PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Proceedings of the Public Works Department, No. 3333 W, dated 19th November 1897:—

Read the following:—

From the Financial Department, No. 980, dated 11th November 1897.

Order thereon- No. 3333 W, dated 19th November 1897.

Communicated to the Officers concerned.

2. The Examiner will as early as practicable furnish the information called for in para. 3 of the Proceedings.

3. With reference to para 4 of the order, it is observed that the excess expenditure in September is due to that incurred in previous months having been adjusted in the month, and there is no doubt that similar excess will have occurred in October and November. The Superintending Engineers, I and III Circles, will, however, make the necessary inquiries at once and report the causes of excess. They will also submit with the least possible delay statements showing the grant required to cover the entire & future outlay.
