Budget Estimate.

Passing orders on the — of charges under 20-A. Police—Presidency Police for 1899-1900.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper :—

From the Commissioner of Police, Madras, dated 8th October 1898, No. 113.

Order—No. 1022, Financial, dated 8th November 1898.

Under Superintendence the provisions for Exchange Compensation Allowance in the revised estimate for the current year and in the budget estimate for the ensuing year have been incorrectly calculated. The necessary alterations will be made. Some of the items under *Supplies and Services* and *Contingencies* have been over-estimated when compared with the actuals of past years and will be reduced. With these modifications the estimate under this head will stand at Rs. 50,000.

2. Under Mounted Police the Commissioner has raised the grant for "Cost of feeding" by Rs. 3,100 in the revised estimate in accordance with the application in his letter No. 99, dated 7th September 1898. With reference to the orders passed on that application the grant for the current year will be repeated in the revised estimate. The Commissioner proposes to increase the provision for the ensuing year to Rs. 17,000. The estimate should have been fixed as for a normal year, and a grant of Rs. 15,000 should suffice.

G.O., No. 1025, Financial, dated 8th Nov. 1898.

3. The estimates are passed as shown in the appendix to these proceedings.

Note for Orders

The Commissioner of Police submits the budget estimate of charges under 20 A - Presidency Police for 1899-1900. He estimates the charges under Superintendence at Rs.50,200 against Rs.50,100 and Rs.50,000, the budget and the Revised estimate respectively for the current year. The provision for exchange compensation allowance in the Revised estimate for the current year and the budget estimate for the ensuing year has been calculated incorrectly and has now been altered. Some of the items under Supplies and Services and contingencies appear susceptible of reduction as shown in pencil with reference to past actuals. With these alterations the estimate may be fixed in round numbers at Rs.50,000.

2. The charges under Town and Suburban Police are fixed at Rs.1,84,100 against Rs.1,82,400 the grant and Rs. 1,86,000 the revised estimate for the current year. The increase is due to the inclusion of Rs.1,200 on account of the personal allowance sanctioned to the Superintendent and an addition of Rs.3000 under Travelling allowance due to Railway credit notes which were hitherto charged to the Inspector-General of Police being now debited to the

the City Police. In the latter case the ^part of the^ charges (Rs.5381) appearing in the accounts for 1897-98 show that the change has already been effected. A large reduction of Rs.3205 on the other hand appears against Supplies and Services - Clothing and Uniform. The estimate as submitted by the Commissioner under Town and Suburban Police may, it is submitted, be accepted.

3. Under Mounted Police the Commissioner has raised the grant (Rs 13720) for " Cost of feeding" in the revised by Rs.3,100 with reference to his application for funds in the ^current dealt with in the^ linked file. The increased provision is required for the increased cost of feeding the present strength of 38 horses plus the cost for 7 months of feeding 5 more horses which the Commissioner expects to purchase to make up the sanctioned strength. As the Acctt.Genl.reports in his endorsement on the current in the linked file that the actuals up to the end of July show savings in the Commissioner's budget, it is submitted that the grant for the current year may be repeated in the revised and the Commissioner be told to economise× and to come up for an additional allotment if necessary when the 5 extra horses have been purchased. For the same reason he has increased the provision for the ensuing year to Rs.17,000. ~~It cannot be anticipated that~~ the cost ^need not necessarily^ of feeding would be high next year.

With the improvement in the season it is reasonable to expect that the rates will be much more favourable. Allowing for the full sanctioned strength ~~being brought up~~ next year it is submitted that a provision of Rs. ~~14000~~ 15000 should ~~will~~ be ample for 1899-1900.

4. It will be observed that a provision of Rs.4900 has been made on account of the temporary force required for plague duty.

5. The estimates under the other heads call for no remarks.

Judicial Dept

It is proposed by the Acctt Genl. in his endorsement in the linked file that the Commr. of Police in reply to his application for increa[se]

funds during the current
year should be used to
economise - the Financial
Dept: will address this
question - the extra allowance
which the Corps requires is
for the feed of the
horses, & it is not clear
how the Dept: intended
economy is intended to
be effected - Possibly it was
intended that the mounted
force should be kept
below its full strength:
if this present season of
things, when the mounted
police have their hardest
work this corps used,
it is submitted, have
been open to serious objection
This matter need not, however,
be further discussed, as
it is understood that the
horses required to bring the
remount up to
full complement have now
been purchased. The
only other means of economising

wned to to reduce the
losses for'd. As it is to
be presumed that their
ration is already as
small as is consistent with
their remaining fit, the
old system need hardly
be discussed. It is
submitted therefore that
the ration provision of Rs
1880 asked for by the
Agra for the current
year should be allowed.
With regard to the budget
forecast for next year some
reduction might be effected
as the purchase program is
likely to fall - Rs 15000
allotted for Financial
Dept will give Rs 29 p.m. for
each horse: the ratio of
expenditure in April - July
of this year appears from the
Comm. letter in the linked
file to have been Rs 34-2,

but if this be no
objection to a possible
application during '39-1940 for
extra allotment, Rs 15000 should,
perhaps, remain. A.V. 3/11/39

