GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers:—

From the Registrar of the High Court of Judicature, Madras, dated 15th November 1898, No. 128.

From A. L. HANNAY, Esq., Registrar of the High Court of Judicature, Madras, to the Chief Secretary to Government, dated 2nd December 1898, Ref. on Cur. No. 2917.

It has been the practice hitherto to print the annual reports on Civil and Criminal Justice prepared by the High Court and to bind the Civil Registers required for the use of Subordinate Courts at the private press of Messrs. Graves, Cookson & Co. attached to the High Court. The Superintendent of the Government Press now proposes that the reports should be printed and the registers bound at the Government Press.

2. The Superintendent points out that the High Court reports are the only ones not printed at the Government Press and that, if printed there, uniformity in style with other reports could be secured, while there would be a saving of expense after the first time of printing, as tabular statements would be kept standing from year to year. The latter could also be utilized for the purposes of the Provincial Administration Report. There are other minor reasons in support of the proposal which it is needless to specify.

3. As regards binding, I am to say that there is no objection to its being done at the Government Press.

4. To give effect to these proposals, I am directed to request that Government may be pleased to transfer Rs. 2,800 out of Rs. 3,025 provided under 19-A. Law and Justice, for binding charges of the High Court and Rs. 550 out of Rs. 16,000 provided under 30-D. Printing at Private Presses—High Court in the budget estimate for 1899–1900 to 30-C. Stationery and Printing—Secretariat Press—Supplies and Services—"Printing and Binding at Jail Presses."

Order—No. 1178, Financial, dated 6th December 1898.

The budget estimate of receipts under XVI-A. Law and Justice—Courts of Law for the ensuing year, which has been placed at 8·04 lakhs, the same figure as the actuals of 1897–98, against 8·05 and 7·25, the revised and budget estimates for the current year, will be accepted. With reference to G.O., No. 1083, Financial, dated 14th November 1898, the sum of Rs. 400 shown under Miscellaneous Fees and Fines against "Fees from Notaries Public" will be raised to Rs. 500, and a reduction of Rs. 100 will be made under "Pleaders' Admission Fees" for the sake of rounding.

2. The charges under 19-A. Law and Justice—Courts of Law for 1899–1900 are placed at 47·09 against 46·00, the revised estimate, and 46·13, the grant for the current year. Increases occur under the following heads as compared with the budget estimate for 1898–99:—

| | |
|---|---|
| Hight Court .. .. .. .. .. .. .. .. .. | ·14 |
| Law Officers .. .. .. .. .. .. .. .. .. | ·01 |
| Civil and Sessions Courts .. .. .. .. .. .. .. .. | ·55 |
| Criminal Courts .. .. .. .. .. .. .. .. | ·29 |

3. The certificate required under rule 10 of the instructions relating to the preparation of budget estimates has not been furnished; nor have details of the actuals for the past three years under *Allowances*, *Supplies* and *Services* and *Contingencies* been supplied in all cases. The absence of these details renders the scrutiny of the estimates difficult. The matter will again be brought to the notice of the Honourable the Judges. In view of the actuals of the past year and the revised estimates for the current year, the reductions shown in the statement printed as appendix A to these proceedings appear to be practicable and will be carried out in the estimates.

4. Other minor adjustments will be made in order to eliminate the amounts which have been added or deducted for the purpose of rounding the totals of the various minor and sub-heads in the estimates.

5. The transfer mentioned in paragraph 4 of the letter from the Registrar of the High Court, No. 2917, dated 2nd December 1898, will be made.

6. Law Officers.—Provisions of Rs. 50 will, in accordance with G.O., No. 1083, Financial, dated 19th November 1898, be entered in the budget estimate for 1899–1900 and in the revised estimate for 1898–99 for "Charges of Notaries Public."

7. Civil and Sessions Courts—District and Sessions Judges.—One permanent District Judge is a Statutory Civilian in receipt of Rs. 1,493–5–4 *per mensem*, and he is not entitled to draw exchange compensation allowance. The estimate under this head will accordingly be reduced by Rs. 11,000 in round numbers. In view of the actuals under *salaries* in 1897–98 (5·25) and the revised estimate for the current year (5·20), the "Probable savings" will be raised by Rs. 9,000.

8. The provision of ·36 lakh under Munsifs for the four new Munsifs' courts recently sanctioned, the details of which are with reference to G.O., No. 792, Financial, dated 14th September 1898, shown in an annexure to the estimates, will be admitted subject to final orders in January next.

