Communicating to al Collectors Government Order passing orders on Board's Proceedings submitting to Government revised proposals for the revision of Tahsildars' and Deputy Tahsildars' establishments in the Presr lency; and submitting to Government proposition statement for the revision of the establishm nts and requesting the Collector of Malabar to give effect to the transfer of the shroff on Rar 10 from the Chirakkal to the Kurumbranát taluk.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

A READ—the following Government Order, No. 108, Revenue, dated 23rd February 1898 :—

B *Read*—Proceedings of the Board of Revenue (Land Revenue), No. 224, dated 7th July 1897.

ABSTRACT.—Submitting to Government revised proposals for the revision of Taluk and Deputy Tahsildars' establishments in the Presidency.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 3023, dated 13th August 1897 :—

Read—the following letter from J. H. A. TREMENHEERE, Esq., Collector of the Nilgiris, to the Secretary to the Commissioners of Land Revenue, dated 5th August 1897, R.G.B. No. 728 :—

C With reference to paragraph 13 of the Proceedings of the Board of Revenue No. 224, dated 7th July 1897, recommending the entertainment of an attender on Rs. 7 in each of the taluk offices in this district, I have the honour to observe that the pay proposed to be given to these attenders is below the amount which the last person there gets, viz., Rs. 8, and that it is too low, and the cost of living too high to induce men of some educational qualifications to take up these posts. It is in view of these difficulties the pay of the last attender in the Collector's office has been fixed at Rs. 10. Even for this pay it is found difficult to find men of the same type as could be found for Rs. 7 on the plains.

For the same reasons I proposed the appointment of clerks on Rs. 15, but the proposal did not meet with the Board's approval. I would, therefore, strongly recommend that the pay of the attenders may be fixed at Rs. 10 for the Coonoor and Ootacamund Deputy Tahsildars' offices and Rs. 10 + 5 for Gúdalúr, and request that the Board will be pleased to support, at least, this proposal.

Resolution—Mis. No. 3023, dated 13th August 1897.

B Submitted to Government, in continuation of Board's Proceedings, No. 224, dated 7th July 1897.

2. In the circumstances reported, the Board supports the Collector's recommendation. In view, however, of the fact that the attender in the Deputy Tahsildar's office, Gúdalúr, is to get the Wynaad allowance, his pay may be fixed at Rs. 8. The present proposals will raise the total additional expenditure involved in the revision of taluk establishments from Rs. 1,03,644 to Rs. 1,03,734.*

Read—the following letter from G. W. DANCE, Esq., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Camp, Manjeri, 2nd September 1897, No. 2131-Pub. :—

D With reference to paragraph 8 of Board's Proceedings, No. 224, dated 7th July 1897, I have the honour to state that there is no objection to the proposed reduction in the pay of the shroff in Chirakkal taluk from Rs. 20 to Rs. 15, provided that it does not affect the present incumbent, who may be given a personal allowance of Rs. 5 per mensem.

2. As regards the shroff in Wynaad, however, the Deputy Collector reports as follows :—

"I have found it rather difficult to obtain the services of competent hands as clerks on a salary of Rs. 15, with the usual Wynaad allowance, and as shroffs require a certain amount of technical knowledge for the efficient performance of their duties, I am afraid any reduction in the pay will render the office less attractive."

In consideration of the peculiar circumstances of Wynaad, I think the shroff's pay there may be left unaltered.

Resolution—... No. ... dated 10th September 1897.

Submitted to Government, in continuation of Board's Proceedings, No. 224, dated 7th July 1897. B

2. A statement showing the average monthly transactions in the sub-treasury at Punganúru is enclosed. It will be seen therefrom that there has been a general increase in the transactions of the treasury since its re-establishment. The heavy sum under "Charges" in the year 1892–93 is due to the expenditure incurred on account of famine in that year. A copy of the Deputy Tahsildar's arzi No. 491, dated 22nd September last, giving reasons for the entertainment of a shroff, is also submitted.

ENCLOSURES.

