In all Provinces monthly accounts are published. I agree that the accounts now published in Madras are useless. To enable me to have a complete check over the progress of Revenue & Expenditure I have had the accompanying form printed. I introduced it in Burma & it is the form in which the monthly accounts are published there. I would suggest its being used for the same purpose here instead of the present form.

The Accountant-General, Madras.

Hon'ble Sir,

G

26. 11. 91

In accordance with G. O., No. 2587, Judicial, dated 9th October 1884, a copyist was employed in the District Munsif's Court of Gudalur in the Coimbatore District till December 1896 when the post fell vacant. It was not filled up until 1st April last, as the fees paid by parties at Gudalur were not sufficient to cover the salary of a permanent copyist and thus there was a deficit each month. During the interval, the clerks on the regular establishment did the copying work, as a temporary copyist could not be obtained; and they took the fees paid by parties. The Accountant-General objected to this as it was not in accordance with the High Court copyist Rules. Thereupon the District Munsif filled up the vacancy on 1st April last with the approval of the District Judge. The Accountant-General points out that the sanction of Government for this appointment, not

having

having been acted upon for more than a year, has lapsed under Article 295 of the Civil Account Code and that fresh sanction is necessary.

2. I am therefore directed to request that His Excellency the Governor in Council may be pleased to renew the sanction for the entertainment of a permanent copyist on Rs. 15/- with effect from 1st April 1898. The necessary proposition statement is herewith submitted.

I have the honour to be,
Sir,
