SIR,

Sir,

With reference to your memo-
-randum Reference on C. no. 805
dated the 27th October 1898, I have
the honour to state that the
Deputy Inspectors-General of
Police, Central and Southern
Ranges, the Superintendent of
Police and the Chairmen of
the four Municipal Councils
of the District have been
requested to forward monthly
Statements of plague charges-
incurred by them so as to
reach this office not later
than

than the 1st of each month. But the statements from some of the above officers are not received on the due date nor are they received before the 10th of a month unless they are reminded, by wire. This month all the officers mentioned above except above the Superintendent of Police were reminded by wire on the 3rd Instant and the statements from the Chairmen, Municipal Councils, Wallajah and Tirupathi and the Superintendent of Police have not yet been received. The return received from the Gudiyatam Municipality is incomplete and further details have to be obtained from that body. Under these circumstances I suggest that the due date of the district return of Plague Estimate may be fixed as 10th instead of 5th of each month.

2. The estimate for the current month will be submitted immediately on the receipt of particulars from the Municipal Councils Wallajah, Tirupathi and Gudiyatam and the Superintendent of Police, North Arcot.

I have the honour to be,

Sir,

Your most obedient servant
