Forwarded to Government.

From the statement attached to the ^{General's} Surgeon's letter No 35/7 dated 19 November 1898 it will be seen that there has been an interval of 32 days from the date on which Captain Elliot arrived at Coonoor and that on which he started on tour and that the horse if taken by Road would have reached the place before he started. He is therefore not entitled to the cost of conveyance of his horse under the Government of India letter recorded in Madras Government order No 320 F.L. dated 8 May 1896.

This case is similar to that of Major C.M. Thompson whose claim for the cost of conveyance of his horse from Madras to Ootacamund has been disallowed in Madras Government order No 658 F.L. dated 19 August 97.

Captain Elliot's claim to conveyance allowance ~~allowance~~ under article 1093, Civil Service Regulations

FOR ORDERS

C.No.3512

The current read above relates to a claim, under article 1093 of the Civil Service Regulations, for the payment to Captain R.H. Elliot, I.M.S., of the actual cost of conveyance of a horse from Madras to Mettupalayam on his recent transfer to Coonoor as District Medical and Sanitary Officer of the Nilgiris. The Surgeon General quotes two precedents in favour of the grant. The Accountant General questions the admissibility of the application on the ground that there was an interval of 32 days between the date upon which ^{Capt Elliot} he arrived at Coonoor and ^{his} ~~first departure~~ ⁽ⁱⁱ⁾ on tour and that the horse, if taken by road, would have reached Coonoor before Captain Elliot started on tour. The Acct. Genl. remarks that the case is similar to that of Major C.M. Thompson whose claim for the cost of conveyance of his horse from Madras to Ootacamund was disallowed in F.O.No. 658, Financial, dated 19th August 1897.

~~XXXXXXXXXXXXXXXXXXXX~~

On 14/11. In the earlier G.O. Dr. Lancaster's

claim was admitted in view of the fact

that he had charge of Kotagiri, and

in the second order Surgeon Major

Reeves's claim was admitted ~~as~~

~~XXXXXXXXXXXXXXXXXXXX~~ he was District Medi-

cal and Sanitary Officer of the Nilgiris.

Surgeon Major Thompson's case, however,

which is dealt with in G.O.No. 658

Finl., d/19th August 1897 and which

the Accountant General quotes as ~~bar~~ring

the present claim was that of an offi-

cer transferred ~~on~~ ^{16/12} Civil Surgeon ^{cy} of

Ootacamund and is not on the same footing

as that of Captain Elliot. The rulings

of the Govt. of India on this subject

are reproduced in paragraph 2 on page

23 of the notes on yellow paper attach-

ed to G.O.No.605/6, Finl., d/14th July

1898. It is thought that the present

claim is admissible and draft order

is submitted for approval.
