No. L.F.I.A.—307 of 1898.

Fort St. George,
Accountant-General's Office,
20*th October* 1898.

(Signed) T. HESKETH BIGGS,
Accountant-General.

To the Chief Secretary to Government, Financial Department.

Order—No. 1007, Financial, dated 4th November 1898.

Appendices A, C and D of these proceedings, which summarize the foregoing statements submitted by the Accountant-General, show the actual expenditure incurred in connection with the bubonic plague in the Madras Presidency up to the 30th September 1898, under *Provincial* (Direct charges), *Local and Municipal*. Appendices B and E exhibit the indirect Provincial charges and charges under Port and Marine Funds up to the 31st August 1898, and Appendix F shows the proportion of the local expenditure to be borne by the several District Boards rateably to their annual receipts.

2. Provincial —*Direct*— (1) The expenditure shown against Cuddapah (Rs. 3,222-13-3) apparently represents the pay and allowance of Dr. J. W. G. Myler, who has been acting as District Medical and Sanitary Officer. The debit of this charge to the head 24-D. Grants for Medical purposes is incorrect and it should be transferred to 24-A. Medical Establishment—District Medical and Sanitary Officers.

(2) The actual expenditure incurred in Kurnool for the period mentioned above amounted to Rs. 1,920 under the head, this amount being the pay and allowance of the Additional Medical Officer appointed under Regulation 21 of the Plague Regulations. The estimates accepted in G.O., No. 883, Financial, dated 13th October 1898, make no provision for the expenditure which for the present and pending orders on the monthly estimates of November will be met from the total grant sanctioned under 24-D. Grants for Medical purposes.

(3) The small amount (Rs. 298) shown as charges in Malabar will be similarly met.

(True Extract.)

Chief Secretary.

3. These monthly Statements when in print were required by from the Acct Genl by the 5th of each month to reach the Financial' However. These were received on the 7th & 11th

3. The Statement of Expenditure for municipalities is due on the 15th of each month that for Prov. & Indirect charges on the 20th of each month — These when received can be posted similarly & also on previous lines issued. the appendices being printed in order, Prov. Local & Insurance Registering the annual Estimates for Districts as revised here, with the Statements of actual — Expenditure for the half-yea

ending 30th September 98, the
following matters call for notice:

Prov. Direct charges: —

	Prov. with District Estimate as settled	Expenditure for half year ending 30th Sept 98
Cuddapah	1000	3222-13-3
Kurnool	"	1920-10-0

In Cuddapah the charges apparently relate to the pay & allowances of Dr H.W.G. Ryder who has been acting as Dy Med & Sany Offr & it has been distinctly noted in the printed review now under approval that the debit of this charge to Direct charges was incorrect as the amount was an extra plague charge & that it should therefore be transferred to 24-A. Medl Establishments as an ordinary medical charge.

In Kurnool the Surgeon-Genl's Statement shows that an Offr under the designation of "Additional Medical Offr" on a salary of Rs 500 a month: — The charges incurred on a/c of this class of Offrs is debitable to 24 A. Medical Establishments (Indirect charges) (G)

Not necessarily — Special Medical Officers appd to relieve medical officers in civil Stations are debitable to 24-A. Cmdl (H)

The charge can stand in the present. Cmdl (G)

CS.

Submitted that this can await the issue of the "Estimates" S.P.

issued by the A.G. following the lines adopted in the Civil budget estimates and under proper service heads.

The charges on account of pay & allowances of Additional medical officers are however debitable to — now direct charges in accordance with the revised classification laid down in G.O. no 698 Mil dy the 15th August 98. In the case of Kurnool there exists a prov. of 6950 under 24 Medical Establishments & of this the sum of Rs 6000 can be transferred to 24 D - Grants for Medical Purposes:

5. The review of half yearly Expenditure with revised Local Estimates does not call for any remark: The conclusion may fairly be drawn that the Local Estimates framed under present comdt are neither unduly high nor unduly low

NOTE FOR THE C. A.

Reference is solicited to the note put up below. G. O. No. 883 Finl. dated 13th October 1898 passing orders on the estimates of Plague Expenditure during the current year 1898-99 has been issued. The statements of indirect charges under Provincial and of charges incurred in the Municipalities have also been received — the former relating to July and August 1898 & the latter to September 1898. The following statement shows the dates on which the statements were due & the dates on which they were received.

