Proceedings of the Plague Commissioner, Ref. on C. No. 1069, dated 8th Nov-
ember 1898.

Forwarded to the Financial Department with the following remarks:-
Summary.-Column 1 should give the grants as sanctioned by Government and
not as proposed to be revised by the Collector.

24-D. Provincial.-The provision for postage may be reduced to Rs. 25.
24-D. Local.-It seems doubtful whether the Government intended that half
the cost of the establishment, referred in G.O., No. 576, Financial, dated 4th July
1898, should be charged equally to the Local and Municipal Funds of the district.

24-D. Municipal.-The proposed expenditure of Rs. 2,229 under "Petty con-
struction and Repairs," of Rs. 630 under "Medicines and instruments" and of
Rs. 500 under "other hospital necessities" requires explanation. The Collector is
requested to report under what authority this expenditure is proposed.
