PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers—

From the Commissioner of Police, Madras, No.114,
dated 10th October 1898:—

I have the honour to state that the Masula boat of
the City Police has become unseaworthy and irreparable,
having been constructed in August 1892.

2. As Masula boats are only serviceable for 5 years,
I beg to suggest that a "Cutter", like the one used by the
Harbour Masters, which would last more than double that time,
be purchased without mast and sails. These last are only
required when going to ships outside the harbour and can
therefore stand over till next year.

3. I have ascertained from the Presidency Port Officer
that a "Cutter" without mast and sails can be obtained from
Calcutta at a cost of Rs.795/-, deliverable here.

4. The present old Masula boat, if sold, will realize
about Rs.200 as material, which will be credited to Govern-
ment.

5. A strong and durable boat is now absolutely neces-
sary as there is and will be incessant demand for its use by
the Officers of the City Police in carrying out the quarantine
regulations at the harbour in connection with the plague as
well as the usual embarkation and disembarkation of convicts.

6. As the present requirements cannot be met by the
Gig intended for use of superior officers of this Department,