9. *Supplies and Services.*—The allotment of Rs. 5,000 for "Elephant charges" includes a provision of Rs. 3,000 which is stated to be required for the purchase of an elephant for the Agent to the Governor, Ganjám. As, however, a sum of Rs. 10,000 has been lately sanctioned for the purchase of three elephants for the Agent, the allotment will be reduced to Rs. 1,200.

G.O., No. 1003, Finl., dated 4th Nov. 1898.
" " 1043 " " 11th " "

10. The estimate for "Purchase of books" in 1899–1900 is placed at Rs. 1,014 against Rs. 250 the revised estimate and Rs. 345 the grant for the current year, and Rs. 282 the actuals of 1897–98. The enhanced provision is explained to have been made with reference to G.O., No. 772, Financial, dated 6th September 1898. The reason is not apparent and the allotment, which appears to have been increased under a misapprehension, will be reduced to Rs. 314. The Honourable the Judges of the High Court will be requested to favour Government with further information as regards this entry.

11. Process Serving Establishment.—The increase of ·11 under this head is chiefly due to the deduction on account of probable savings under *establishment* having been placed at Rs. 1,963 against Rs. 12,513 in the current year. The sanctioned scale shown in the budget estimate for next year costs Rs. 550 (*per annum*) less than that in the budget estimate for the current year. The "Probable savings" can safely be raised to Rs. 11,963, leaving the allotment for establishment charges at the same amount as the grant (6 lakhs) for the current year.

12. 19-$B_a$ Jails—Charges for Police Custody.—The charges under this head are estimated at Rs. 17,124 against Rs. 20,000 the grant and Rs. 17,170 the revised estimate for the current year. The provision for "Conveyance of under-trial prisoners" will be reduced to Rs. 5,086 and the total allotment fixed in round numbers at Rs. 17,000.

13. 30. Stationery and Printing.—The allotments proposed for "Stationery purchased in the country" and "Printing at Private Presses—Other Courts" will be altered to Rs. 100 and Rs. 3,750, respectively, and the total accepted at Rs. 19,300.

14. The estimates modified with reference to the foregoing remarks are shown in appendix B to these proceedings.

(*b*) The amount of Rs. 10,773 under supplies and services (petty works of construction) and Rs. 6,200 under contengencies (petty repairs to buildings) are required by the District Judges for the Courts under their control. In 1897-98 the expenditure under these items were considerably low as the High Court postponed a good number of works for want of funds.

(*c*) This item was newly opened with reference to G.O., No. 550, Financial, dated 16th July 1897. Hence the expenditure in 1897-98 is very low.

(*d*) Provision has been made for purchase of clocks and iron clamped chests for some of the District Munsifs' Courts and Sub-Courts and also for table shades for Sub-Courts.

(*e*) Provision has been made for purchase of chairs, tables, &c., for some of the District and Munsifs' Courts.

(*f*) The increased provision is due to the inclusion of Rs. 757 being the cost of charges of the Government Agent, Gódávari, transferred from Criminal Courts to Civil and Sessions Courts as per Accountant-General's letter No. I.A.C.K.—357-D., dated 4th August 1897.

EXPLANATORY REMARKS.

(*a*) The increase is due to Hill allowance sanctioned for four peons at Rs. 3½ each per mensem—*vide* G.O., No. 841, Judicial, dated 27th May 1898.

(*b*) This number does not include the temporary establishment entertained from time to time by Collectors according to the exigencies of the service.

(*c*) This amount is required for the purchase of tables, chairs, etc., for the Process-serving establishment.

(*d*) This amount is necessary as the supply has to be renewed in many Courts next year.

| Average. | Accounts. 1897-98. | 1896-97. | 1895-96. |
|---|---|---|---|
| Rs. | Rs. | Rs. | Rs. |
| 7,602 ... | 6,861 | 7,958 | 7,988. |

(*e*) The estimate slightly exceeds the average which is not quite accurate as in former years such charges on account of the Process-serving establishment were included in the contingencies of the *regular establishment*.

(*f*) The increase is due to two copyists on Rs. 10 each sanctioned in G.O., No. 417, Financial, dated 9th April 1898.

(*g*) The decrease is due to the reduction of one copyist on Rs. 10 in Nellore.

