READ—the following paper:—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 31st October 1898, No. 12290.

ORDER—No. 1170, Financial, dated 5th December 1898.

The estimates are accepted, subject to the following remarks:—

(1) The fee income of the Presidency College in 1899-1900 is estimated at Rs. 35,000 as in the current year, but as the actuals of 1897-98 were Rs. 30,254 only and those of the first five months of 1898-99 Rs. 12,967, the revised estimate of Rs. 32,300 will be repeated, notwithstanding any anticipated increase in attendance.

(2) The estimated receipts of the Mangalore College will be reduced to Rs. 4,200 with reference to the actuals of 1897-98 and the revised estimate for the current year.

(3) In detailed account No. XIX-F the receipts from sales of aluminium articles will be included under "Sales at the School of Arts" and not shown separately. The entry of Rs. 30,000 under this head in the column showing the estimates for 1898-99 will be struck out, a corresponding alteration being made in the summary.

(b) The decrease, in the Revised Estimate, is due to the fall in the strength of the college caused, to some extent, by a restriction in the number of admissions of students, which was brought to the notice of Government in connection with the report on the college for 1897-98.

(c) Based on the actuals of 1897-98, the decrease being due to diminished strength.

(d) An increase is expected under tuition fees and in the registration fees paid by candidates applying for the college entrance examinations.

(e) A number of paying students is expected to join the Teachers' College, Saidapet, in January 1899 and 1900; hence the increase both under the Revised Estimate for 1898-99 and the Budget Estimate for 1899-1900.

(f) Fixed with reference to the actuals of 1897-98 and the Revised Estimate for 1898-99. Vide note (g).

(g) Includes fees levied from the practising sections of training schools.

(h) Though the revised scale of fees has been in force in the school, yet the fluctuations in attendance which are very marked in institutions of this character do not warrant a higher estimate than Rs. 800 being fixed.

No. 12290.

Subject to the following remarks :-

(11) The fee income of the Presidency College in 1899-1900 is estimated at Rs 35,000 as in the current year, but as the actuals of 1897-98 were only Rs 30,254 and those of the first five months of 1898-99, Rs 12,967, ~~it would appear to be safer to adopt Rs 32,300 as a repeated estimate figure of Rs 32,300, only anticipated~~ ^{and a repeated estimate} increase in attendance (notwithstanding).

Note

The proposed alteration of the anticipated receipts of the Presidency College from Rs 35,000 to Rs 32,300 would leave the total of the Major head in hundred of rupees, which is against rule 7 of the Instructions for the preparation of ~~the~~ budget estimates. The receipts of the Mangalore College may be reduced to Rs 4,200 to remedy this defect.

2. The estimates, as ^{otherwise} revised in the Educational Dept, may be accepted.

Budget Estimate.

Accepting, with remarks, the — of receipts under XIX. Education for 1899-1900.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 31st October 1898, No. 12290.

I have the honour to submit, for the approval of Government, the budget estimate of receipts for the Educational Department for the year 1899-1900.

ORDER—No. 1170, Financial, dated 5th December 1898.

The estimates are accepted, subject to the following remarks:—

(1) The fee income of the Presidency College in 1899-1900 is estimated at Rs. 35,000 as in the current year, but as the actuals of 1897-98 were Rs. 30,254 only and those of the first five months of 1898-99 Rs. 12,967, the revised estimate of Rs. 32,300 will be repeated, notwithstanding any anticipated increase in attendance.

(2) The estimated receipts of the Mangalore College will be reduced to Rs. 4,200 with reference to the actuals of 1897-98 and the revised estimate for the current year.

(3) In detailed account No. XIX-F the receipts from sales of aluminium articles will be included under "Sales at the School of Arts" and not shown separately. (b) The decrease, in the Revised Estimate, is due to the fall in the strength of the college caused, to some extent, by a restriction in the number of admissions of students, which was brought to the notice of Government in connection with the report on the college for 1897-98. It is hoped that a larger number of students will be admitted in future and that larger fee receipts will be realized.

(c) Based on the actuals of 1897-98, the decrease being due to diminished strength.
(d) An increase is expected under tuition fees and in the registration fees paid by candidates applying for the college entrance examinations.
(e) A number of paying students is expected to join the Teachers' College, Saidapet, in January 1899 and 1900; hence the increase both under the Revised Estimate for 1898-99 and the Budget Estimate for 1899-1900.

(f) Fixed with reference to the actuals of 1897-98 and the Revised Estimate for 1898-99. Vide note (g).

(g) Includes fees levied from the practising sections of training schools.

(h) Though the revised scale of fees has been in force in the school, yet the fluctuations in attendance which are very marked in institutions of this character do not warrant a higher estimate than Rs. 800 being fixed.
