Budget Estimates.

Passing orders on the — of charges of the Jail Department for 1898–99.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper :—

From the Inspector-General of Prisons, dated 30th September 1897, No. 4962.

Order—No. 967, Financial, dated 20th November 1897.

The budget estimate of charges under 19-B. Law and Justice—Jails for 1898-99, as framed by the Inspector-General of Prisons, compares with the grant for the current year and with past actuals as shown below :—

—		19-B*a*—Jails.	19-B*b*—Jail Manufactures.	Total.
Actuals	1894-95	6·95	3·31	10·26
	1895-96	6·81	3·54	10·35
	1896-97	7·52	3·12	10·64
Budget, 1897-98		7·57	3·60	11·17
Revised, 1897-98		7·40	3·32	10·72
Budget, 1898-99		7·37	3·40	10 77

2. Excluding the provision on account of Charges for police custody, which is included in the estimate for the current year but which is budgeted for by the High Court, the charges under 19-B*a* Jails are placed at ·10 lakh higher than the grant for the current year.

3. Past actuals have not been shown against *Allowances* and *Contingencies* under Superintendence, against Sanitation Charges and against Miscellaneous Services and Supplies as required by rule 38 of the rules circulated with G.O., No. 602, dated 20th August 1895.

4. The result of the correspondence referred to in note (*h*) regarding the sum of Rs. 2,212 in the accounts for 1896-97 under Medical establishment of *Presidency Jails* should be reported.

5. In note (*o*) explaining the differences in the number of sweepers attached to subsidiary jails, the decrease from six to five in the number of those menials drawing Rs. 5 has been overlooked.

6. The proposed provisions for dietary charges in Central, District and Subsidiary Jails appear to be excessive and will be reduced by sums of ·10, ·03, and ·05 lakhs, respectively. The enhanced allotment for uniform and equipment of warders in Presidency and District Jails in the revised estimate for the current year is stated to be caused by the fact that two issues of uniform instead of one fell due in the year. This explanation cannot, however, apply to the similar apparently double provision in the budget for 1898-99 and the allotments will be reduced by Rs. 1,300 in all. The estimates on account of *Conservancy and Water-supply Dead Stock* in Central and District Jails will be reduced from Rs. 500 and Rs. 200 to Rs. 300 and Rs. 100, respectively, and the allotment for Petty Construction and Repairs in District Jails by Rs. 400.

7. A sum of Rs. 14,000 will be added to the estimate under Miscellaneous Services and Supplies—*Central Jails—Cost of Europe Stores*, to meet the cost of the new weaving machinery for the Coimbatore Jail sanctioned in G.O., No. 1627, Judicial, dated 22nd Novembe[illegible]97.

8. The estimates, as modified, are shown in the appendix to these proceedings.

EXPLANATORY REMARKS.

(*g*) Rupees 60, being the difference between the accounts and the estimates, represents arrears of pay due to the Jailor of the sub-jail at Trichinopoly for 1895-96 drawn in 1896-97.

(*h*) The difference between the accounts and the estimates is due to the payment of local allowance to hospital assistants, provision for which has not been made in the estimate for Medical establishment furnished to the Inspector General of prisons by the Surgeon-General. The matter is under correspondence.

(*i*) Represents the allowance drawn by the District Medical Officer, South Arcot, up to the end of June, after which a conveyance allowance of Rs. 50 has been drawn instead—*vide* G.O., No. 808, Judicial, dated 9th June 1897.

(*j*) Increase in salary taken in extinction of the claim to allowance in accordance with Rule XIII of the rules recorded in G.O., No. 491, Financial, dated 24th June 1887.
(*k*) Six additional warders were sanctioned for the Cuddalore District Jail in G.O., No. 1111 R., Financial, dated 18th August 1897.

