Adverting to the remark in the Financial Department that the revised estimate for the current year will, with reference to G.O. No. 833, Financial, dated 2nd November 1897, be placed at the same amount as the budget estimate, viz. 18.41, the attention of that Department is invited to para 2 of G.O. No. 80 W dated 14th January 1898, from which it will be seen that the sanctioned grant for the year is 18.71. As this grant is already too small, and as the officers of the Department have probably arranged their programme of works according to their allotments, the revised estimate cannot be placed at less than the sanctioned grant.

ORDER. W^o 110 of 5 Feb 28.

Recorded

2 It was not intended by G.O. No 6 Fint., 8.5th January 1898, that the original grant of 18.44 lakhs sanctioned for the current year should provide for the sum of 40 lakh required for the Pokacamund Lake Reclamation scheme, as that sum is to be contributed by the Pokacamund Municipality. From recent papers it appears that the contribution has not yet been made as the question of adjustment is still under disposal.