With reference to the fore-
going remarks of the Judicial Dept.
it is submitted that what the Acct.
Genl. in his endorsement on the cur-
rent in the linked file, means is (there
are savings as a whole in the Commis-
sioner's budget and that he should eco-
nomise under other heads of expendi-
ture for the purpose of meeting the
extra cost of feeding horses ~~and~~ not
that he should restrict expenditure in
this direction. It is now (stated
that the extra horses have been pur-
chased, but in view of the savings re-
ported by the Acct. Genl., the Commis-
sioner will not, it is submitted, re-
quire the whole of the amount he ap-
plies for. After utilising present
savings and effecting economy in non-
urgent expenditure his exact require-

ments will

will be better known later on. It is submitted that the draft order on the current in the linked file may, as now revised by omitting any reference to the future purchase of the five horses, issue. In case an additional allotment is made hereafter the revised estimate will be ~~will~~ altered by the Acct. Genl. The budget grant need not be raised now.

It will in any case be altered by the A.G. on the ~~[illegible]~~ later actuals
Cwb

If the proposed figure Rs. 15,000 for next year proves to be insufficient there will be no objection to the Commissioner applying for an additional allotment during the course of the year, but it is subd. that the budget should be drawn up for a normal year

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper :—

From the Commissioner of Police, Madras, dated 8th October 1898, No. 113

Order—No. 1022, Financial, dated 8th November 1898.

Under Superintendence the provisions for Exchange Compensation Allowance in the revised estimate for the current year and in the budget estimate for the ensuing year have been incorrectly calculated. The necessary alterations will be made. Some of the items under *Supplies and Services* and *Contingencies* have been over-estimated when compared with the actuals of past years and will be reduced. With these modifications the estimate under this head will stand at Rs. 50,000.

2. Under Mounted Police the Commissioner has raised the grant for "Cost of feeding" by Rs. 3,100 in the revised estimate in accordance with the application in his letter No. 99, dated 7th September 1898. With reference to the orders passed on that application the grant for the current year will be repeated in the revised estimate. The Commissioner proposes to increase the provision for the ensuing year to Rs. 17,000. The estimate should have been fixed as for a normal year, and a grant of Rs. 15,000 should suffice.

G.O., No. 1025, Financial, dated 8 Nov 1898.

3. The estimates are passed as shown in the appendix to these proceedings.

C.No.2807

ORDER No 1022 d/8-11-98
P.S.

Under Superintendence the provisions ~~per~~ for Exchange Compensation Allowance in the revised estimate for the current year and in the budget estimate for the ensuing year have been incorrectly calculated. The ~~correct figures are 1805 and 1911 respectively~~ necessary alterations will be made. Some of the items under Supplies and Services and Contingencies have been over estimated when compared with the actuals of past years and will be reduced. With these ~~alterations~~ modifications the estimate under this head will stand at Rs.50,000.

2. Under Mounted Police the Commissioner has raised the grant for " Cost of feeding " in the revised estimate by Rs.3100 ~~with reference to his~~ in accordance with the application ~~for funds~~ in his letter No.99, dated 7th September 1898. ~~But in view of the savings reported by the Accountant General in his endorsement on that letter~~ the grant for the current year will be repeated in the revised estimate. ~~The Commissioner will after utilising such savings and effecting economy in non-urgent expenditure apply later on for an additional allotment if necessary. For the same~~

~~reason~~

~~reason~~ The Commissioner ~~has~~ proposes to increase the provision for the ensuing year to Rs.17,000. ~~It cannot be anticipated that the cost of feeding will necessarily be high next year. With the improvement in the season it is reasonable to expect that the rates will be much more favourable and~~ The estimate should have been fixed as for a normal year, ~~The Government consider that~~ a grant of Rs.15,000 should suffice ~~for 1899-1900.~~

3. The estimates are passed as shown in the appendix to these proceedings.
