Communicating to the Accountant-General Proceedings, Judicial Department, sanctioning the purchase of a brake for the use of the Madras City Police, and making an — of Rs. 1,400 to 20-A. Police—Presidency Police from savings under 43. Minor Works and Navigation—Civil Officers.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

G.O., No. 1749, Judicial, dated 14th November 1898.

Read—the following papers:—

From the Commissioner of Police, Madras, to the Chief Secretary to Government, dated 7th October 1898, No. 112.

I have the honour to request the sanction of Government for the purchase of a new brake for the Mounted Branch.

2. The one now in use has attained the age when repairs amount to re-construction and are then unsatisfactory. It has been in the coach-builder's hands three times in the last year and is again in need of repairs. It was purchased second hand, and then by no means new, 10 years ago; and considering it has been used almost daily during that period for breaking in and exercising horses, as well as inspection work, it may be said to have lasted as well as could be expected.

3. As the advent of the plague is probably near, I request that a new brake may be sanctioned at once as it will be greatly needed as a means of rapid communication and frequent inspection, and sometimes for sending parties of foot police required urgently for plague duty in a distant part of the city. In addition to this we have now five young horses to be broken in.

4. A new brake well built and specially constructed for rough wear cost Rs. 1,400.

5. There is a new brake on commission sale in Madras, built last year for the country roads of Pudukkottai but not used by the Raja as he went to Europe. It cost Rs. 1,800 and as it is strong, it would do for our work. Not having made any offer, I do not know what they would accept, but it would be very cheap at Rs. 1,200.

6. I request sanction to offer Rs. 1,200 for the latter vehicle, and if the offer is not accepted, to order a new one at Rs. 1,400. Well looked after, and with repairs timely executed, a new one should last 15 to 18 years, so that looked at as an annual charge it is not heavy.

7. But for the urgency of the matter I would not have made the proposal after the receipt of G.O., No. 792, Financial, dated 14th September 1898.

From the Commissioner of Police, Madras, to the Chief Secretary to Government, dated 25th October 1898, No. 119.

In reply to your memorandum No. 101, Judicial, dated the 18th instant, I have the honour to state that there are no savings in this office budget for the current year to meet the expenditure for a new brake.

Order—No. 1749, Judicial, dated 14th November 1898.

The proposals of the Commissioner of Police are sanctioned.