CURRENT No. 35-78

High Court of Judicature, Madras.

2nd December 1898.

From

A. L. Hannay, Esq.,

*Registrar of the High Court of Judicature, Madras.*

To

The Hon'ble Mr. G. Stokes,

*Chief Secretary to the Government of Madras.*

Hon'ble Sir,

It has been the practice hitherto to print the annual reports on Civil and Criminal Justice prepared by the High Court and to bind the Civil Registers required for the use of Subordinate Courts, at the private press of Messrs. Graves, Cookson & Co., attached to the High Court. The Superintendent of the Government Press now proposes that the reports should be printed and the registers bound at the Government Press.

2. The Superintendent points out that the High Court Reports are the only ones not printed at the Government Press and that if printed there, uniformity in style with other reports could be secured while there would be a saving of expense after the first time of printing, as tabular statements would be kept standing from year to year. The

latter

latter could also be utilized for the purposes of the Provincial Administration Report. There are other minor reasons in support of the proposal which it is needless to specify.

3. As regards binding, I am to say that there is no objection to its being done at the Government Press.

4. To give effect to these proposals, I am directed to request that Government may be pleased to transfer Rs. 2800/- out of Rs. 3025/- provided under 19. A-Law and Justice, for Binding charges of the High Court and Rs. 550/- out of Rs. 16000/- provided under 30. D - Printing at private presses — High Court - in the Budget Estimate for 1899-1900, to 30. C - Stationery and Printing, Secretariat Press, supplies and services "Printing and Binding at Jail Presses."

I have the honour to be,

Hon'ble Sir,

Your most obedient servant,

FOR ORDERS.

Accept the Budget as revised.

1.12.98

Page 10 of the estimate.

The receipts under XVI-A LAW AND JUSTICE - COURTS OF LAW for the ensuing year are estimated at 8.04 against 8.05 and 7.25, the revised and budget estimates for the current year, and 8.04 the ~~accounts~~ actuals for 1897-98. The estimate for 1899-1900 is .79 more than the estimate for the current year; but as the former is based on the actuals for the last year and has, in fact, been fixed at the same amount, the estimate may it is submitted be accepted.

With reference to G.O.No.1083, Finl., dated 14th November 1898, the sum of Rs.400 shown under Miscellaneous Fees and Fines against "Fees from Notaries Public" for the ensuing year ~~has~~ will be raised to Rs.500, and a reduction of Rs. 100 ~~has~~ will be made under Pleaders' Admission Fees for the sake of rounding.

There does not appear to be any reason for placing the receipts of 1899-1900 at a lower figure than the R.E. for the current year. Sale Proceeds of Unclaimed and Escheated Property may safely be raised by Rs 1,900, in order to bring about this result.

Clerk. 29.11.98

What is the ground of stating this

30/11/98.

Subd. that it will save the R.E. from being taken to the R.E. Auth. is bound to get hold of this in the budget while it is original the estimates

2. The charges under 19 A LAW & JUSTICE - COURTS OF LAW for 1899-1900 are placed at 47.09 against 46.00, the revised estimate, and 46.13, the grant for the current year. Increases occur under the following heads; as compared with the B.E. for 1898-99:—

3. The certificate required under Rule 10 of the Instructions relating to the preparation of budget estimates has not been furnished; nor have details of the actuals for the past three years under Allowances, Supplies and Services and Contingencies been supplied in all cases. This omission as well as the difficulty in scrutinizing the provisions made under the several heads in the absence of such details was pointed out to the High Court last year. The same difficulty is now felt.

Court may be informed that in future the High Court can supply these details if it wishes. C.C. 11/30/14. Ext. No. 1136 dt. 9-Dec-97. Vide paras 2 & 8.

4. High Court. The estimate under this head for the ensuing year is fixed at 5.79 against 5.84 the revised and 5.65 the budget estimate for the current year. The increase of .14 under this head is due to enhanced provisions under some heads partially counterbalanced by decreases under others as shown below:-

The

Page 3 of the estimate.

The only explanation afforded by the High Ct: in the increased provision under Contingencies, is that it is "based on the probable requirements and considered necessary". The provision is not justified by the actuals or the revised estimate & may be, it is submitted, be reduced as shown proposed opposite.

Page 4 of the estimate.

Court Very well. 11/30/14/8.

