Order—No. 976, Financial, dated 23rd November 1897.

The estimates are accepted.

2. With reference to his remark that the total expenditure for 1896-97, as shown in the present estimates, "does not include expenditure on other works carried out in 1896-97 which do not appear in the previous columns," the Government Agent will be informed that the transactions of the three years included in the budget statement should be fully exhibited; the actuals of previous years corresponding exactly with the figures given in the Accountant-General's final accounts, as required by rule 9 of the rules circulated with G.O., No. 602, Financial, dated 20th August 1895. In order to ensure compliance with these instructions, the certificate in the form prescribed by rule 10 of those rules is required to be appended to each budget. The certificate in the present case is not in order.
