget grant will be separately submitted.

(f) Having regard to the past year's expenditure and to the fact that the force is kept up to its full strength in each district and absentees on leave, &c., are not as many as they used to be, large savings are not anticipated. Hence the reduced deduction for probable savings in the next year's estimate.

EXPLANATORY REMARKS.

The estimate of the Surgeon-General has been adopted.

(a) Increase caused by the posting of a 1st class Military Assistant Surgeon of above five years' standing.

(b) Decrease due to Military Assistant Surgeons not being entitled to charge allowance.

(c) Alterations due to different grades of Medical Subordinates employed.

(d) The Hospital Assistant attached to the Civil Hospital, Vizagapatam, draws an allowance of Rs. 10 per mensem for doing Police Hospital work. Hence the increase.

(e) The omission is due to the Accountant-General having reported that the contribution is debited to 24—"Medical" in his accounts.

(f) The increase is due to the retention, as per G.O., No. 998, Public, dated 11th September 1896, of the hospitals at Conjeeveram and Chingle put which had been ordered before to be abolished.

(g) Considering the accounts of the last year and the present year's four months' charges large savings are not anticipated.

(h) At Trichinopoly, Vellore, Negapatam and Salem.

(i) Included in the preceding item.

(j) The travelling of the Prosecuting Inspectors and the Court and School Inspectors on anthropometrical duty in each district mainly contributed to the increase in the accounts of 1896-97 under travelling allowance of Police force. These Inspectors have to travel through the whole district. The Mapilla outbreak in Malabar added slightly to the usual travelling allowance in that district. Under Railway warrants, the Mahamakham festival in Kumbakónam, for which 946 men were deputed from other districts, caused an increase of about Rs. 4,000. The Railway Police travelling also increased the expenditure.

(k) During the last two months of 1896-97 and principally in the current year numerous remittances of large amounts of treasure to Northern India, remittances to the distressed districts and relief camps in them and the travelling allowance of the additional Famine force have largely increased the expenditure. The first four months' actuals in the current year amount to Rs. 85,747. At this rate the probable amount for six months will be Rs. 1,28,000. From October it is assumed that the expenditure will not be much above the normal rate. Adding the first six months' estimate thus arrived at, viz., Rs. 1,28,000, to the last six months' expenditure of the past year, viz., Rs. 1,10,000 (excluding the excess charge on account of the Mahamakham festival and the Railway Police Travelling allowance which is provided for under 20F—Railway Police) a total of Rs. 2,38,000 is arrived at. Rs. 2,40,000 is therefore provided in the revised estimate. An application for additional budget grant will be separately submitted.

—	Estimate for 1898-99.	Four months' charges of 1897-98.	Accounts. 1896-97.	1895-96.	1894-95.

Total ...	2,25,000	85,747	2,33,884	2,12,024	1,95,095

(l) Looking to the past year's expenditure Rupees 2,16,000 (2,33,884 *minus* 17,800, cost of Railway warrants for Railway Police) and the generally increasing cost on Railway warrants for travelling of the force, it is estimated that Rs. 2,25,000 will not be above requirement. The travelling allowance of the force has, of late, increased, but with the addition of the Prosecuting Inspectors, the travelling involved by men having to proceed to different stations in each district to measure unidentified prisoners and the large travelling on Railways, which are gradually extending, it is found impossible to help the increase. Superintendents have been directed to exercise very great scrutiny over travelling allowance claims.

EXPLANATORY REMARKS.

(a) Periodical passes for the travelling staff on the Madras Railway have had to be paid for at a higher rate demanded by the Railway Company than at first estimated. Periodical passes on the South Indian Railway, the Southern Mahratta and the East Coast Railway lines have not yet been obtained. Experience shows that there is more travelling by the Railway Police than at first estimated on detective and other duties. Hence the increased provision under "travelling allowance" under the different Railways made with reference to the actuals of the current year up to August, *viz.*, Madras Railway Rs. 6,000 (including cost of passes obtained for one year from July 1897), South Indian Railway Rs. 3,500, Southern Mahratta Railway Rs. 1,400, East Coast Railway Rs. 1,100.