Provincial	For what period	when due	when received
i Direct charges	Septr	8th Octr	7th Octr
ii Indirect charges	July & August	20th septr	18th Octr
iii Local	Septr	5th Octr	7th Octr
iv Municipal	Septr	15th	17th Octr/98

The charges relating to i, iii & iv have been posted against the entries in the corresponding statements showing expenditure up to 31st August 98 printed in G. O. No. 812 Finl dated 20th September 98 and the total expenditure upto the 25th September 98 has been computed. vide pages 3—6 of the G. O.

with regard to No 11, a separate sheet showing the total charges for July & August/98 for each district has been prepared and added.

Orders are requested as to whether a/c communicating these charges in the following order — Provincial, Local & Municipal — may now be issued.

With regard to indirect charges under 'Provincial', the statement for June quarter has been communicated to the Finl Deptt and is now under disposal. Before adding the charges for July & August/98 it is submitted that in these statements also the Accountant General has shown 'Rents Medical officers' 'Medical College Professors' under Plague Expenditure. The information called for in respect to these charges for June quarter may be awaited. It is doubtful whether the expenditure under each head should be communicated or whether the total charges under 'Provincial — Indirect' may not suffice. Orders on this point are also solicited.

As pointed out in the note below the expenditure under 'Provincial' — Direct

Cmd

We must keep the expenditure under each service head & sub-head

has exceeded the grant in the Cuddapah and Kurnool districts.

—

PA

I understand from the above note you must have particulars of direct charges & Port & of all local & Munl charges & 30. Sept; & of Indirect charges Port & 31st August. Let the orders of these Statements & be issued up at the same time as the A/c Statement & 30 June (in case the file) is dealt with. A statement should be prepared under each head here (Port, Local & Municipal) in the direct charges showing the total in each sub-head & part of the estimates proposed in G.O. No. 883 Rev. dy 13.10.96. In Indirect Port Charges the statement must go by service heads.

NOTE FOR THE C. A

Statements showing direct charges — Provincial and charges under Local and Municipal for the half year ending 30th September 1898 have been compiled up and put up below. As regards indirect charges under Provincial, a statement up to 31st august 98 prepared according to Service heads is put up. The estimates proposed in G.O. No. 883 Financial dated 18th October 1898 are also given side by side in each case

Provincial. Direct.

Cuddapah: Rs 3222-13-3 has been shown by the A.G. as charges up to 30th Sept 98. This should be transferred to indirect charges as the amount is not an extra plague charge.

What does the charge relate to? Cmd

Kurnool: No provision has been made in the estimates but the actual expenditure for the half year amounted to Rs 1920-10-0. Rs 18740 has been provided under indirect charges and it is submitted that Rs 6000 from the provision of Rs 6950 made under 24 A Medical charges — indirect may be transferred to direct charges.

Point this out Cmd

Considering the actual expenditure

On what is this? Cmd

We must run for the provision Leave 24 A. Medical also. Cmd

for the half year the estimates already proposed appears to be low for the Kistna district. The estimates for the N. Arcot Madura, Nilgiris & Salem are rather high. As only Rs 290-4-5 has been spent in Malabar and some provision will have to be made in the Budget.

This can be seen to on the monthly Schedule

Provincial - Judicial

3. Land Rev. In Kistna, Rs 23-4-11 has been shown as actual expenditure. No provision has been made in the estimates.

15. Post-Office. A sum of Rs 118-2-10 has been incurred as charges in Bellary. No provision has been made in the estimate

19A. Law & Justice Courts of law. Rs 130-4- has been shown as actual charges. There is no provision in the estimates. The amount provided for Bellary appears to be low when the actual expenditure for the first four months is taken into account

Make an allotment. What does this charge relate to?

Cmd

19B. Law & Justice - Jails. No amount has been provided for Godavari - Rs 75-11-9 was the actual expenditure.

20 A & C Police. Rs 217-6-4 and 240 respectively have been incurred under this head in Kistna & Vizagapatam. There is no provision in the estimates for these districts for other districts the estimates are rather high.

Under 24 A. Medical, the South Arcot, Cuddapah, Godavari & Madras Dts show Rs 1500, 2216-4-, 2124-14- and 4519-1-2 respectively. Provision must be made for these districts in the next estimates. The estimates already proposed in some of the other districts are high.

Local. Estimates in Bellary & Coimbatore appear to be low. On the other hand the estimates in N. Arcot, S. Arcot, Chingleput, Cuddapah, Ganjam, Godavari Madura, Malabar, Salem, Tanjore and Vizagapatam appear to be high.

Municipal In Coimbatore & Kistna, the estimates have to be increased while in Anantapur, S. Arcot, Bellary Ganjam, Madura, Nellore, Nilgiris Salem the estimates may with advantage be curtailed.

