FOR ORDERS.

In order Secy.

The only point for consideration is whether any provision should be made in the estimate for the ensuing year for agricultural farms. The Board states that the sum of Rs. 20,000 provided in B.P. No. 703 of 10.11.97 may be required next year but that it has been excluded from the estimates with reference to G.O. No. 792 Financial of 14.9.98 enjoining on all heads of dep. the necessity for economy.

Submitted that the estimates may be accepted. Please see a draft order put up on the back of the current for issue in the Financial

Please see para 1(3) of G.O. No 1057 of 16.12.97

Besides the agri Dept is not likely to be in full working order before 1900-1901
