No. 299

From

J. C. Harrison Esq

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Financial Department.

SIR,

With reference to paragraph 2 of Govt. Order No. 49, dated the 20th January 1898, I have the honour respectfully to submit that I did not overlook the provisions of article 153 of the Civil Account code in eliminating the provisions for Exchange Compensation allowance of His Excellency the Governor and the members of council from the Civil estimates because the payment of the allowances in question had already been withheld with effect from 1st October last on the authority conveyed in the Govt. of India Financial Resolution No. 4182 Ex, dated 17th September 1897. Article 155(a) of the Civil Account code requires that the Budget Estimate should be prepared for what is expected to be actually received or paid under proper sanction during

But the A. disengaged them - he should have kept the provisions in mind. Govt. agreed to them - It is not for him to alter the Budget. I have written to the Secy. to the Govt. that is another matter. Conf

But the Ex. Compt. Allman has not been supplied absolutely. The difficulty is not money but the money to come from the Govt. of India. Conf

during the year.

2. Government Order No. 28 Financial of the 10th January 1898 in reply to my reference on the subject of the 6th ultimo was received by me only on the 14th instant after my budget estimate was sent to the Press to be finally struck off and consequently I carried out the required addition in my budget notes.

I have the honour to be,

Sir,

Your most obedt. servant,

H. Harris.

Accountant General.

But there would have been no "required addn" if the A.C. had not made the "irregular subtraction."
