ABSTRACT.—Reviewing the opinions of certain Native gentlemen regarding the Madras Plague Regulations.

ORDER—No. 1245 P., dated 5th October 1898.

In paragraph 10 of G.O., No. 1196 P., dated 28th September 1898, it was stated that the Government was prepared to contribute towards the cost of the erection of private plague hospitals and to leave their internal management to such native medical practitioners as enjoy the confidence of the people. His Excellency the Governor in Council is now pleased to issue the following orders with regard to the amount of the contribution :—

(a) For construction, half the cost will be paid by Government provided the charges are considered reasonable. In any case of doubt or dispute the Government will have the right to estimate by means of the Public Works Department the value of the work done. The buildings shall be erected on sites approved by the Sanitary authorities.

(b) For maintenance, grants not exceeding half the actual expenses may be sanctioned by the Plague Commissioner on the following conditions :—

- (1) The arrangements for the sanitation and supply of food must meet with the approval of the local medical officers and the Collector or the President, Municipal Commission, Madras, as the case may be.
- (2) The amounts will be paid, month by month, in arrears to the manager or managers approved by the Collector or the President.

2. These grants will be met from Provincial funds.
