note books for Rs. 27-8-0 and two sketch books at Rs.1-8-0. His action in having purchased them in anticipation of sanction, was, no doubt, irregular; but as he reports that the articles were very urgently required, I beg to request that these charges may also be admitted. He has been directed to see that such unauthorized expenditure is, on no account, incurred in future.

3. Of the articles noted above as having been locally purchased, section note books, sketch books, Turkey red cloth, Stephens' scarlet ink and Stephens blue black ink are not available in the Stationery Office, and as they are reported to be absolutely necessary for the College, charges on account of them will have to be incurred every year. The Principal, therefore, requests that general sanction may be accorded for their local purchase, whenever necessity may arise, and I beg that the general permission applied for may be granted. The Principal states that the red and blue black inks supplied by the Stationery office are not Stephen's, that they soon get clotted, and that a superior kind of these inks is necessary.

ORDER :- No. 702, dated 24th November 1898.

The Accountant-General will be authorised to admit the charges already incurred.

2. Paragraph 3 of the Director of Public Instruction's letter will be considered in the Financial Department.

The Chief Secretary to Government,

SIR,

With reference to your endorsement No.2513,
dated 16th instant on G.O.No.702 Educational, dated 10th idem,
(herewith returned), I have the honour to inform you that
although not at present available, Section Note books, Sketch
books, Turkey red cloth, Stephen's Scarlet ink and Stephen's
Blue Black ink can be obtained and supplied by this office
to the Principal, College of Engineering, on his annual indent
every year. For the articles required during 1900-1901 the
Principal should send his indent for the first time, together
with samples of the first three articles, before the 1st Fe-
bruary 1899. He may be permitted to purchase what he requires
for use during 1899-1900.

2. Instead of Stephen's Scarlet ink I would suggest that
Blackwood's rubian red ink should be indented for.

I have the honour to be,

Sir,

Your most obedient servant,

J.N. Atkinson

Superintendent of Stationery.