Port and Marine Dept. A sum of Rs 367-6-10 is shown as expenditure in Malabar but no amount on this account is provided in the estimate.

The Agt. has not yet replied to our telephone message asking him to state why the pay of the Reserve Medical Subordinate, Salary & travelling allowance of Dy Sanitary Comm

and the pay of Medical College Professors are shown as plague expenditure.

NOTE FOR THE C. A

With reference to the Chief Secretary's query in the draft below it is submitted that provision will be made for allotments (where necessary) under Provincial — Indirect, Local + Municipal when the November estimates are received. In Cuddapah a sum of R. 2216-4-— has already been expended. This, together with Rs 3222-13-3 transferred from Provincial — Direct charges, amounts to Rs 5439-1-3. This amount may be met from large Savings under Direct Indirect charges pending orders on the Estimates for November 1898.

H 4.11.98 CS

Mention of the indirect charges was avoided as these go against the ordinary budget heads + can be settled, as stated above, on the November estimates

No. L.F.I.A.—307 of 1898.

Fort St. George,
Accountant-General's Office,
20th October 1898.

(Signed) T. HESKETH BIGGS,
Accountant-General.

To the Chief Secretary to Government, Financial Department.

Order—No. 1007, Financial, dated 4th November 1898.

Appendices A, C and D of these proceedings, which summarize the foregoing statements submitted by the Accountant-General, show the actual expenditure incurred in connection with the bubonic plague in the Madras Presidency up to the 30th September 1898 under *Provincial* (Direct charges), *Local and Municipal*. Appendices B and E exhibit the indirect Provincial charges and charges under Port and Marine Funds up to the 31st August 1898, and Appendix F shows the proportion of the local expenditure to be borne by the several District Boards rateably to their annual receipts.

2. Provincial—*Direct*— (1) The expenditure shown against Cuddapah (Rs. 3,222-13-3) apparently represents the pay and allowance of Dr. J. W. G. Myler, who has been acting as District Medical and Sanitary Officer. The debit of this charge to the head 24-D. Grants for Medical purposes is incorrect and it should be transferred to 24-A. Medical Establishment—District Medical and Sanitary Officers.

(2) The actual expenditure incurred in Kurnool for the period mentioned above amounted to Rs. 1,920 under the head, this amount being the pay and allowance of the Additional Medical Officer appointed under Regulation 21 of the Plague Regulations. The estimates accepted in G.O., No. 883, Financial, dated 13th October 1898, make no provision which for the present and pending orders on the monthly estimates of November will be met from the total grant sanctioned under 24-D. Grants for Medical purposes.

(3) The small amount (Rs. 298) shown as charges in Malabar will be similarly met.

(True Extract.)

for *Chief Secretary.*

ORDER No 1007 of 4-11-98

P.S.

C.S.

Appendices A ~~and~~ C ~~to E~~ and D of these proceedings which summarize the foregoing statements submitted by the Acctt. Genl. show the actual expenditure incurred in connection with the bubonic plague in the Madras Presidency up to the 30th September 1898 under Provincial (Direct Charges), ~~Local and Municipal and Port and Marine Funds~~ Local and Municipal. Appendices B and E exhibits the indirect Provincial charges and charges under Port and Marine Funds up to the 31st August 1898 and appendix F shows the proportion of the local expenditure to be borne by the several district Boards rateably to their annual receipts.

2. PROVINCIAL - Direct (1) The expenditure shown against Cuddapah (1.3822-13-3) apparently represents the pay and allowance of Dr. J.W.G. Myler who has been acting as Dist. Medl. and Sany. Officer. The debit of this

this charge to the head 24 D.GRANTS FOR MEDICAL PURPOSES is incorrect and it should be transferred to 24 A.MEDICAL ESTABLISHMENTS - District Medical and Sanitary Officers.

(2) The actual expenditure incurred in Kurnool for the period mentioned above amounted to R.1920 under the head, this amount being the pay and allowance of the Additional Medical Officer appointed under Regulation 21 of the Plague Regulations. The estimates accepted in G.O.No. 883, Finl., dated 13th Oct. 1898 make no provision for the expenditure which for the present and pending orders on the monthly estimates of Novr. will be met from the total grant sanctioned under 24 D.GRANTS FOR MEDICAL PURPOSES.

(3) The small amount (Rs.298) shown as charges in Malabar will be similarly met.

How is it that there is no provision for direct charges in Cuddapah. Why is this not provided.