The small decrease under Judges occurs under "Exchange Compensation Allowance", while the increase under Registrar provides for the revision of establishment sanctioned in G.O. No. 1150, Financial, dated 3rd November 1898. The decrease of .11 under Sheriff is due to the reduction of the charges falling upon Government in connection with the Sheriff's office, vide sanctioned in G.O. No. 1242, Judicial, dated 9th August 1898.

The allotments provided for Supplies and Services ("Purchase of Judgments from the High Court") (Rs.365) and Contingencies (Rs.535) for the "Law Reporter" appear susceptible of reduction with reference to past actuals and may be fixed at Rs. 200 and Rs.100 respectively for the ensuing year, the latter being distributed as shown in pencil on page 4 of the estimate.

The enhanced provision of .20 under Supplies and Services of the High Court appears against the item "Printing and Translation executed on behalf of suitors". This provision may be allowed to stand as the increase is more than compensated for by the increase (.55) in the receipts anticipated on this account. The increase of .05 under Contingencies is due mainly to

(1) provisions made for three new items, viz. "Liveries and clothing of servants" (Rs.650), "Peons' belts and badges" (Rs.600) and "Table Cloth" (Rs.300), the last supply in these cases having been made in 1896, 1894 and

Page 5 of note.

and 1886, respectively;

(3) enhanced provisions for "Hot and cold weather charges" (+Rs 502) stated to be required for additional punkah coolies for four months for the establishment, "Postage Charges" (+ Rs.505) apparently based on the actuals of 1897-98, "Rents Rates and Taxes" (+Rs.510) not explained, and "Binding charges" (+ Rs.2,600) provided for the supply of bound registers to Civil Courts under G.O. No.754, Financial, dated 6th November 1896.

The Judicial Department will be in a position to state how far the enhanced provisions should be allowed.

5. Law Officers. A provision of Rs.50 both in the Budget estimate for 1899-1900 and revised estimate for 1898-99 for "Charges of Notaries Public" will be entered in accordance with G.O.No.1083, Financial, dated 19th November 1898. The estimate for "Fees to Pleaders in Civil and Criminal cases and in Pauper Suits" may be reduced to Rs. 9,145 with reference to the average of the past three years, and the sum of Rs.270 added for rounding eliminated. This would leave the total provision under this head at 1.53 against 1.527 in the revised estimate and 1.475 the actuals for 1897-98.

6. Civil and Sessions Courts. The increase of .55 under this head is distributed as follows:-

The actuals of 97-98 were Rs 800 higher than the figure now forecast by the High Ct.

7. Under City Civil Court the addition of Rs.31 inserted for rounding the total may be avoided by raising the allotment for "Purchase of country articles each costing less than Rs.50" to Rs.61 against Rs. ~~130~~ 130 the grant for the current year.

8. The decrease under District and Sessions Judges is due to smaller provision for "Exchange Compensation Allowance", and to the absence of provision on account of the temporary establishment of seven clerks provided in the current year. That under Sub-Judges is due to the estimate for the current year containing provision for a Temporary Sub-Judge, to smaller provision for exchange compensation allowance and to changes in establishment.

9. The increase of .56 lakh under Munsiffs is caused by the insertion of provision to that extent for the four new Munsiffs' courts recently sanctioned. The details are shown in appendix A with reference to G.O.No.792, Financial, dated 14th September 1898. A ~~similar~~ provision of Rs.15 for the same purpose which was entered in the current

The allotment proposed for "Travelling Allowance of officers" (Rs.5,295) appears high and may be reduced to Rs. 4,295 with reference to past actuals and the R.E. for the current year

Contingencies. The following reductions appear feasible with reference to the actuals for 1897-98 and the revised estimates for the current year:-

11. ESTABLISHMENT - PROCESS SERVING

The increase is chiefly due to the deduction on account of probable savings under Establishment having been placed at Rs.1,963, against 12,513 in the current year. The amount may, it is submitted, be safely raised to Rs.11,963, which would leave the allotment for establishment charges at the same amount as the grant (6 lakhs) for the current year. Under Contingencies the provision for "Postage Charges" may with reference to the actuals of 1897-98 and the revised estimate for the current year be reduced by Rs.1,000.

13. Court of Small Causes. The addition of Rs.95 for rounding can be avoided by reducing the estimate for "Office Expenses" from Rs 48 43 to Rs. ~~48~~, which would leave the total allotment at Rs.93,900.