From the Deputy Tahsildar, Punganúru, to the Deputy Collector in charge of Treasury, North Arcot, dated 22nd September 1897, Dis. No. 491.

Adverting to your memorandum, Ref. on Cur. No. 106-Board, dated 26th ultimo, I beg to forward, herewith, a statement of the average transactions prepared in the form received with the memorandum under reply.

2. The falling off under charges, after the re-establishment of the sub-treasury, as compared with the transactions before its re-establishment, particularly with 1892–93, is due to the greater amount of expenditure incurred in the year (1892–93) on account of payments made for road, &c., works, land improvement loans and kitchens, &c., started during the famine then prevailing. There having been no such expenditure in the subsequent years, the expenditure has fallen off a little.

3. The average expenditure before the re-establishment may be taken as 3,500, leaving out of consideration the expenditure incurred in the famine year 1892–93. It will be observed that there is a steady increase in the expenditure in the years 1895–96, 1896–97 and 1897–98. Moreover, after the re-establishment of the treasury, the zemindar of Punganúru remits the peishkash due by him here. As the clerk who looks after this work has to keep a good many accounts and registers connected with the treasury, which of late considerably increased, I beg to state that a shroff is necessary for this division.

4. As the Deputy Tahsildar is frequently away on circuit, the local sub-registrar is in charge of the sub-treasury on such occasions. But as neither the sub-registrar nor the head gumastah has paid any security, the appointment of a shroff is very necessary, so that the responsibility for all short receipts or over-payments may be fixed on him. Very frequently, even now, uncurrent, short weight and other objectionable coins are received into the treasury and remitted to the Huzur with the remittances owing to the want of skill on the part of the head gumastah in detecting them. But when the mistakes are found out in Huzur treasury, the Deputy Tahsildar is called on to make good for the loss.

5. For the above reasons the appointment of a shroff is esse[n]

Resolution—Mis. No. 4358, dated 16th November 1897.

Submitted to Government in continuation of Board's Proceedings, No. 224, dated 7th July 1897.

2. Although the number of magisterial cases disposed of in the office of the Deputy Tahsildar of Venkatagirikota is too small to require the services of an additional clerk, the Board would retain the provision already made in view of the unhealthiness of the station.

Order—No. 108, Revenue, dated 23rd February 1898.

Miscellaneous.

nt ma
The ear 18 vernment in its order, No. 624, da ears 18h November 1896, sanctioned a e zemin for the strengthening of this w additional expenditure of Rs. 92,610 *per annum* and requested the Board of R h of late to submit the necessary proposition statement for transmission to the Govern of India.

In the papers read above, the Board of Revenue as neirts that some of the Coll tors consider the reduction in the number of clerks a shrons in certain Taluk offi which was proposed by it and accepted by Governme be the order above referred to be impracticable and that some have taken the opp nity to ap the ent tainment of additional hands in Tahsildars' and Deput Tahsildars' ill on pl for h Board did not propose to strengthen in the first instanc The Boa rd also reconsideration of paragraph 2 of the order which fixes the scale of pay to to clerks in the several grades of Taluk offices and strongly advoca tes the acceptance of the scale suggested by itself in the Proceedings read in that or der.

2. In view of the existing financial pressure and of the fac t that the cost of the scheme, as a whole, has already considerably exceeded the amoun t originally estimated, the Government regrets it is unable to sanction the Board's p roposals on the latter point. The scale of pay already adopted by Government will ac cordingly be adhered to.

3. As regards the first point, the several proposals ma e by Collectors and the Board's recommendations thereon which have been dealt w th under the two main heads "Tahsildars' establishments" and "Deputy Tahsildar s' establishments" will be considered below.

4. *Tahsildars' establishments*—(*a*) *Clerks.*—The Board's recommendations under this head which are indicated in appendix I to its Proceedings, No. 224, dated 7th July 1897, involve as compared with the number previously sanctioned by Government the reduction of one hand in each of the three Taluk offices of Tadpatri, Rámallakót and Kasaragód, and the addition of one hand to each of the marginally-noted 28 Taluk offices. These proposals are well considered and have the approval of Government. The additional expenditure under this head will, therefore, be Rs. 61,746, instead of Rs. 56,526 as previously estimated.