ORDER. No. 959-98 19-11-97

The Budget estimate for 1898-99 under 20 POLICE as submitted by the Inspector-General, when compared with the grant for the current year, shows increases under all heads except two-viz, VILLAGE POLICE, where the allotment for the current year is repeated, and REFUNDS where a reduction of Rs.200 occurs.

2. It is observed that details have not been furnished for the revised estimate and that in some cases one or more detailed heads under the same group-head have been clubbed together. The Inspector-General will be requested to arrange for the first defect being remedied in future and as regards the second, which defeats the object of detailed heads, to furnish the Accountant-General at an early date with separate figures in all such cases appearing in the estimates for 1898-99.

3.

3. Past actuals have not been given in the case of Allowances and Supplies and Services under DISTRICT POLICE-Hospital Charges, nor have details of Contingencies been specified under HACKNEY CARRIAGE ESTABLISHMENT in the same minor head. Details of the item Miscellaneous(Rs.5,000) provided in the budget estimate for 1898-99 under Contingencies in the same minor head should be furnished to the Accountant-General.

4. Details of the actuals have not been specified in the case of either the sub-heads or the detailed heads comprised under the minor head RAILWAY POLICE.

5. With reference to past actuals the estimates will be reduced under the following heads:-

Minor Head	Group or detailed heads.	I.G's figure	Revised figure	Difference
Superintendence	Inspr.-Genl.and his Establishment Allowances	4,500	4,000	500
-------do-----	Contingencies-Carriage of Stationery and records.	500	400	100
-------do-----	Office expenses - Inspr.General and his establishment.	500	358	142
——do——	For rounding	708	,,	708
-------do----	Dy.Inspector-General Carriage of Govt.tents by road.	200	150	50
District Executive Force	District Police Salaries-Probable savings.	35,000	40,000	5,000
... Do.....	Police Force-Probable savings	72,389	82,761	10,372
.Do.....	Petty works of construction and repairs Total	105,000	100,000	5,000

6. Under DISTRICT EXECUTIVE FORCE-Hospital Charges - no provision has been made for the contribution towards the pay of hospital assistants for treating the Police sick as the contribution is stated debitable to 24 Medical - At the same time an allotment of Rs.413 appears against Contribution towards the pay of Apothecaries for treating the Police sick. This is doubtless an oversight and the item will be omitted. The saving under the same head will be raised by Rs.87 for the sake of rounding.

7. The Hackney Carriage Act having been extended to Salem in G.O. No.1246 Judl., dated 30th August 1897, a provision of Rs.872 will be entered in the budget estimate for 1898-99. The Inspector-General will be requested to furnish particulars for the revised estimate to the Accountant-General direct.

8. In the present state of the finances, the Inspector-General should restrict the charges in the current year under DISTRICT POLICE-Supplies and Services - "Petty works of construction and repair" to the budget grant.

9. The Railway Police scheme has now been sanctioned by the Right Hon'ble the Secretary of State but it will not, under the orders of the Govt. of India, be brought into operation until the present financial position improves. The budget provision has therefore been omitted in the revised estimate and an allotment of Rs.26,000

G.O.No.1463 Judl.,d/8-10-97.

Rs.26,000 has been made for 1898-99. This amount is arrived at as follows:-

Net additional cost after deducting the seven-tenths share payable by Railway Companies and as provided in the current year's budget.		30,000
Deduct		
Difference between scale proposed by the Madras Govt. and that sanctioned by the Govt. of India.	7,800	
Deduct share debitable to Railway Companies	3,150	4,650
		25,350

or Rs.26,000 in round numbers. The provision will be retained subject to final orders on the consolidated civil estimates.

10. The estimates as modified will stand as follows as shown in the appendix to the ~~G.O.~~ proceedings:—

District Executive Force ...	38.386
Village Police	.067
Special Police	.146
