Copy of letter from the Inspector-General of Police, No.3462, dated 5th September 1898:-

With reference to G.O.No.441, Judicial, dated 28th February 1893, sanctioning an establishment of 2 Head and 2 constables for working the Hackney Carriage Act in the towns of Trichinopoly and Srirangam, I have the honour to state that the Superintendent of Police, Trichinopoly, reports that this staff is insufficient as the traffic is very heavy and many breaches of the Hackney Carriage rules go unnoticed. Ten miles of road have to be patrolled, and an increase of two constables is therefore necessary. One would be posted permanently at Srirangam and another to patrol the road between Srirangam and ~~another~~ Trichinopoly. This would leave the town to be looked after by the present two constables. As the Head Constable will have more travelling work in order to efficiently supervise the work of the constables the Superintendent proposes that a carriage allowance of Rs.7/- for ~~one~~ Head Constable and Rs.4 for the other for ~~the~~ Head Constable may be granted. The receipts for the year 1897 are Rs.1578 and the expenditure Rs.1015 leaving a credit balance of Rs.563. With the addition proposed the Superintendent expects a corresponding increase in the receipts. The proposals show an increase of Rs.312 per annum over the present cost which can be met from the surplus out of the collections. The District Magistrate and the Deputy Inspector-General of Police approve the proposals and I beg to request that sanction of Government may be accorded for an addition of one 1st class and one 2nd class constable to the Hackney Carriage Establishment with allowances of Rs.7 and 4 for the Head Constables.

2. A proposition statement, in duplicate, is enclosed. The cost can be met from the Hackney Carriage fees.

ACCOUNTANT-GENERAL'S REPORT.

THE entries in the column of "Present Scale" have been compared with the Registers of this office, and are correct with the exception of the items altered in red ink. The total in the 'proposed scale' under Hackney Carriage Establishment is wrong and has been altered in red ink. The proposed increase is within the sanctioning powers of the Local Govt. If Govt should sanction the increase a specific reappropriation should be made to meet the cost.
