Copy of letter from M. J. McIntosh Esq., on Special duty with the Govt. of India, to the Chief Secretary to the Govt. of Madras, No. 2 of 1897 dated Allahabad, the 15th Decr 1897.

I have the honour to forward two statements, I and showing the form in which statistical information regarding Famine Relief Operations in Madras will be required by the Famine Commission, and to request that, with the permission of the Governor in Council, the statements may be filled up and returned to me at an early date. Statement I should be compiled separately for each month of the famine operations; while statement II is a consolidated statement covering the whole period of the operations. The statements are intended to refer exclusively to operations carried on at the expense of the State, and should take no account of persons relieved by the Indian Famine Charitable Relief Fund.

2. In addition to the above, I request that I may be furnished with a general statement, in such form as the Govt. of Madras may consider suitable, showing the total expenditure incurred by the Govt. on famine relief from the beginning to the end of the operations. Details are required under the heads indicated below, and the statement may, so far as possible, follow these headings.

A. - Expenditure incurred by the Civil Department.

- (1) Direct expenditure on relief --
 - (a) relief works in charge of Civil officers;
 - (b) gratuitous relief in poorhouses and similar institutions;
 - (c) gratuitous relief at the homes of people;
 - (d) special relief to weavers and artisans;
 - (e) gratuitous relief given in other ways;