(*l*) The variation is due to the services of one sub-jail warder having been dispensed with on the closing of the Rambha sub-jail in the Ganjám district, and to the inclusion in the estimate of six sub-jail warders of the Coimbatore district who, for want of sanction to their entertainment, were omitted from the last estimate. Pay for these warders has been admitted by the Accountant-General under the authority of G.O., No. 2452, Judicial, dated 1st December 1891.
(*m*) The increase over the estimates is due to arrears of pay for 1895-96 being drawn in 1896-97.
(*n*) Provision for temporary warders is made with reference to Rules 220—222 of the Jail Code. A reduction has been made in the number budgeted for under central jails in accordance with the actuals of the last two years; the reduction in regard to district jails is made in view of the increase referred to in note (*k*) *supra*.

(*o*) The difference in the numbers is due to the following causes:—
(1) *Decrease* of two scavengers on Rs. 3 per mensem and one scavenger on Rs. 1½, and *increase* of one scavenger on one rupee in the sub-jails of the Salem district, in accordance with the revised list of sanctioned sub-jail establishment communicated under the District Magistrate's No. 1009 M., dated 11th September 1896.
(2) Scavenging fees paid to municipalities and unions on account of the sub-jails at Mayavaram (Tanjore district) and Vizianagram (Vizagapatam district), being budgeted for under sanitation charges—*vide* G.Os., Nos. 36, Judicial, dated 7th January 1896, and No. 393, dated 21st February 1895.
(3) Entertainment of one scavenger on Rs. 2-8-0 in the Gooty sub-jail (Anantapur district)—*vide* G.O., No. 354, Judicial, dated 11th March 1897.

EXPLANATORY REMARKS.

(*p*) The cost of rations has been taken at Rs. 31 in Presidency Jails, Rs. 29 in Central Jails, Rs. 26 in District Jails and Rs. 37 in Sub-jails, which is the average cost of the year 1893, *i.e.*, the year *following the famine* of 1892; while the number of prisoners to be rationed has been fixed on the actual average population of the first seven months of the current year, (*i.e.*, from January to July inclusive). The estimate under clothing and bedding has been calculated at Rs. 2-5-0 in Presidency Jails, Rs. 2-9-0 in Central and District Jails and As. 10 in sub-jails, being the average of the last two years (1895 and 1896). The difference between the accounts and the estimates is due to the above calculation.

(*q*) The difference between the accounts and the estimates is due to less provision having been made to meet the cost of extra or special diet issued to prisoners not in hospital, owing to a change introduced in classification.

(*r*) The large increase in the revised estimate is due to the encampment of prisoners owing to cholera in Central Jails.

NOVEMBER.

Budget Estimates.

Passing orders on the — of charges of the Jail Department for 1898-99.

Checked
AS. 24/XI/97

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

From the Inspector-General of Prisons, dated 30th September 1897, No. 4962.

Order—No. 967, Financial, dated 20th November 1897.

The budget estimate of charges under 19-B. Law and Justice—Jails for 1898–99, as framed by the Inspector-General of Prisons, compares with the grant for the current year and with past actuals as shown below:—

—		19-Ba—Jails.	19-Bb—Jail Manufactures.	Total.
Actuals	1894–95	6·95	3·31	10·26
	1895–96	6·81	3·54	10·35
	1896–97	7·52	3·12	10·64
Budget, 1897–98		7·57	3·60	11·17
Revised, 1897–98		7·40	3·32	10·72
Budget, 1898–99		7·37	3·40	10·77

2. Excluding the provision on account of *Charges for police custody*, which is included in the estimate for the current year but which is budgeted for by the High Court, the charges under 19-Ba—Jails are placed at ·10 lakh higher than the grant for the current year.

3. Past actuals have not been shown against *Allowances* and *Contingencies* under *Superintendence* against *Sanitation Charges* and against *Miscellaneous Services and Supplies* as required by rule 38 of the rules circulated with G.O., No. 602, dated 20th August 1895.

4. The result of the correspondence referred to in note (*h*) regarding the sum of Rs. 2,212 in the accounts for 1896–97 under Medical establishment of Presidency Jails should be reported.

