GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following paper :—

G.O., No. 1268, Judicial, dated 13th August 1898.

Read—the following papers :—

From H. D. TAYLOR, Esq., Acting Agent to the Governor in Ganjam, to the Chief Secretary to Government, dated Chatrapur, 10th April 1898, R.G.B. No. 14—A.G.

With reference to the proceedings of the Madras Government, No. 158, Judicial, dated 2nd March, I have the honour to request that the marginally-noted elephants referred to in the list therewith forwarded may be purchased for the Agency department of the district.

2. Ramee Bhavane.
3. Radha Pyari.
6. Bhimprasad.

2. The total sanctioned strength of the elephants in the Agency department of this district is seven, distributed as follows :—

(1) Agent	3
(2) Special Assistant Agent	2
(3) Senior Assistant Agent	1
(4) Principal Assistant Agent	1
Total ..	7

The actual strength at present is five, as I have only two and the Senior Assistant Agent none.

3. In my letter, Disposal No. 174-Ag. of 1897, dated 21st April 1897, I proposed to readjust the establishment by granting three elephants to the Special Assistant Agent and taking away that of the Senior Assistant, the latter being provided with one elephant from the Special Assistant Agent's establishment when proceeding on hill tour.

As the Senior Assistant Agent's maliahs have since been still further curtailed by the transfer of the Surangi Maliahs to the Special Assistant Agent, the arguments in favour of a transfer are strengthened.

4. I would then propose to keep the establishment at its present strength, but redistributed as follows :—

Agent	3
Special Assistant Agent	3
Principal Assistant Agent	1
Total ..	7

* One to be lent to Senior Assistant Agent when required.

The present establishment is as follows :—

(a) Agent	2
(b) Special Assistant Agent	2
(c) Senior Assistant Agent	0
(d) Principal Assistant Agent	1

5. Of my elephants one (Moti Gaj) is useless. He is much too large and heavy for hill work and is constantly "Must". He has been already advertised for sale and some offers have been received.

My second elephant (Kallani) is old and painfully slow, but as she still has some work in her she may be retained for the present.

6. Of the Special Assistant Agent's elephants one is in fair order, but the other, (Gouri) is not strong and can only carry a very light load. The elephant attached to the Principal Assistant Agent's establishment is a good one.

7. I therefore request that Government will be pleased to accord sanction for the purchase of the three elephants referred to in paragraph 1 of this letter to replace the two elephants which are now short of the full strength of the establishment and Moti Gaj which is notified for sale.

Immediately on receipt of Government Order I will try and obtain offers for the animal; but useless as he is for work, I cannot part with him until another is supplied in his place.

8. I experienced the greatest difficulty during last hill tour for want of elephants. I had only one (Kallani) who could barely carry a single Swiss cottage tent at a mile and a half an hour. As I was marching rapidly with a view to meet His Excellency the Governor in the plains, I felt the want of a proper establishment of elephants very acutely.

From E. B. ELWIN, Esq., Acting Agent to the Governor in Ganjam, to the Chief Secretary to Government, dated Chatrapur, 28th May 1898, Ref. on G.B. No. 14—Mag.

With reference to your memorandum No. 1099, dated 11th instant, I have the honour to inform you that no provision has been made in the current year's budget to meet the cost of the three elephants proposed to be purchased for this Agency, nor can I effect savings under other items to meet this extra charge as it will be a large amount.

2. I therefore request you will be good enough to specially sanction the charge the amount of which is not yet known to me.
