Fort St. George.

Sir,

With reference to your 4.

I order No 754 ^{Political} Financial dated 25. 11. 97.
I have the honor to report for the in-
formation of Government that no
typewriter is at present used in this
office. I wish however to have one, in
which case, however, only one typist
will be required and no special section
of typists is necessary. A graduate now
the office is a clever typist and will do the
work: another will be trained to take
his place on the occurrence of a vacancy.
