From the Acting Superintendent, Government Museum, dated Madras, 15th October 1897, No. 708.

Order—No. 626, Educational, dated 6th November 1897.

The estimates are accepted.

EXPLANATORY REMARKS.

(a) The decrease in the revised estimate as compared with the budget estimate for the current year is due to the absence of the permanent incumbent on furlough.

(b) The Herbarium-keeper, appointed 2nd March 1897, draws the minimum pay Rs. 50, while the late incumbent drew the maximum Rs. 60. Provision of Rs. 2 has been made in the budget estimate for 1898-99 for the payment of the first increment.

(c) The decrease in the revised estimate as compared with the budget estimate for the current year is due to the transfer of Rs. 188 to the "Cost of Europe stores" to meet a portion of the estimated cost of anthropometric apparatus (G.O., No. 538, Educational, dated 22nd September 1897), the purchase of which was sanctioned in G.O., No. 333, Educational, dated 14th June 1897.

(d) The whole amount has been transferred to "Cost of Europe stores" to meet the remaining cost of the anthropometric apparatus referred to in note (c).

(e) The number of living animals has been increased, the estimate for 1898-99 has therefore been enhanced.

(f) The increase of Rs. 688 over the budget estimate for the current year is explained in notes (c) and (d).

(g) Freight on goods shipped in India has hitherto been included under "Cost of Europe stores." It is now brought under "Landing and shipping charges" and the estimates have been arranged accordingly.

(h) The grounds having been newly laid out, an increased expenditure under this head will be necessary for their upkeep.

(i) The addition of the arsenal collection of arms will necessitate increased expenditure.

ORDER—No. 975, Financial, dated 23rd November 1897.
