No. 1662

Budget estimate of the Boiler Inspector for 1899-1900.

Forwarded with the following remarks:-

Rents, rates & taxes- Rs 100/- will be enough. It is only 3 months rent that has to be met in as much as the occupation by the Boiler Inspector of a rented building commenced only from November 1898 & Rs 30/- per month is a fair charge for his portion of the building and for the same reason Rs 360/- will be a sufficient budget allotment for 1899-1900.

Peon's Belts & Badges- The allotment of Rs 15/- for 1899-1900 is considered unnecessary. The ones made in 1898-99 for which a similar provision exists can be expected for at least two years.

Rattan mats & blinds- The allotment for 1898-99 can scarcely be used. The room intended for the Boiler Inspector is furnished with mats. Blinds are not required. The proposed provision of Rs 25/- for 1899-1900 may be reduced to Rs 10/-

Hot & cold weather charges- The provision of Rs 80/- is made up as follows:-

A punkah puller for the Boiler Inspector for 12 months at Rs 4/- per month	Rs 48-0-0
A punkah puller for establishment for 6 months at Rs 4/- per month	Rs 24-0-0
Tatties & watering	Rs 8-0-0
	Rs 80-0-0

The Boiler Inspector's attendance at office does not exceed 52 days a year- A permanent punkah puller is therefore unnecessary. A Cooly may be employed on the days he attends office. Rs 10/- for the purpose would be enough for a year for the Inspector and Rs 24/- for 6 months for the writer, Rs 34/- in all.

Sweepers allowances & Scavenging expenses- The sweeper attached to the office of the Sanitary Commissioner is to attend to the Boiler Inspector's office as well. An increase to the sweeper's pay has been applied for by the Sanitary Commissioner. Rs 1/- per month or Rs 12/- per annum will be a fair share and therefore the figure ought to be Rs 4/- for 1898-99 and Rs 12/- for 1899-1900.

Lighting charges- Rs 10/- is too much- Rs 5/- will be sufficient
