LOCAL AND MUNICIPAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Accountant-General, Madras, No. 4202 dated 5th

September 1898.

By Government Order No.666 Financial dated 31st July 189/

the Accountant-General is requested to submit to Government on the 1st December of each year, a provincial Budget Estimate of Receipts and Charges appertaining to Local Funds under Act V. of 1884.

2. This estimate serves no useful purpose, firstly, because it is framed on past actuals and does not therefore represent an exact forecast of requirements of the coming year, and secondly, because the figures are replaced by those subsequently obtained from the estimates of District Boards themselves. Even the latter are finally altered by Government on the review of individual Budget Estimates. The only purpose which this fictitious estimate serves is that of supplying a deficiency of figures in the Local section of the consolidated Civil Estimates caused by the late receipt of the District Boards' estimates.

3. I have the honour therefore to propose that this estimate be discontinued and to suggest, now that the Local Fund administrative heads correspond almost exactly with the account heads, that Government may be pleased to direct Presidents of District Boards to submit a copy of their estimates to me without fail so as to reach my office before it closes each year for the Xmas holidays. They should reach me by the 21st or 22nd December, as the case may be, in order that I may be able to close the consolidated Civil Estimates, so as to submit them in print to Government punctually on the 15th January, which means the final proof being sent to the Press not later than the 11th January.

4. ^{submit} As the 15th December is the date on which District Boards have to submit their estimates to Government there should be no difficulty in their being able to send me a copy as I have suggested. I do not

not require any explanation etc, but merely the figures of the local estimates for incorporation in the estimates of the Province. The few alterations on the heads required for the Government of India Budget, I will make.

Order No. 1902 L, Mis: dated 10th October 1898.

With reference to the Accountant-General's request in para. 3 of his letter that Presidents of District Boards should be required to submit a copy of their budget estimates to him by the 21st or 22nd December, his attention is drawn to para 2 of G.O. No. 419 L, dated 1st March 1897, in which the 15th of December has already been prescribed as the date for the submission of these estimates.

2. Orders will be passed in the Financial Department on the Accountant-General's proposal to discontinue the Provincial Budget estimate of receipts and charges appertaining to Local Funds under Act V. of 1884 prescribed in G.O. No. 666 Financial dated 31st July 1891.

*Estimates relating to
Local Funds Act V of 1884*

FOR ORDERS.

In the foregoing current the Local and Municipal Department transfers to the Financial Department for orders the Accountant-General's proposal to discontinue the submission to Govt. of the Provincial Budget Estimate of receipts and charges appertaining to Local Funds Act V of 1884. As pointed out by the Accountant-General the estimate serves no useful purpose as it is framed on past actuals and does not represent an exact forecast of the requirements of the coming year and is replaced by subsequent figures furnished by the District Boards themselves. As it is, the Accountant-General's estimates are merely provisionally accepted for inclusion in the Civil Estimates pending the receipt of consolidated estimates from District Boards. It is submitted therefore that the Accountant-General's proposal to discontinue this estimate may be approved.

2. It would be more in accordance with budget principles if the Local & Municipal

Dep't

Département could see its way to
 reviewing the budgets of District Boards
 at the same time that the budgets of the
 several Departments of the State are
 dealt with so that a consolidated esti-
 mate of Local Funds under Act V of 1884
 may be submitted to the Financial Dept.
 in sufficient time for approval and
 inclusion in the Civil Estimates.
 Attention is drawn to the notes in G.O.
 No. 585 Financial dated 8th July 1898.
 It was then thought that as the existing
 state of things had worked well it had
 better be ^{left} alone. But the Govt. of
 India has ^{with reference to these Local Fund Estimates} just been intimating to this
 Govt. that no figures should be officially
 quoted as "Budget Estimates" which
 differ from those accepted by the Govt.
 of India. This will necessitate the
 application of the ordinary budget
 rules whenever these figures have to be
 altered. The letter from the Govt. of
 India has been transferred to the L. &
 M. Dept., and it is thought that sooner
 or later the system of dealing with the
 budgets of the great Imperial and
 Provincial Depts. will have to be
 introduced in the case of the budget
 estimates of District Boards.

submits the estimates relating to the Village Service and the Irrigation Fee Funds but that relating to the Road Fund of the Pehadrachalam and and Rakkapalle talukas is submitted by the Joint Agent Godavari. It would be more convenient if one consolidated budget under Adjusting Heads were submitted but as each is separately passed ~~and the def. mtds~~ ~~be to consider them for~~ the final estimates the ~~matter~~ point of the Act submitting the local adjusting heads budget for ~~same~~ funds other than Local Funds (Act II of 1884) may be dropped.
