NOTE FOR THE CHIEF SECRETARY.

3 heavy pony

Financial has had no intimation yet as regards the pay and allowances of Staff Corps officers detailed to for plague duty and the districts to which they have been posted. It is submitted that Local and Municipal may be asked to supply this information at a very early date.

Similar information is also required as to the new doctors from England and L. & M. will probably also be best able to supply this.

The function of the pay authority and I think the posting of the doctors is being dealt with in Public.