5. In note (*o*) explaining the differences in the number of sweepers attached to subsidiary jails, the decrease from six to five in the number of those menials drawing Rs. 5 has been overlooked.

6. The proposed provision for dietary charges in Central, District and Subsidiary Jails appears to be excessive and will be reduced by sums of ·10, ·03, and ·05 lakhs, respectively. The enhanced allotment for uniform and equipment of warders in Presidency and District Jails in the revised estimate for the current year is stated to be caused by the fact that two issues of uniform instead of one fell due in the year. This explanation cannot, however, apply to the similar apparently double provision in the budget for 1898–99 and the allotments will be reduced by Rs. 1,300 in all. The estimates on account of *Conservancy and Water-supply*, *Dead Stock* in Central and District Jails will be reduced from Rs. 500 and Rs. 200 to Rs. 300 and Rs. 100, respectively, and the allotment for *Petty Construction and Repairs* in District Jails by Rs. 400.

Put these in same type as in Summary on page 4 (as corrected) & proof

7. A sum of Rs. 14,000 will be added to the estimate under "~~Supplies and Services~~"—Central Jails, *Cost of Europe Stores*, to meet the cost of the new weaving machinery for the Coimbatore Jail sanctioned in G.O., No. 1627, Judicial, dated 22nd November 1897.

8. The estimate, as modified, is shown in the appendix to these proceedings.

EXPLANATORY REMARKS.

(*g*) Rupees 60, being the difference between the accounts and the estimates, represents arrears of pay due to the Jailor of the sub-jail at Trichinopoly for 1895-96 drawn in 1896-97.

(*h*) The difference between the accounts and the estimates is due to the payment of local allowance to hospital assistants, provision for which has not been made in the estimate for Medical establishment furnished to the Inspector-General of prisons by the Surgeon-General. The matter is under correspondence.

(*i*) Represents the allowance drawn by the District Medical Officer, South Arcot, up to the end of June, after which a conveyance allowance of Rs. 50 has been drawn instead—*vide* G.O., No. 808, Judicial, dated 9th June 1897.

(*j*) Increase in salary taken in extinction of the claim to allowance in accordance with Rule XIII of the rules recorded in G.O., No. 491, Financial, dated 24th June 1887.

(*k*) Six additional warders were sanctioned for the Cuddalore District Jail in G.O., No. 1111 R., Financial, dated 18th August 1897.

(*l*) The variation is due to the services of one sub-jail warder having been dispensed with on the closing of the Rambha sub-jail in the Ganjám district, and to the inclusion in the estimate of six sub-jail warders of the Coimbatore district who, for want of sanction to their entertainment, were omitted from the last estimate. Pay for these warders has been admitted by the Accountant-General under the authority of G.O., No. 2452, Judicial, dated 1st December 1891.

(*m*) The increase over the estimates is due to arrears of pay for 1895-96 being drawn in 1896-97.

(*n*) Provision for temporary warders is made with reference to Rules 220—222 of the Jail Code. A reduction has been made in the number budgeted for under central jails in accordance with the actuals of the last two years; the reduction in regard to district jails is made in view of the increase referred to in note (*k*) *supra*.

(*o*) The difference in the numbers is due to the following causes:—
(1) *Decrease* of two scavengers on Rs. 3 per mensem and one scavenger on Rs. 1½, and *increase* of one scavenger on one rupee in the sub-jails of the Salem district, in accordance with the revised list of sanctioned sub-jail establishment communicated under the District Magistrate's No. 1009 M., dated 11th September 1896.
(2) Scavenging fees paid to municipalities and unions on account of the sub-jails at Mayavaram (Tanjore district) and Vizianagram (Vizagapatam district), being budgeted for under sanitation charges—*vide* G.Os., Nos. 36, Judicial, dated 7th January 1896, and No. 393, dated 21st February 1895.
(3) Entertainment of one scavenger on Rs. 2-8-0 in the Gooty sub-jail (Anantapur district)—*vide* G.O., No. 354, Judicial, dated 11th March 1897.

