EXPLANATORY REMARKS.

(a) The estimate has been fixed with reference to the actuals of the previous year pending the orders of Government on B.P., No. 280, dated 4th August 1898, in which the abolition of the voluntary irrigation cess has been recommended.

(b) Increased with reference to the actuals of 1897-98.

(c) The increase compared with the budget estimate for 1897-98 (Rs. 1,400) is due to collection of the arrears of previous faslis.

(d) No provision is made with reference to B.P.s., No. 464, dated 3rd November 1894, and No. 239, dated 8th July 1898, in which it was decided that fines levied under section 6 of Act I of 1858 should be credited to "XXX, Minor Works and Navigation."

(e) Increased with reference to the actuals.

(f) No receipts are expected as, since the transfer to the Public Works Department of the management of the main channels under the Thadapalle and Arakankottai channels, no fee has been collected.

(g) No receipts expected; the balance, viz., Rs. 96, of collections already made has been ordered by the Collector to be refunded to the ryots concerned.

(h) Reduced with reference to the actuals.

(i) The budget estimate for 1898-99 erroneously included Rs. 438 being the cost of additional establishment under Thadapalle and Arakankottai channels which was to be met from the Cess Fund (vide B.P., Mis. No. 1156, dated 16th February 1898). The revised and budget estimates have been fixed with reference to the actuals. The "accounts" under VI-B for 1897-98 includes Rs. 1,044, the actuals under "Fines under Act I of 1858" in the Coimbatore district—vide note (d) above.

Certified that the actuals, as entered above, are those shown in the departmental accounts; they have been verified with the statements furnished by the Accountant-General and all discrepancies noticed have been duly pointed out to him.

From The Board of Rev. (R.S. &c.)

Dated 5th October 1898.

FOR ORDERS.

With the Proceedings read above, the Board of Rev. submits the Budget Estimate of Receipts for 1899-1900 under the Irrigation Cess Fund. The Budget Estimate compares with the Revised Estimate and the sanctioned estimate for the current year as shown below:—

FOR ORDERS.

2. Provincial rates - Rates and cesses on lands. - The revised estimate and the budget estimate for 1899-1900 under this head have been fixed with reference to the actuals of the previous year, pending the orders of Govt. on the proposal to abolish the Voluntary Irrigation Cess in Trichinopoly which amounts to Rs 24,000. The increase of revenue that is expected by the raising of the rates of cess in Coimbatore (vide B.P. 286 5-Aug-98) has not been taken into account by the Board. The Budget estimate for 1899-1900 should therefore be raised by Rs 3,200 in round figures (vide para 7 of B.P. 286 5-8-98). The provision made in Trichinopoly may be allowed to stand for the present.

3. Provincial Rates - Miscellaneous. - The decrease under this head both in the

the revised estimate for 1898-99 and in the budget estimate for 1899-1900 is due mainly to the following facts:-

(a) It has been decided that fines levied under sec. 6 of Act I of 1858, which were estimated at Rs 960 should be credited to "XXX - Minor Works and Navigation".

(b) No receipts are expected in Coimbatore under fees as since the transfer of the P.W. Dept of the management of the main channels under the Thadapalle and Arakankottai channels no fee has been collected. Rs 150 was provided in the budget estimate for 1898-99.

(c) No contribution is expected from private individuals in Tanjore.

4. Adjusting heads. - Contribution from the Village Service Fund. - It is explained that the sanctioned estimate under this head, Rs 5,270 erroneously included Rs 438 being the cost of additional establishment under Thadapalle and Arakan Kottai channels in Coimbatore, which was to be met from the Irrigation cess fund. The revised and budget estimate have been fixed at Rs 4,900 with reference to the actuals.

5. The other items do not call for remarks. It is submitted that the estimate may be accepted with the modification proposed in para 2, supra.