14. Criminal Courts. The provision under this head is placed at 11.81 against 11.81 and 11.51 the revised and budget estimates for the current year and 11.96 the actuals of 1897-98 Compared with the grant for the current year the variations are shown below:- Page 12 of Estimate

15. The decrease of .13 under General Establishments is due mainly to the transfer of six Bench clerks and the Process Service Establishment as well as part of the provision for Supplies and Services and Contingencies hitherto shown under this head to Sub Divisional Establishments. The transfer of the six Bench Clerks is stated to be due to the revised classification adopted by the Accountant-General. Honorable Sir,

Under the orders of the Govt. of India, charges for police custody - Lockups, are debited in the financial accounts to the Jail dept. and shown under 19 Ba. Law and Justice - Jails - Jails. These charges are, however, controlled by the High Court, which budgets for, incurs and checks them. The budget estimates of the Jail department are due from the I. G. of Prisons on the 15th October while those under 19 A Law and Justice - Courts of Law, are due from the High Court on the 15th Nov: and along with these estimates those under Police Custody are received, so that till

the estimates due from the High Court are received, those under 19. B. Law and Justice – Jails, have to remain incomplete. Under the circumstances, I am directed to enquire if it will be convenient to you to issue orders for the estimate under Lockups being furnished to Govt by the 15th instead for being incorporated with those received from the I. Read—the following papers:—

From the Registrar of the High Court of Judicature, Madras, dated 15th November 1898, No. 128.

From A. L. HANNAY, Esq., Registrar of the High Court of Judicature, Madras, to the Chief Secretary to Government, dated 2nd December 1898, Ref. on Cur. No. 2917.

It has been the practice hitherto to print the annual reports on Civil and Criminal Justice prepared by the High Court and to bind the Civil Registers required for the use of Subordinate Courts at the private press of Messrs. Graves, Cookson & Co. attached to the High Court. The Superintendent of the Government Press now proposes that the reports should be printed and the registers bound at the Government Press.

2. The Superintendent points out that the High Court reports are the only ones not printed at the Government Press and that, if printed there, uniformity in style with other reports could be secured, while there would be a saving of expense after the first time of printing, as tabular statements would be kept standing from year to year. The latter could also be utilized for the purposes of the Provincial Administration Report. There are other minor reasons in support of the proposal which it is needless to specify.

3. As regards binding, I am to say that there is no objection to its being done at the Government Press.

4. To give effect to these proposals, I am directed to request that Government may be pleased to transfer Rs. 2,800 out of Rs. 3,025 provided under 19-A. Law and Justice, for binding charges of the High Court and Rs. 550 out of Rs. 16,000 provided under 30-D. Printing at Private Presses—High Court in the budget estimate for 1899–1900 to 30-C. Order—No. 1178, Financial, dated 6th December 1898.

The budget estimate of receipts under XVI-A. Law and Justice—Courts of Law for the ensuing year, which has been placed at 8·04 lakhs, the same figure as the actuals of 1897–98, against 8·05 and 7·25, the revised and budget estimates for the current year, will be accepted. With reference to G.O., No. 1083, Financial, dated 14th November 1898, the sum of Rs. 400 shown under Miscellaneous Fees and Fines against "Fees from Notaries Public" will be raised to Rs. 500, and a reduction of Rs. 100 will be made under "Pleaders' Admission Fees" for the sake of rounding.

2. The charges under 19-A. Law and Justice—Courts of Law for 1899–1900 are placed at 47·09 against 46·00, the revised estimate, and 46·13, the grant for the current year. Increases occur under the following heads as compared with the budget estimate for 1898–99:—

The certificate required under rule 10 of the instructions relating to the preparation of budget estimates has not been furnished; nor have details of the actuals for the past three years under *Allowances*, *Supplies* and *Services* and *Contingencies* been supplied in all cases. The absence of these details renders the scrutiny of the estimates difficult. The matter will again be brought to the notice of the Honourable the Judges. In view of the actuals of the past year and the revised estimates for the current year, the reductions shown in the statement printed as appendix A to these proceedings appear to be practicable and will be carried out in the estimates.

4. Other minor adjustments will be made in order to eliminate the amounts which have been added or deducted for the purpose of rounding the totals of the various minor and sub-heads in the estimates.

5. The transfer mentioned in paragraph 4 of the letter from the Registrar of the High Court, No. 2917, dated 2nd December 1898, will be made.

