(a) The total amount of remuneration sanctioned for 1897-98 was Rs. 1,889, of which a sum of Rs. 960 only was drawn before the close of the year. The balance, viz., Rs. 929, represents the remuneration due to Messrs. R. L. Jones and Alexander Moffat and the Hon'ble Mr. G. H. Stuart, the two former having left for Europe before the close of the year 1897-98 and the last named not being able to draw his remuneration for want of the sanction of the Government of India (vide G.O., Mis. No. 2210, Revenue, dated 21st May 1898).

(b) Includes the arrears of remuneration due for 1897-98, but not drawn before the close of the year, for the reasons explained above. For the examination of 1897-98 seven candidates registered their names, but only five were accepted by the dates registered in English and in three optional subjects only. This year in English and in provision will have to be made for examining

Medical Board. These five came up for examination in December next and provision will have to be made for examining seventeen candidates have applied for the examination of December next and provision will have to be made for examining them in English and in six different optional subjects, viz., Mathematics, Physics, Chemistry, Biology and Zoology, Mental and Moral Science and History. Hence the increase under the revised estimate, even leaving the arrears out of account.

(c) The budget estimate for 1899-1900 is based on the revised estimate for 1898-99, the amount of fees allowed being reduced with reference to G.O., No. 722, Revenue, dated 28th November 1898.

(d) No provision is required against stationery charges as the expenditure under stationery, which is slight, is being met from the supply to the Presidency College.

(e) This sum includes Rs. 50 which is a portion of the amount refunded in connection with the Police Competitive Test. The error was pointed out to the Accountant-General, but he has reported his inability to make the transfer entry as his accounts for 1897-98 have already been closed.

(b) Includes arrears of remuneration due for 1897-98 but not drawn before the close of the year, for the reasons explained above. For the examination of 1897-98 seven candidates registered their names, but only five were accepted by the Medical Board. These five came up for examination in English and in three optional subjects only. This year seventeen candidates have applied for the examination of December next and provision will have to be made for examining them in English and in six different optional subjects, viz., Mathematics, Physics, Chemistry, Biology and Zoology, Mental and Moral Science and History. Hence the increase under the revised estimate, even leaving the arrears out of account.

(c) The Budget estimate for 1899-1900 is based on the revised estimate for 1898-99. The amount of fees allowed being reduced with reference to G.O. No. 222 Rev. dt. 28.4.1899.

(d) No provision is required against stationery charges as the expenditure under stationery, which is slight, is being met from the supply to the Presidency College.

(e) The Accountant-General's registers show Rs. 150 against Refunds. This sum includes Rs. 50 which is a portion of the amount refunded in connection with the Police Competence Test. The error was pointed out to the Accountant-General by this office, but he has reported his inability to make the transfer entry as his accounts for 1897-98 had already been closed.

Certified that the actuals as entered above are those shown in the departmental accounts; they have been verified with the statements furnished by the Accountant-General and all discrepancies noticed have been pointed out to him.

OFFICE OF THE DIRECTOR OF

No. 10608

From

THE HONORABLE MR. D. DUNCAN, M.A., D.S.C., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

—Revenue—DEPARTMENT,

Fort St. George.

SIR,

I have the honour to submit, for the approval and sanction of Government, the budget estimates of receipts and charges in connection with the Provincial Civil Service Examinations of 1899-1900.

I have the honour to be,

Sir,

Your most obedient servant,

D. Duncan

Director of Public Instruction.

Letter from the Director of
Public Instruction no 10608
dy 14th Sept 1898 (enc 6387)

To the Under Secretary

The D.P.I. submits
the Budget estimates connected
with the Provincial Civil
Service examⁿ for the year
1899-1900 and the revised esti-
mates for the current year

2. Two important ques-
tions the final decisions
in regard to which are likely
to affect the figures now fur-
nished are at present under
the consideration of Govt.
The first has reference to the
curtailment of the fees paid to
the members of the Board of
examiners and to their Assis-
tants and the second (which
should apparently be treated as
confidential) to a matter which
was brought forward at the
last Council meeting. ^a ~~The~~ de-
cision in the former case can
presumably be arrived at only
after

order
linked file below

after a reply is received from the Govt of the Punjab in regard to the fee paid in that Province on which a D.O. reference was made to it on 26th August last, while as regards the latter the old correspondence on this subject of the P.C.S. examⁿ is it is understood now being looked up.

in linked file below

in Public.

