Note by the Examiner of Guaranteed Railway Accounts, Madras, on the Six months Revenue estimate of the Mayavaram - Mutupet Railway for the year 1898-99.

---

1. Receipts. The estimate of receipts has been reduced from R.2,60.000 to R.2,50,000 owing to a slight decline in traffic.

2. Expenditure. The increase of R.12,000 over the Budget estimate is due to the adjustment during the year of arrear charges of interest on the Joint station buildings at Tiruvallur and Mayavaram.

1899-1900.

3. The estimate of receipts has, allowing for normal development of traffic, been placed at R.12,000 in excess of the Six months estimate, while the expenditure has been estimated at R.9,000 less than the figure for the current year, owing to the special debit referred to in para 2.
