THE COMMISSIONER OF POLICE,

To

The Chief Secretary to Government,

Fort St. George,

Madras,

Sir,

Page III of B.S.R.

I have the honor to state that the sum of Rs 13,720 provided for feeding of horses &c in the current year's Budget of this Office Contingencies is insufficient owing to dearth of fodder, especially grass, which is being supplied by a Contractor at 20 $\frac{7}{8}$ lbs per Rupee, which is the highest tender offered and accepted, whereas in the previous year the rate was 32 $\frac{1}{2}$ lbs per Rupee. 2 — As advised by the Veterinary Surgeon, bran and chaff are

C 402702 of 95

are given to the horses in lieu of a portion of grain. I therefore purchased 150 bags of bran for Rs 582-13-4 from the Bombay Flour Mill Co: and 52 bags of bran for Rs 266/- and 165 bags of chaff for Rs 720/- from the local markets.

3 ——— The present strength of horses is 38, being 5 less than the sanctioned strength and the average monthly expenditure, as per accounts from April to July, 1898, amounts to about Rs 1,300/- and the annual expenditure will amount to Rs 15,600/-, whereas the grant allotted in the budget is Rs 13,720/- only. The amount required till the close of the year is Rs 1,880/- if the present strength is maintained throughout the year.

4 ——— To make up the sanctioned strength, 5 horses will have to be purchased when Casters are available from Regiments.

The monthly expenditure will then increase by Rs 175/- for the 5 horses and the amount required for the remaining 7 months of the year will be Rs 12,250/- hence, the total sum required to maintain the sanctioned strength of horses till the end of the current official year will amount to Rs 3,106/-

5 ——— As there is no prospect of any savings being available from the other heads of this office & contingencies, I request that you will be so good as to provide a sum of Rs 3,106/- to meet this unforeseen extra expenditure. The formal statement for the increase of grant is herewith submitted.

I have the honor to be,
Sir,

Yours most obedt. Servt.

The Commissioner of Police may be informed that he must economize. From the actuals up to end of July there are savings ^{in the Commission's Budget}, but they may be absorbed subsequently.

I do not follow his calculation. He does not say when the extra 5 horses will be bought and apparently calculates the cost as if they were to be purchased.

With reference to the Chief Secretary's note on the foregoing current the Commissioner's calculation is, as ^{the} C.S. states based on the assumption that the 5 extra horses will be bought at once. This is a doubtful contingency as ^{the} Commr. ~~must~~ ^{must} wait his opportunity when ^{being} casters are available. The Commissioner has with reference to this letter increased the provision in his budget for the "revised" ^{estimate} and has also made a larger provision for the ensuing year. Attention is solicited to para 3 of the note in the linked file and it is submitted that he may be told to economise for the present and to come up for an additional allotment later on if necessary should the 5 extra horses be purchased during the current year.

2. Draft order is submitted for approval.