3. The present budget is a small one and its delay even until Dec^r next is, it is respectfully submitted, not likely to affect in any way the preparation ^{or printing} of the General Budget (The sub heads, under which the P.C.S. exam comes, are XXXI D and 26 M & O and are printed towards the end of the general budget) Orders are in these circumstances solicited as to whether the present estimates may ~~be~~ lie over for some time and the F.D. informed of the fact.

Of the two points

referred to in the office note
(Supra) of the 20th Sept last

Orders have been passed on

the first viz that ie: the

fees be to the Examiners

and members of the Board

of Examiners. It is under-

stood (u.o.) that on the other

point also orders have

been passed and that a

formal G.O. will issue shortly.

It is however likely that some

time will elapse before the

final decision of the Govt

of India is communicated

to this Govt and the amount

involved in the present budget

being small there seems to

be no objection to dealing

with ^{it} now. It is accordingly

resubmitted for orders

effect i.e. need not be enforced
in the case of the Examiners
and others who have already
undertaken the examina-
tion of Dec^r next, the re-
vised estimates of expenditure
proposed by the Director for
the current year may be al-
lowed to stand. Otherwise
they are capable of modi-
fication to the same extent
as the budget estimates for
the ensuing year dealt with
below.

3. The Director's esti-
mates of receipts do not call
for any remarks. As regards
his estimate of expenditure
under "Remuneration to Examiners"
for 1899-1900, viz Rs 3396, it
is reported that it is based on
the revised estimates proposed
for 1898-99 viz Rs 4246 - the
difference of Rs 850 being more
than accounted for by the fact
that during the current year
Rs 929, the arrears of the
past year's fees, had to be paid
to the Examiners &c. The
revised

revised estimate has been framed on the supposition that 17 candidates would appear for the examⁿ with six different optional subjects the cost at the rates till now in force for examining these candidates would be ^{roughly} as follows

(1) President, Board of	Rs
of Examiners	100
members (4)	400
Secy	250
Total Board	750
(2) English 3 papers	300
<u>viva voce</u>	80
Examining 3x17 papers	127½
Total English	507½
(3) History & Pol. Econ ^y 2 papers	200
do <u>viva voce</u>	80
Mathematics 2 papers	200
Physics 2 papers	200
do Practical portion	120
Chemistry 2 papers	200
do Practical	100
Biology & Zoology 3 papers	300
do Practical	120
Mental & Moral Sci ^{nc} 2 papers	200
do <u>viva voce</u>	80
Total Optional Subjects	1800

(4) Exam^s 17 Candidates
 in two papers 85
 do 3 (approximately)
 in Biology extra 7½
 Total exam^s fees 92½
 giving a grand total of Rs ~~3150~~ 3150
 4. As against the latter amount, Rs 3150, the revised estimate for the current year (minus the ^{unpaid} past year's arrears) is Rs 3367 and the budget estimate for the ensuing year Rs 3396.

(5) The difference of about Rs 200 between the first and the second two figures is evidently due to either the prolongations contemplated in the viva voce exams or to addition of members to the Board, both ^{of} which ^{are} occasionally done. The estimate therefore appears to be capable of reduction to the extent noted below:

Under (1)	Rs 650
(2)	156½
(3)	200

cf list in
G.O. 24th 20th dy

in the
Budget est. for
next year

Total .. 1262

or in round figures Rs 1300
i.e. the budget estimate for the ensuing year may be fixed at Rs. 2096 plus Rs 4 for Stationery or Rs 2100 on the whole. The Director's estimate is as already pointed out above based on the conjecture that the number of candidates and of the Subjects which they may bring up will remain the same next year as in the current year i.e. on very vague data. It seems therefore hardly necessary to consult him on the point now.

5. As regards 'Refunds' the ^{revised} budget estimate for the current year and the budget estimate for the ensuing year are both fixed at Rs 200 or the mean between the sanctioned estimate (Rs 300) for the current year and the actuals (Rs 100) for the past year.

year. There is it is regretted hardly any data ^{in the office} by which the figures in question could be checked. The figure Rs 100 should apparently be altered to Rs 150, the wrong addition of 50 having already been made by the Acct General in the past year's accounts and passed.

Let it stand for the present. I think the honoraria must be passed better than 8/8.

(a) The total amount of remuneration sanctioned for 1897-98 was Rs. 1,889, of which a sum of Rs. 960 only was drawn before the close of the year. The balance, viz., Rs. 929, represents the remuneration due to Messrs. R. L. Jones and Alexander Moffat and the Hon'ble Mr. G. H.