6. Law Officers.—Provisions of Rs. 50 will, in accordance with G.O., No. 1083, Financial, dated 19th November 1898, be entered in the budget estimate for 1899–1900 and in the revised estimate for 1898–99 for "Charges of Notaries Public."

7. Civil and Sessions Courts—District and Sessions Judges.—One permanent District Judge is a Statutory Civilian in receipt of Rs. 1,493–5–4 *per mensem*, and he is not entitled to draw exchange compensation allowance. The estimate under this head will accordingly be reduced by Rs. 11,000 in round numbers. In view of the actuals under *salaries* in 1897–98 (5·25) and the revised estimate for the current year (5·20), the "Probable savings" will be raised by Rs. 9,000.

8. The provision of ·36 lakh under Munsifs for the four new Munsifs' courts recently sanctioned, the details of which are with reference to G.O., No. 792, Financial, dated 14th September 1898, shown in an annexure to the estimates, will be admitted subject to final orders in January next.

9. *Supplies and Services.*—The allotment of Rs. 5,000 for "Elephant charges" includes a provision of Rs. 3,000 which is stated to be required for the purchase of an elephant for the Agent to the Governor, Ganjám. As, however, a sum of Rs. 10,000 has been lately sanctioned for the purchase of three elephants for the Agent, the allotment will be reduced to Rs. 1,200.

G.O., No. 1003, Finl., dated 4th Nov. 1898.
" " 1043 " " 11th " "

10. The estimate for "Purchase of books" in 1899–1900 is placed at Rs. 1,014 against Rs. 250 the revised estimate and Rs. 345 the grant for the current year, and Rs. 282 the actuals of 1897–98. The enhanced provision is explained to have been made with reference to G.O., No. 772, Financial, dated 6th September 1898. The reason is not apparent and the allotment, which appears to have been increased under a misapprehension, will be reduced to Rs. 314. The Honourable the Judges of the High Court will be requested to favour Government with further information as regards this entry.

11. Process Serving Establishment.—The increase of ·11 under this head is chiefly due to the deduction on account of probable savings under *establishment* having been placed at Rs. 1,963 against Rs. 12,513 in the current year. The sanctioned scale shown in the budget estimate for next year costs Rs. 550 (*per annum*) less than that in the budget estimate for the current year. The "Probable savings" can safely be raised to Rs. 11,963, leaving the allotment for establishment charges at the same amount as the grant (6 lakhs) for the current year.

12. 19-*B (a) Jails*—Charges for Police Custody.—The charges under this head are estimated at Rs. 17,124 against Rs. 20,000 the grant and Rs. 17,170 the revised estimate for the current year. The provision for "Conveyance of under-trial prisoners" will be reduced to Rs. 5,086 and the total allotment fixed in round numbers at Rs. 17,000.

13. 30. Stationery and Printing.—The allotments proposed for "Stationery purchased in the country" and "Printing at Private Presses—Other Courts" will be altered to Rs. 100 and Rs. 3,750, respectively, and the total accepted at Rs. 19,300.

14. The estimates modified with reference to the foregoing remarks are shown in appendix B to these proceedings.

(b) The amount of Rs. 10,773 under supplies and services (petty works of construction) and Rs. 6,200 under contengencies (petty repairs to buildings) are required by the District Judges for the Courts under their control. In 1897-98 the expenditure under these items were considerably low as the High Court postponed a good number of works for want of funds.

(c) This item was newly opened with reference to G.O., No. 550, Financial, dated 16th July 1897. Hence the expenditure in 1897-98 is very low.

(d) Provision has been made for purchase of clocks and iron clamped chests for some of the District Munsifs' Courts and Sub-Courts and also for table shades for Sub-Courts.

(e) Provision has been made for purchase of chairs, tables, &c., for some of the District and Munsifs' Courts.

(f) The increased provision is due to the inclusion of Rs. 757 being the cost of charges of the Government Agent, Gódávari, transferred from Criminal Courts to Civil and Sessions Courts as per Accountant-General's letter No. I.A.C.K.—357-D., dated 4th August 1897.

(g) The estimate exceeds the average of the past three years' accounts by Rs. 7,480. Excluding Rs. 6,200 relating to petty repairs to buildings, the total estimate under contingencies amounts to Rs. 54,301 against Rs. 50,610, the grant sanctioned for the current official year. The increased provision is based on the actuals of the first five months of the current year and the last seven months of 1897-98.