Rs.	Rs.	Rs.	Rs.	
28,922	24,624	21,467	25,004	(*p*) The cost of rations has been taken at Rs. 31 in Presidency Jails, Rs. 29 in Central Jails, Rs. 26 in District Jails and Rs. 37 in Sub-jails, which is the average cost of the year 1893, *i.e.*, the year *following the famine* of 1892; while the number of prisoners to be rationed has been fixed on the actual average population of the first seven months of the current year, (*i.e.*, from January to July inclusive). The estimate under clothing and bedding has been calculated at Rs. 2-5-0 in Presidency Jails, Rs. 2-9-0 in Central and District Jails and As. 10 in sub-jails, being the average of the last two years (1895 and 1896). The difference between the accounts and the estimates is due to the above calculation.

I was irregular & have sent this draft to the J. D. The J.D. should have made its own exam^n of the Jail Budget before it was at all sent to the F.D. As it is, the J. D. does the work in the F.D. cannot come to any decision in the J.D., but must refer such cases in full to the J.D.

AS 3/11/97

The budget estimate of charges under 19 B. LAW AND JUSTICE-JAILS for 1898-99 as framed by the I. G of Prisons compares with the grant for the current year with the actuals ~~for the~~ ~~past year~~ as shown below:-

		19 B-a Jails	19 B-b Jail Manufactures	Total.
Actuals	1894-95	6·95	3·31	10·26
	1895-96	6·81	3·54	10·35
	1896-97	7·52	3·12	10·64
Budget....	1897-98	7·57	3·60	11·17
Revised..	1897-98	7·40	3·32	10·72
Budget....	1898-99	7·37	3·40	10·77

2. Excluding the provision on account of charges for police custody, which is included in the estimate for the current year but which is budgetted for by the High Court, the charges under 19B.a Jails are placed ~~estimated~~ at ·10 lakhs higher than the grant for the current year.

~~There are excesses under almost every sub head.~~ I have examined the figures in all. ~~but seem~~

3. Past actuals ~~[illegible]~~ have not been shown against allowances and contingencies under Superintendence, against under Sanitation charges, and against under Miscellaneous Services and Supplies ~~[illegible]~~ as required by rule 38 of the rules circulated with G.O.No. 602, dated 30th August 1895.

4. The result of the correspondence referred to in note (h) regarding against the sum of Rs. 2,212 shown in the accounts for 1896-97 under on account of the Medical establishment of Presidency Jails, should be reported.

5. In the note (o) explaining the differences decrease in the number of sweepers and tindals attached to the Subsidiary Jails, the decrease from 6 to 5 in the number of those entitled sweepers drawing Rs. 5 has been overlooked.

6. The proposed provision for dietary charges in excessive in the case of under Central, District and Subsidiary Jails, appears to be excessive and will be reduced by sums of ·10, ·03, and ·05 lakhs, respectively, in each case. It is noted that the enhanced allotment provision made for uniform and equipment of Warders in Presidency and District Jails in the revised estimate for of the current year is stated to be caused by the fact that due to two issues of the uniform having fallen due in the year instead of one. This explanation cannot, however, apply to the similar apparently double provision in the budget for 1898-99 and the allotments will accordingly be reduced by Rs 1300 in all. The estimates on account of Conservancy and watersupply Dead stock in Central and District Jails will be reduced from Rs. 500 and 200 to Rs. 300 and 100, respectively and the allotment for Petty construction and Repairs in District Jails will be reduced by Rs. 400.

7. A sum of Rs 14000 will be added to the estimate under "Supplies & Services, Central Jails, Cost of European Stores, to meet the cost of the new weaving machinery for Coimbatore Jail sanctioned in G.O No. 20 Judicial dated 3 November 1897

8. The estimate as modified is shown in the appendix to these proceedings.
