287						
287	Scales and Dies	93	91	93	95	*(a) Scales and Dies (Revised and Budget Estimates).*—The Collector of Madras reports that an expenditure of Rs. 30 was incurred in September last on account of the repair of scales and dies, and provides for a total expenditure of Rs. 40 during the current and ensuing year on this account.
...	Repair of Scales and Dies	...	...	...	...	
...	Verification of standard weights and measures	34	26	30	47	*(b) Pay of Clerks, Accountants, Smiths, Servants, and Bellowsmen.*—The decrease in the number of hands, and in the amount provided on account of Mofussil Establishment is due to altered scale of Establishment reported by the Collectors of Ganjám, Cuddapah and North Arcot.
7	Petty supplies	6	5	8	6	
294						
		133	122	131	148	*(c) Lump sums provided by the Collectors of Vizagapatam and Salem (Revised and Budget Estimates).*—The Collectors of Vizagapatam and Salem provide lump sums of Rs.450 and Rs.620, respectively, in the Revised Estimates and of Rs. 450 and Rs. 600, respectively, in the Budget Estimates for the ensuing year. These Collectors express difficulty in adopting a fixed scale of Establishments, and only lump sums were provided for their districts in the budgets of previous years.
4,892						Considering the Actuals of the past year (406 for Vizagapatam and 646 for Salem), the Board considers that the provision made by these Collectors may be allowed to stand.
4,892						Even with this increased provision, the total Revised Estimate (Rs. 16,302) and Budget Estimate (Rs. 16,172) on account of the pay of Mofussil Establishments are less than the sanctioned grant for the current year (Rs. 16,508).
3	Travelling Allowance	...	...	...	...	*(d) Famine Batta (Revised Estimate).*—The figure represents expenditure incurred in the first four months of 1898-99 under this head in the Kistna district.

(a) Scales and Dies (Revised and Budget Estimates).—The Collector of Madras reports that an expenditure of Rs. 30 was incurred in September last on account of the repair of scales and dies, and provides for a total expenditure of Rs. 40 during the current and ensuing year on this account.

(b) Pay of Clerks, Accountants, Smiths, Servants, and Bellowsmen.—The decrease in the number of hands, and in the amount provided on account of Mofussil Establishment is due to altered scale of Establishment reported by the Collectors of Ganjám, Cuddapah and North Arcot.

(c) Lump sums provided by the Collectors of Vizagapatam and Salem (Revised and Budget Estimates).—The Collectors of Vizagapatam and Salem provide lump sums of Rs.450 and Rs.620, respectively, in the Revised Estimates and of Rs. 450 and Rs. 600, respectively, in the Budget Estimates for the ensuing year. These Collectors express difficulty in adopting a fixed scale of Establishments, and only lump sums were provided for their districts in the budgets of previous years.

Considering the Actuals of the past year (406 for Vizagapatam and 646 for Salem), the Board considers that the provision made by these Collectors may be allowed to stand.

Even with this increased provision, the total Revised Estimate (Rs. 16,302) and Budget Estimate (Rs. 16,172) on account of the pay of Mofussil Establishments are less than the sanctioned grant for the current year (Rs. 16,508).

(d) Famine Batta (Revised Estimate).—The figure represents expenditure incurred in the first four months of 1898-99 under this head in the Kistna district.

(e) Wages paid to Blacksmiths for Stamping, &c.—Increase due to provision made by the Collectors of the Nilgiris and South Arcot.

(f) House-rent.—Increase due to provision made by the Collector of Tinnevelly, the sanctioned grant representing the amount provided for Kistna only.