(h) The reduction of the Process Serving Establishment referred to in G.O., No. 1912, Judicial, dated 21st September 1893, is being carried out.

(i) Three and seven peons in the Sub-Court of Ootacamund draw, respectively, Rs. 11 and 10 each.

EXPLANATORY REMARKS.

(*a*) The increase is due to Hill allowance sanctioned for four peons at Rs. 3½ each per mensem—*vide* G.O., No. 841, Judicial, dated 27th May 1898.

(*b*) This number does not include the temporary establishment entertained from time to time by Collectors according to the exigencies of the service.

(*c*) This amount is required for the purchase of tables, chairs, etc., for the Process-serving establishment.

(*d*) This amount is necessary as the supply has to be renewed in many Courts next year.

(*e*) The estimate slightly exceeds the average which is not quite accurate as in former years such charges on account of the Process-serving establishment were included in the contingencies of the *regular establishment*.

(*f*) The increase is due to two copyists on Rs. 10 each sanctioned in G.O., No. 417, Financial, dated 9th April 1898.

(*g*) The decrease is due to the reduction of one copyist on Rs. 10 in Nellore.

(*a*) Effect was given to G.O., No. 2555, Judicial, dated 11th December 1838, by the appointment of a bailiff on Rs. 9 in lieu of one on Rs. 14.

(*b*) Provision has been made for the purpose of four almirahs for four courts to keep Law Books, Indian Law Reports, &c., as they are greatly needed.

One permanent District Judge is a Statutory Civilian in receipt of Rs.1,495-5-4 per mensem, and he is not entitled to draw exchange compensation allowance. The estimate under this head will accordingly be reduced by Rs.11,000 in round numbers. In view of the actuals under Salaries in 1897-98 (5.25) and the revised estimate for the current year (5.20), the "Probable Savings" will be raised by Rs.9,000.

8. The provision of .36 lakh under MUNSIFS for the four new Munsiffs' Courts recently sanctioned, the details of which are with reference to G.O.No.792,Finl., dated 14th September 1898 shown in an annexure to the estimates, will be admitted subject to final orders in January next.

9. Supplies and Services. The allotment of Rs.5,000 for "Elephant charges" includes a provision of

Rs. 3,000 which is stated to be required for the purchase of an elephant for the Agent to the Governor, Ganjam. As however a sum of Rs.10,000 has been lately sanctioned for the purchase of three elephants for the Agent, the allotment will be reduced to Rs.1,200. G.O.No. 1003, Finl., dated 4.11.98 IX
" " 1043 - - 11.11.98 XI

10. The estimate for "Purchase of Books" in 1899-1900 is placed at Rs.1,014 against Rs.250 the revised estimate, and Rs. 348 the grant for the current year, and Rs.382 the actuals of 1897-98. The enhanced provision is explained to have been made with reference to G.O. No.772, Finl., dated 6th September 1898. ~~The reason how this order will increase the charges in Civil and Sessions Courts.~~ It is not apparent and the allotment, which appears to have been increased under a misapprehension, will ~~accordingly~~ be reduced to Rs.314. The Honourable the Judges of the High Court will be requested to favour Govt. with further information as regards the entry ~~of the enhanced provision~~.

11. PROCESS SERVING ESTABLISHMENT. The increase of .11 under this head is chiefly due to the deduction on account of probable savings under Establishment having been placed at Rs.1,963 against 12,513 in the current year. The sanctioned scale shown in the budget estimate for next year costs Rs.550 (per annum) less than that in the budget estimate for the current year. The "Probable Savings" can safely be raised to Rs.11,963, leaving the allotment for establishment charges at the same amount as the grant (6 lakhs) for the current year.

12. 19-B a JAILS - CHARGES FOR POLICE CUSTODY. The charges under this head are estimated at Rs.17,124 against Rs.20,000 the grant and Rs.17,170 the revised estimate for the current year. The provision for "Conveyance of under-trial prisoners" will be reduced to Rs.8,086 and the total allotment fixed in round numbers at Rs.17,000.

13. 30 STATIONERY AND PRINTING. The allotments proposed for "Stationery purchased in the country" and "Printing at Private Presses-Other Courts" will be altered to Rs.100 and Rs.5,750 respectively and the total accepted at Rs.19,300.

14. The estimates modified with reference to the foregoing remarks are shown in appendix B to these proceedings.
