Passing orders on the — for 1899-1900 of receipts and charges of Notaries Public.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From the Hon'ble M.R.Ry. P. RAJARATNA MUDALIYAR, Diwan Bahadur, Inspector-General of Registration, Madras, to the Chief Secretary to Government (through the Accountant-General), dated 10th October 1898, G. No. 6443.

I have the honour to submit a budget estimate of charges of Notaries Public for 1899-1900 and revised estimate for 1898-99, as desired by the Accountant-General in his audit slip No. P.A.D./658, dated 25th July 1898, copy enclosed.

2. Under Article 1 (c) of the Civil Account Code, Notaries Public are authorized to defray from the fees collected by them all legal expenses incidental to the discharge of their duties, remitting the balance only to the treasury. The seals required for use by the Notaries, however, are made to order at the Public Works Workshops, Madras, and paid for by me, and their cost has hitherto been recovered like other contingent charges by presenting bills at the treasury, but without any budget provision, except in one year, 1896-97, when the Accountant-General provided Rs. 100 for notarial charges in his revised estimate under 19-A. "Law and Justice".

No. 4839.

Forwarded. These charges constitute one of the detailed heads under the minor head Law Officers subordinate to the major head 19-A. Law and Justice—Courts of Law. The revised estimate of any year is no authority for incurring expenditure. The sum of Rs. 50 required for the current may be sanctioned by re-appropriation from savings under Pleaders Examination Charges.

Contingent Bill for Rs.4-11-8 being charges of " Notaries Public" has been passed for payment and placed under objection in the circumstances explained in your reply, A.No.1428, dated 16th. July 1898 and with reference to Article 161 of the Civil Account Code.

It is, however, pointed out that charges cannot be met from general receipts as stated in the reply above referred to, and provision should have been made by you in the estimate for probable charges under Article 155(h) Civil Account Code. This provision should now be applied for from Government.
