As these ^{papers} estimates occur
one point viz that the consolidation
of the Plague estimates shall
take place in Financial, I submit
in early orders the question of the
strength to be added temporarily
to the Financial Dept. One
Acct. procured from the Nilgiri
Collectorate is now on special
duty until the 15th October. This
single hand is ill, I submit, be-
inadequate. There are 21
District Estimates & the distribution
of the Local expenditure involves
very heavy work. If these 21
monthly estimates are to be
got out early in each month, I
think that 3 men at least will
be required. The present man
draws Rs 75 (Pay 60 + Local
Allowance 15) in the Nilgiri
Collectorate. He is a very hard
working Acct. & has not spared
himself in the work now on hand
I should like to keep him on
at Madras & would suggest
that he be paid Rs 75
there. Two other Accountants on

He knows something
of the work now & I
+ this can be done
11/9/98

about
Rs 30 & 40 should suffice &
the Asy & the Board might be
consulted in regard to sending
in the men. I do not think that
I have overestimated requirements
as the work is very heavy &
the present man is working up
to 8 P.M. daily & taking home
papers besides. The permanent
Indl. hands cannot be spared
as the budget season is near
on & we are approaching the
heavy budgets. If these estimates
are to be any good they must
be got out without the slightest
delay. I intend on return to
Madras to personally consult
the Asy's officers people as to
forms of estimates or to reduce
my unnecessary work, but I
cannot see any way of reducing
the (31 x 20) 420 calculations
we divide up St. Board
expenses. This will have to be
one very month after the estimates
have been checked consolidated
revised. We cannot under
present arrangements work
each District separately