(*b*) *Shroffs.*—The proposals under this head are—

(1) to abolish the second shroff on Rs. 10 in the Jammalamadugu taluk;

(2) to retain the additional shroff on Rs. 15 sanctioned for the Bellary taluk in G.O., No. 130, dated 28th February 1889, and Board's Proceedings, No. 323, dated 15th May 1889;

(3) to leave the pay of the shroff at Wynaad unaltered; and

(4) to reduce the pay of the shroff on Rs. 20 in the Chirakkal taluk to Rs. 15 subject to the grant of a personal allowance of Rs. 5 per mensem to the present incumbent.

These proposals, which, for the present, involve an additional expenditure of Rs. 5 *per mensem* or Rs. 60 *per annum*, are approved.

The Government also approves of the proposal to transfer one of the shroffs at Chirakkal to Kurumbranát; but it is presumed that in that case it will be unnecessary to entertain any temporary shroff at the latter station during the kist months, as at present.

(*c*) *Dufterbunds or Attenders.*—The Government agrees with the Board of Revenue in considering that no increase is called for in the pay of this class of servants. It appears that in Kistna servants of this class are often entrusted with the duties of a clerk. This is a mistake and the practice, wherever it exists, should be discontinued.

(*d*) *Peons.*—After a careful consideration of the Collectors' proposals, the Board of Revenue fixes the number to be retained at 3,207 instead of 3,173 or 34 more than the number a eady allowed by Government. The increase proposed is approved, the total additional expenditure involved being Rs. 14,988 *per annum* instead of Rs. 12,540 allowed in paragraph 2 (v) of G.O., No. 624, dated 14th November 1896.

The above proposals are approved, with the modification that in the first case the increase allowed should take the form of a local allowance, instead of an addition to pay. The effect of these proposals will be to raise the total additional expenditure to Rs. 9,240 *per annum*.

(*b*) *Shroffs.*—No expenditure under this head was previously anticipated, but under the circumstances now stated by the Board, the Government is pleased to allow a shroff on Rs. 10 for each of the thirteen Deputy Tahsildars' offices named on the margin. The appointment of a shroff for the Párvatipuram Deputy Tahsildar's office need not be deferred as suggested. The increase of pay from Rs. 12 to 15 proposed for the shroff in the Coonoor Deputy Tahsildar's office is also approved. There will, therefore, be an additional expenditure under this head of Rs. 1,596 *per annum*.

(*c*) *Dufterbunds or Attenders.*—One attender on Rs. 7 will be allowed for each of the Deputy Tahsildars' offices at the Shevaroys, Ootacamund, Coonoor and Gúdalúr. The attender at the last-mentioned station will be entitled to the usual Wynaad allowance of 50 per cent. of the pay, while in the other three cases a local allowance of Rs. 3 each is sanctioned. The Government is unable to sanction the increase proposed for the attender in the Bissemkatak Deputy Tahsildar's office. On the other hand, the pay of this appointment also should, on the present incumbent's vacating it, be reduced to Rs. 7, the difference of Rs. 3 being treated as a local allowance. The annual additional expenditure under this head will thus amount to Rs. 486.

(*d*) *Peons.*—The appointment of one additional peon for each of the Deputy Tahsildars' offices at Cocanada and Vissannapet and of two peons for each of the similar offices at Ootacamund and Coonoor is sanctioned. In all these cases the pay proper will be fixed at Rs. 6 each, a local allowance of Rs. 2 being granted in the case of those now sanctioned for the last two offices. This principle should be extended also to the existing peons' appointments in these two offices subject, however, to the condition that the present incumbents do not suffer. The annual additional expenditure under this head will, as explained in paragraph 14 of Board's Proceedings, No. 224, dated 7th July 1897, be Rs. 2,340.

6. The total additional expenditure, which the proposals for strengthening the taluk establishments as now revised involve, will, therefore, be Rs. 1,03,896 *per annum* as shown below :—
